**The Zombie Chronicles - Book 5 - Undead Nightmare** Chrissy

Peebles,2014-11-23 Welcome to the Apocalypse Infection Unleashed Series. Prequel - Val Book 1 - The Zombie Chronicles Book 2 - Race for the Cure Book 3 - Deadly City Book 4 - Poisonous Serum Book 5 - Undead Nightmare Book 6 - Revelation Book 7 - Trepidation (due out in Jan.) Book 8 - Impact (due out in spring) This is the longest book in The Zombie Chronicles so far. It is almost 80,000 words. My name is Dean Walters and I'm eighteen years old. We had saved Val, Jackie, and Claire with the precious vials in our possession, but they weren't 100 percent effective. Those who had taken the serum, the so-called miracle cure for zombie-itis, were easy enough to spot, since they had glowing green eyes and were suddenly equipped with night vision that would have made the average bat jealous, but that was only one side effect. Much to our dismay, the other side effect wasn't quite so tolerable. Some cured people turned back into zombies but retained control of their reasoning, logical minds, virtually turning them into cannibals capable of thinking, calculating, stalking, and killing their victims. We'd decided to call them hybrids, and I feared that my sister, my girlfriend, and my potential future cousin-in-law were about to morph into just that. Is it only a matter of time? Does that happen to everyone who takes the serum, or are some immune to that side effect? Our only hope for answers was to go to the lab, and I hoped the answers we'd finally get would be honest—and good news. The Cured Deirdre Gould,2016-04-09 Henry spent eight years chained to a post. Exposed, starved, infected with the December Plague, and mad. During those eight years, the December Plague consumed most of the world's human population, causing the infected to become violent and cannibalistic. But Henry escaped. And now he's been Cured. He vividly remembers what has been done to him and others. He can also recall the terrible things he did while he was infected. He and his fellow survivors face a world unlike anything they knew before. They are weak, lost and completely alone. Now released from both the madness of the Plague and the cruelty of their captors, they must decide which is more important: survival or revenge. The After the Cure Series: Book 1: After the Cure Book 2: The Cured Book 3: Krisis Book 4: Poveglia Book 5: The 40th Day zombie apocalypse series, zombie dystopian novel, apocalyptic plague, epidemic plague fiction novel, post apocalyptic plague series, dystopian thriller series

**Zombie Business Cure** Julie Lellis,Melissa Eggleston,2017-02-20 Does your business feel lifeless in today's fast-paced marketplace? Tired of struggling to stand out? Can't seem to clarify your message? You may be a zombie and not even know it. Zombies are confused, haphazard, and indistinguishable. Businesses act like zombies when empty communications alienate customers, supporters, and partners. The Zombie Business Cure gets to the heart of many communication problems: identity. A lack of focus on identity negatively affects your bottom line and can damage your reputation. The best organizations are simply more like humans and less like zombies. Humans realize the importance of having a strong sense of self, maintaining a consistent message, and communicating effectively to build relationships. The Zombie Business Cure will help you: Realize identity is the foundation for success. Discover identity problems that commonly lead to communication

failures. Prevent zombie-like behavior by tackling the five most common zombie traits. Approach new communication efforts in a more mindful way. You'll learn from real-life case studies and also gain practical tips and exercises that will help your business. The Zombie Business Cure is the antidote for lifeless communication that repels customers. By using the principles in this book, you'll attract the right audiences and increase your success.

*Chasing a Cure* R. M. Hamrick, 2021-10-19 She used to run from zombies, now she chases them. Eighteen-year-old Audra's quick wit and faster feet keep her alive in the deep, zombie-filled south, but she considers her hard won prowess meaningless if she can't avert her sister's bodily decay and mindless collapse into cannibalism. Her only chance is to set up as a tagger, finding the wealthy's wandering sick to be given Lysent Corp's new antiviral. If she delivers on the steep quota, she'll earn her sister's cure. If she can't, there's another deal on the table - in return for bolstering a rebellion against Lysent Corp's reign. Disaffected and distrusting, Audra doesn't play well with others and couldn't care less who rules, but if she doesn't successfully navigate this new world skirting both the power-hungry and the dead, she could lose her sister to either side. Pushing the genre in a new direction, *Chasing a Cure* is a zombie-steeped sister saga with an end that will leave you reeling. Start your chase today.

*Zombie Books* I.G. Harding, zombie books, 2017-01-09 Wow, what an amazing and Entertaining Book; great cast of characters, very good story with a lot of eerie twists and turns. Population Zero is by far one of the best zombie books to have come out in a long time. -Mary Jones - Valley Daily News "A must read in the horror genre. Population Zero is a book that will leave you begging for more; Five Stars All The Way." -Judy B. Cohen - Elite Media Group "Deliciously entertaining and very fun read. I bought it for a friend as a gift and she loved it as well. It's by far one of the finest zombie apocalypse books to have come out in the last decade. Highly Recommend This Book." -Dave Baker - Book Bloggers of America

*Healing the Exposed Being* Robert Thornton, 2017-05-01 This ethnography explores the Ngoma healing tradition as practiced in eastern Mpumalanga, South Africa. 'Bungoma' is an active philosophical system and healing practice consisting of multiple strands, based on the notion that humans are intrinsically exposed to each other and that this is the cause of illness, but also the condition for the possibility of healing. This healing seeks to protect the 'exposed being' from harm through augmenting the self. Unlike Western medicine, it does not seek to cure physical ailments but aims to prevent suffering by allowing patients to transform their personal narratives of Self. Like Western medicine, it is empirical and is presented as a 'local knowledge' that amounts to a practical anthropology of human conflict and the environment. The book seeks to bring this anthropology and its therapeutic applications into relation with global academic anthropology by explaining it through political, economic, interpretive, and environmental lenses

*Deep Healing and Transformation* Hans TenDam, 2015-12-03 This is a text book used in training programs around the world. It describes a methodical way of working that transcends ordinary psychotherapy while retaining a professional attitude. It avoids artificial hypnotic inductions and psychic interventions, but ties in directly with the experiences of the client. The style is down-to-earth, to-the-point, practical and fearless

**Vickie: Doctor by day. Zombie Hunter by night** Eileen Sheehan, 2018-04-30 Get ready for a thrilling ride with Dr. Vickie Anderson as she moves to a seemingly ordinary small town to begin her practice as a physician. But as she gets to know the townspeople, she discovers a world beyond her wildest imagination. With a charming vampire as her lover, a wise witch as her confidante, and a hot sheriff as her sidekick, Vickie finds herself navigating a dangerous world of zombie hunters and bloodsuckers. Will she be able to balance her medical duties with her newfound role as a superhero?

Find out in this captivating tale that will leave you on the edge of your seat. Vickie: Doctor by day. Zombie Hunter by night is book one of the thrilling and adventurous Vickie series. Here is what a few readers are saying... I could not help but to laugh. There are things that are mentioned in the book, and at about 1/4 of the way into the book, I've got some ideas about what may be going on. I guess I'll find out. On some things I thought, I was right, on others I was completely off the mark. I truly hope that Eileen writes a follow up to this book. If I could give this more than 5 stars, I would. Definitely a paranormal/romance/mystery with a bit of thriller thrown in. This was such a great book. The imagination of this author is astounding! This isn't your typical zombie book and I didn't really think it horror but everyone is different. As I said this is a different take on zombies but it's also a great story. Vickie is a doctor who sets up in a new town as their new resident doctor since the old one passed. She rents a huge house which she runs her office out of as well as has some boarders turned friends staying with her. I don't know what else to say about this book that won't give away spoilers so I'll have to just leave it at that. This is a really great book with a strong heroine and two very hot alpha males who both want her. Add in some supernatural things like zombies, witches and vampires and this book is all you need for a lazy day of reading.

**Emotional Healing** Jan de Vries, 2011-05-13 In Emotional Healing, world-renowned alternative-health expert Jan de Vries turns his attention to the myriad of mental and emotional conditions that he has seen increase amongst his patients in recent years. This important new addition to the Jan de Vries Healthcare series offers practical advice on how to cope with the emotional effects of unhappy relationships and broken marriages, suggests ways of eradicating depression and suicidal thoughts, reveals how to combat feelings of resentment and jealousy, and advises on how to avoid the health pitfalls linked to modern working life, such as stress and anxiety. The book pinpoints effective ways in which to overcome feelings of guilt and trauma that arise from unfortunate situations such as road accidents. It also explores the wealth of complex emotions related to degenerative diseases, such as cancer, multiple sclerosis and muscular dystrophy, and offers helpful tips on how to cope at such times. Emotional Healing is an essential handbook for those of us who are emotionally and mentally affected by the many pressures of life in the twenty-first century. It will lift spirits and bring some positivity back into the lives of those who may have started to give up hope.

**Jellyfish Age Backwards** Nicklas Brendborg, 2023-01-17 This eye-opening book offers a clear and captivating (Dr. Kris Verburgh )scientific deep dive into how plants and animals have already unlocked the secrets to immortality-and the lessons they hold for us all. Recent advances in medicine and technology have expanded our understanding of aging across the animal kingdom, and our own timeless quest for the fountain of youth. Yet, despite modern humans living longer today than ever before, the public's understanding of what is

possible is limited to our species—until now. In this spunky, effervescent debut, the key to immortality is revealed to be a superpower within reach. With mind-bending stories from the natural world and our own, Jellyfish Age Backwards reveals lifespans we cannot imagine and physiological gifts that feel closer to magic than reality: There is a Greenland shark that was 286 years old when the Titanic sank, and is currently 390, making it older than the United States. Scientists predict it will live for another 100 years. Trees and lobsters don't "age" in the way we know it. They simply get bigger and bigger. There are forms of radiation that have been known to actually increase the lifespans of certain species, from tortoises to naked mole-rats. There's a species of jellyfish, the size of a fingernail, that can age forwards, then, when threatened, age backwards and begin the process all over again. Mixing cutting-edge research and stories from habitats all around the world, molecular biologist Nicklas Brendborg explores extended life cycles in all its varieties. Along the way, we meet a man who fasted for over a year; a woman who edited her own DNA; redwoods that survive thousands of years; and in the soil of Easter Island, the key to eternal youth. Jellyfish Age Backwards is a love letter to the immense power of nature, and what the immortal lives of many of earth's animals and plants can teach us about the secrets to longevity. *Finding Healing* Adessa Holden, 2017-02-10 This can be your turning point. God can take the hardest places in your life – the things you never thought you'd overcome – and heal you and set you free so you can use your story to help other people discover their own abundant life. The message of this book is simple: You can be healed and overcome. You can walk in freedom. Through the power of the Holy Spirit and the work that Jesus did at the cross, you don't have to stay trapped in your pain and heartache. No person is doomed to repeat the cycles of the past. You can choose, as I did so many years ago, to start your own journey to healing and freedom and start really living the abundant life Jesus has for you. Are you ready? Let's get started.

*My Healing Heart* Rosalie B. Kahn, 2011-09-30 My Healing Heart is the simple, true story of Rosalie's search for God and love. Her quest began early in life, catalyzed by a painful childhood marked by sexual and emotional abuse. As this story unfolds, you are given a window into Rosalie's trials, tribulations, and joys during her lifelong search for love and truth. It's her story, but it's also your story. If you suffered from abuse or some other form of betrayal, no one taught you how to make sense of what happened. No one showed you how to heal. No one gave you a map of how to communicate your feelings without harming yourself or others in the process. My Healing Heart will help you to understand through Rosalie's challenges, heartaches, and personal healing that you have a multitude of resources for overcoming your own obstacles. You will learn through her experiences and through her wisdom gained from applying the philosophies and teachings of respected spiritual masters like Edgar Cayce, the sleeping prophet. You will also share her journey across several continents during her twenty-six-year career in the US Foreign Service. After reading My Healing Heart, you will have no doubt that your heart can also be healed.

*Healing Depression without Medication* Jodie Skillicorn, D.O., 2020-03-17 What if everything we thought we knew about depression—and how to heal from it—was wrong? Many antidepressants—the first line in our standard of care for treating depression—bring with them potential health risks, yet 1 in 6 Americans takes medication to alleviate feeling sad, anxious, stuck, or unable to focus or sleep. More and more, conventional medicine pathologizes how we respond to life's challenges—like feeling trapped in an unfulfilling job, grieving the death of a loved one, or being anxious about a bad relationship—telling us that they're symptoms of disease. Psychiatrist Jodie Skillicorn presents a new path, debunking the myth of the neurochemical imbalance and exploring the roots of depression, such as adverse childhood

experiences (ACEs) and poorly managed day-to-day stress. Evidence-based and fully supported by current depression research, Dr. Skillicorn's holistic methods for beating depression—including nutrition, mindfulness, fostering meaningful connections, exercise, sleep, nature, and breathwork—empower readers to become agents of their own wholeness and healing.

*Being Heard: Healing Voices of Trauma* Vera Stasny, 2021-03-28 This collection of deeply introspective poems reflects Vera's inner voice in response to her unrecognized and unfelt personal traumas and shocks. She writes about loss, pain, joy, love, fear, memories, and death. The poems, written over a four-year period, emerged from moments of silence. They give voice to that which otherwise might remain lost or hidden. They reflect her previously unexpressed emotions underlying life's traumatic experiences. The voices within compelled her to bring them forth on her healing journey "A debut collection details the the way poetry can transform pain into hope and healing. The author is particularly good at demonstrating the way in which psychic pain lodges in the body how mental strife has physical effect . She makes readers feel the shortness of her breath and the churning in her gut. But even in such struggle, there is hope, and her verse also testifies to the possibility of recovery... Her moving book is an invitation a well - one those suffering from trauma would do well to accept...Touching poems that show reader both the storm and the calm that can follow." – Kirkus Review of Books "A soulful, well-written and sincere narrative uniting us all in our common vulnerability. The collection can be easily read in any order, each entry connected and yet able to stand alone. The writing speaks openly from one heart to another, leaving you in a better place at the end of the journey." – Kathryn Castelli

**Bipolar Words Word Madness Healing Words: Volume 1 Three Part Compendium and Volume 2 The Virility of Mischiefs combined into this special edition** O. H. Owens, 2018-08-06 The abuse spectrum is a solid sphere, from minuscule to beyond the outer limits of known physics. Abuse not only of people, but of things and places. This book covers all of that, while incorporating many chapters beyond that topic. The hope is a pushback of mischiefs, a healing, a curative force which goes viral, rather than the virility of evil and abuse growing to encompass more and more of the world. A book that has been carefully designed & crafted to challenge any reader, a challenge for tolerance and a challenge towards motivation to fix and properly govern oneself in a new and novel way, as the universe falls m into the last day Bible style. Prepare to be shocked, horrified, and cringed like never before. Enter the arena of these pages; a contest is afoot and lively if one does. When taken in its full context, the words herein cannot be defeated?

*Dead Ice* Laurell K. Hamilton, 2016-04-26 When her independent reputation is compromised by her engagement to master vampire Jean-Claude, Anita takes an assignment from the FBI to track down a practitioner of dark voodoo who is victimizing women.
