My Body Passport (2nd Edition) Wendy Coulson,Laura Coulson,2020-09-18 My Body Passport (2nd Edition) is a comprehensive book designed to last for years covering every aspect of your personal health, organized simply with prelabeled check boxes and forms. My Body Passport is the easiest to use health records book ever made. Your medical and health records include: prescriptions, immunizations, allergies, health care providers, insurance information, vision, dental, and emergency notifications or directives. Having this information at your finger tips might be crucial to provide to doctors, emergency responders, or other health care professionals in a routine appointment or emergency. No more stress about remembering every aspect of your health history - or of a family member or traveling companion. This record book allows you to access your health history quickly and easily, whether you need to discuss specifics of lab tests with your doctor, provide information to an insurance provider, or track vaccinations and office visits. My Body Passport lets you take control of your own health.

Steps Toward a Universal Patient Medical Record Michael McGuire,2004 This book describes how an automated patient medical record could be built that could evolve into a universal patient record. Such a universal patient record would change medical care from a focus on short-term care to one oriented to long-term, preventive-care. It would remove patient care from being the province of the single physician to that of the responsibility of many different healthcare providers, possibly located anywhere in the world.
