Beautiful Brutality: The Family Ties at the Heart of Boxing Adam Smith,2012-06-07 Boxing. The Sport of Kings. And for every king, there are kingmakers and princes, determined heirs and ruthless pretenders to the throne. Boxers may enter the ring alone, but behind them are their families, many of whom have spent a career in the fight game themselves. And all are caught up in this most beautiful but brutal of sports. Beautiful Brutality is the first book to examine the world of boxing from the perspective of family. With unprecedented access to the likes of the Calzaghes, Mayweathers, Hattons and Khans, Sky Sports boxing expert Adam Smith lays bare the raw emotion at the heart of the sport. How does it feel when your son is taking a pummelling? Can a father make rational judgements from the corner of the ring, in the frenzied atmosphere of a fight? And how much strength does a boxer take from his family, or the family figures that so many trainers and promoters become? Passionate, hard-hitting and with astonishing revelations about the world of boxing, Beautiful Brutality is written from the heart, by an author with a unique knowledge and experience of the fight game.

I Carry Your Heart in My Heart Dan Booth Cohen,2009 The prisoners in I Carry Your Heart in My Heart are serving long-term sentences for violent crimes, mostly life - without the possibility of parole - for murder. They represent society's ultimate outcasts, personifying evil brought to justice. Sharing Family Constellations with them is actually a great privilege. These men have gone through ordeals that we can only imagine and have worked to find a way to their souls. Systemic Family Constellations are unlike cognitive, behavioral, and interpersonal therapies in their origin, form, and purpose. Constellations succeed by diminishing the unconscious impulses that drive destructive behaviors. The process reaches the invisible clockworks of the mind and heart to reveal with astonishing specificity how individual problems nest within a larger tapestry shaped by ancestral family traumas. In a heartbeat, the patterns release, opening the mind to reverence for life and compassion for others. Problems that were frozen yield to new solutions. Dan Booth Cohen spent five years leading monthly Systemic Family Constellation circles with these prisoners. This book tells stories of these experiences. It also includes rigorously researched chapters that describe Family Constellations' historic roots and underlying philosophy.

Purity of Heart William Booth,Revival Press,2016-06-14 Matthew 5:8 Blessed are the pure in heart. for they shall see God. My Dear Comrades, -- We Salvationists are always singing or praying or talking about a Pure Heart. Indeed, there are few subjects of which we more frequently speak, or in which we more truly glory. Some of our most beautiful and heart-stirring songs are on this theme. Perhaps, no one is more frequently sung by us than that commencing, Oh for a heart to praise my God! A heart from sin set free! A heart that always feels the Blood, So freely spilt for me! Is not that beautiful? But it goes on better still -- A heart in every thought renewed, And full of Love Divine; Perfect and right, and pure and good, A copy, Lord, of Thine! -WILLIAM BOOTH GET MORE BOOKS AT REVIVALPRESS.NET

Wrapped Up in You (A Mystic Island Christmas Romance) Stephanie Rowe,2016-04-08 New York Times bestselling author, Stephanie Rowe, unveils her heartwarming new Mystic Island series, where love always finds a way in this enchanting coastal Maine community. In Wrapped Up In You, can a moonlight kiss from twelve years ago heal two hearts that no longer believe in love? Haunted by his tragic past, Cole Charbonneau has returned to Mystic Island to sever the final ties to the place he once loved so dearly. His only goal is to walk away forever, until a woman from his past winds up on his doorstep, needing from him the one thing he can't give. After a heartless betrayal by those she trusted dearly, Willow Morgan has escaped to Mystic Island, hoping the magic of an island Christmas will heal the emptiness in her heart. The last thing she wants is love, but Mystic Island has its own plans for her...and they include a kiss she'd almost forgotten and the devastatingly handsome business mogul who touched her heart so long ago. Can she afford to fall for him a second time?

John Wilkes Booth: Day by Day Arthur F. Loux,2014-09-06 By 1865, at the age of 26, Booth had much to lose: a loving family, hosts of friends, adoring women, professional success as one of America’s foremost actors, and the promise of yet more fame and fortune. Yet he formed a daring conspiracy to abduct Lincoln and barter him for Confederate prisoners of war. The Civil War ended before Booth could carry out his plan, so he assassinated the president, believing him to be a tyrant who had turned the once-proud Union into an engine of oppression that had devastated the South. This book gives a day-by-day account of Booth’s complex life—from his birth May 10, 1838, to his death April 26, 1865, and the aftermath—and offers a new understanding of the crime that shocked a nation.

Catherine Booth John Read,2014-01-30 Catherine Booth's achievements - as a revivalist, social reformer, champion of women's rights, and, with her husband William Booth, co-founder of the Salvation Army - were widely recognized in her lifetime. However, Catherine Booth's life and work has since been largely neglected. This neglect has extended to her theological ideas, even though they were critical to the formation of Salvationism, the spirituality of the movement she cofounded. This book examines the implicit theology that undergirds Catherine Booth's Salvationist spirituality and reveals the ethical concerns at the heart of her soteriology and the integral relationship between the social and evangelical aspects of Christian mission in her thought. Catherine Booth emerges asa significant figure from the Victorian era, a British theologian and church leader with a rare if not unique intellectual and theological perspective: that of a woman.
