Jack of Hearts (And Other Parts) L. C. Rosen, 2018-10-30 Couldn't get enough of Love, Simon or The Gentleman's Guide to Vice and Virtue? This is the (slightly NSFW) book for you! ----- 'My first time getting it in the butt was kind of weird. I think it's going to be weird for everyone's first time, though.' Meet Jack Rothman. He's seventeen and loves partying, makeup and boys - sometimes all at the same time. His sex life makes him the hot topic for the high school gossip machine. But who cares? Like Jack always says, 'it could be worse'. He doesn't actually expect that to come true. But after Jack starts writing an online sex advice column, the mysterious love letters he's been getting take a turn for the creepy. Jack's secret admirer knows everything: where he's hanging out, who he's sleeping with, who his mum is dating. They claim they love Jack, but not his unashamedly queer lifestyle. They need him to curb his sexuality, or they'll force him. As the pressure mounts, Jack must unmask his stalker before their obsession becomes genuinely dangerous...

In My Heart Jo Witek, 2014-10-14 Celebrate feelings in all their shapes and sizes in this New York Times bestselling picture book from the Growing Hearts series! Happiness, sadness, bravery, anger, shyness . . . our hearts can feel so many feelings! Some make us feel as light as a balloon, others as heavy as an elephant. In My Heart explores a full range of emotions, describing how they feel physically, inside, with language that is lyrical but also direct to empower readers to practice articulating and identifying their own emotions. With whimsical illustrations and an irresistible die-cut heart that extends through each spread, this gorgeously packaged and unique feelings book is sure to become a storytime favorite.

Foolish Hearts Emma Mills, 2017-12-05 A contemporary novel about a girl whose high school production of A Midsummer Night's Dream leads her to new friends—and maybe even new love.

The Book of Hearts Francesca Gavin, 2013-12-10 This collection of heart imagery highlights how a universal symbol can be creatively interpreted and constantly reinvented. It captures the breadth of art and design imagery exploring the meaning and representation of hearts. Although the focus is on the contemporary, it also touches on the history of the symbol - from the Sacred Heart cult to the invention of the Valentine, from heart tattoos to pictograms. The Book of Hearts is an exploration of the meaning and representation of love and emotion through one of the most recognisable signs in the world.

Our Missing Hearts Celeste Ng, 2022-10-04 An instant New York Times bestseller • A New York Times Notable Book of 2022 • Named a Best Book of 2022 by People, TIME Magazine, The Washington Post, USA Today, NPR, Los Angeles Times, and Oprah Daily, and more • A Reese's Book Club Pick • New York Times Paperback Row Selection From the #1 bestselling author of Little Fires Everywhere, comes the inspiring new novel about a mother's unshakeable love. "It's impossible not to be moved." —Stephen King, The New York Times Book Review "Riveting, tender, and timely." —People, Book of the Week "Thought-provoking, heart-wrenching . . . I was so invested in the future of this mother and son, and I can't wait to hear what you think of this deeply suspenseful story!" —Reese Witherspoon (Reese's Book Club Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left without a trace when he was nine years old. He doesn't know what happened to her—only that her books have been banned—and he resents that she cared more about her work than about him. Then one day, Bird receives a mysterious letter containing only a cryptic drawing, and soon he is pulled into a quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of heroic librarians, and finally to New York City, where he will finally learn the truth about what happened to his mother, and what

the future holds for them both. Our Missing Hearts is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It's about the lessons and legacies we pass on to our children, and the power of art to create change.

What Hearts Bruce Brooks, 2009-10-27 Recipient of a 1993 Newbery Honor, this novel is an achingly beautiful, powerfully rendered journey through childhood that is not to be missed, now available in a new edition with a striking new cover. "From an outstandingly perceptive writer, a moving portrait of a boy, observed at four revealing turning points." -- Pointer Review/Kirkus Reviews "Combines fast, exciting action with an astonishing ending that proves the power of the individual imagination." -- Starred Review/ALA Booklist Asa-possessed of rare sweetness, humor, and inner strength-survives intact cruel tests of his integrity, intellect, and sense of decency. From an outstandingly perceptive writer, a moving portrait of a boy, observed at four revealing turning points. -K. Told with controlled imagery, insightful illumination of motive and the needs of his characters, Brooks has proven himself once again a master of language. -BL. 1993 Newbery Honor Book Notable Children's Books of 1993 (ALA) 1993 Best Books for Young Adults (ALA) 1993 Fanfare Honor List (The Horn Book) 1993 Teachers' Choices (IRA) 1993 Books for the Teen Age (NY Public Library)

11 Paper Hearts Kelsey Hartwell, 2021-01-05 A romance about a girl who follows a trail of paper hearts from her secret admirer and learns that sometimes love can find you in mysterious ways. Ella's life was picture perfect. She had a circle of close friends, a jam-packed social life, and an amazing boyfriend. But then something completely unexpected happened: a car accident after a Valentine's Day dance. When Ella woke up in the hospital, she couldn't remember the accident . . . or anything about the weeks before it, including the reason she broke up with her boyfriend. Now, a year later, she begins receiving paper hearts from a mysterious admirer who seems to have the answers she craves. Ella is intrigued. The hearts contain clues to help Ella remember her life before . . . and take her on a journey she never imagined. Following the paper hearts is the most spontaneous thing Ella has ever done . . . but will she find love? Underlined is a line of totally addictive romance, thriller, and horror paperback original titles coming to you fast and furious each month. Enjoy everything you want to read the way you want to read it.

Alien Hearts Guy de Maupassant, 2011-06-08 Alien Hearts was the last book that Guy de Maupassant finished before his death at the early age of forty-three. It is the most original and psychologically penetrating of his several novels, and the one in which he attains a truly tragic perception of the wounded human heart. André Mariolle is a rich, handsome, gifted young man who cannot settle on what to do with himself. Madame de Burne, a glacially dazzling beauty, wants Mariolle to attend her exclusive salon for artists, composers, writers, and other intellectuals. At first Mariolle keeps his distance, but then he hits on the solution to all his problems: caring for nothing in particular, he will devote himself to being in love; Madame de Burne will be his everything. Soon lover and beloved are equally lost within a hall of mirrors of their common devising. Richard Howard's new English translation of this complex and brooding novel-the first in more than a hundred years-reveals the final, unexpected flowering of a great French realist's art.

Serpentine Thomas Thompson, 2016-12-13 New York Times Bestseller: This in-depth account of Charles Sobhraj, the serial killer portrayed in Netflix miniseries The Serpent, is "compulsive reading" (The Plain Dealer). There was no pattern to the murders, no common thread other than the fact that the victims were all vacationers, robbed of their possessions and slain in seemingly random crimes. Authorities across three continents and a dozen nations had no idea they were all looking for same man: Charles Sobhraj, aka "The Serpent." A handsome Frenchman of

Vietnamese and Indian origin, Sobhraj targeted backpackers on the “hippie trail” between Europe and South Asia. A master of deception, he used his powerful intellect and considerable sex appeal to lure naïve travelers into a life of crime. When they threatened to turn on him, Sobhraj murdered his acolytes in cold blood. Between late 1975 and early 1976, a dozen corpses were found everywhere from the boulevards of Paris to the slopes of the Himalayas to the back alleys of Bangkok and Hong Kong. Some police experts believe the true number of Sobhraj’s victims may be more than twice that amount. *Serpentine* is the “grotesque, baffling, and hypnotic” true story of one of the most bizarre killing sprees in modern history (San Francisco Chronicle). Edgar Award-winning author Thomas Thompson’s mesmerizing portrait of a notorious sociopath and his helpless prey “unravels like fiction, but afterwards haunts the reader like the document it is” (The Plain Dealer, Cleveland).

Paper Hearts Ali Novak, 2017-07-04 I'm sorry, he said, slowly untying the ribbon that held his mask in place. It's just-I didn't want you to think of me any differently. Somehow I kept my mouth from falling open. I knew his face, but my mind couldn't accept that he was the person looking down at me. My real name is Alec. Felicity has her entire future planned. Ever since her older sister ran away, she's had the full weight of her mother's expectations on her shoulders. So she works hard to get straight As and save for college. Except sometimes the best things in life are unplanned-like when Felicity meets a handsome, masked stranger while she is volunteering at a charity masquerade ball. She never thought he'd flirt with her. And she certainly never thought he'd turn out to be a member of the world-famous Heartbreakers band, Alec. Then Felicity uncovers a shocking family secret. Suddenly, she, Alec, and her two best friends are off on a road trip to find Felicity's missing sister. And she's about to discover that unexpected turns have a peculiar way of landing her right where she needs to be...

Sweet Hearts Jan Carr, 2003 A young girl celebrates Valentine's Day by making and hiding paper hearts around the house for her family to discover. Includes directions for making hearts and a brief history of Valentine's Day.

The Queen of Hearts Kimmery Martin, 2019-02-05 A powerful debut novel, praised by The New York Times, Bustle, and Hypable, that pulses with humor and empathy as it explores the heart's capacity for forgiveness.... Zadie Anson and Emma Colley have been best friends since their early twenties, when they first began navigating serious romantic relationships amid the intensity of medical school. Now they're happily married wives and mothers with successful careers--Zadie as a pediatric cardiologist and Emma as a trauma surgeon. Their lives in Charlotte, North Carolina, are chaotic but fulfilling, until the return of a former colleague unearths a secret one of them has been harboring for years. As chief resident, Nick Xenokostas was the center of Zadie's life--both professionally and personally--throughout a tragic chain of events during her third year of medical school that she has long since put behind her. Nick's unexpected reappearance at a time of new professional crisis shocks both women into a deeper look at the difficult choices they made at the beginning of their careers. As it becomes evident that Emma must have known more than she revealed about circumstances that nearly derailed both their lives, Zadie starts to question everything she thought she knew about her closest friend.

Jar of Hearts Jennifer Hillier, 2018-06-12 Nationally Bestselling Author! * Winner - Best Novel, 2019 ITW Thriller Award * Authors on the Air Network - Thriller of the Year 2018 * Finalist - Anthony Award for Best Novel * Finalist - Macavity Award for Best Novel * MysteryTribune Ten Women Mystery and Thriller Writers You Should be Reading * Milwaukee Journal Sentinel Best of 2018 * Bustle's Best Thriller 11 Authors Read This Year * CrimeReads' 20 Best of 2018 * Writer Types Podcast Favorite Books * LitReactor Best Books of 2018 * CrimeReads Favorite Crime Books of the Year * BOLO Books Top Reads of 2018 * SouthFlorida.com Best Mystery Novels of 2018 * Suspense Magazine Best of 2018 - Mystery/Thriller category *Jar of Hearts* grabs you by the throat! The perfect blend of

riveting characters, chilling details, and gasping twists in this standout thriller will keep you frantically reading until the explosive end.” – Lisa Gardner, New York Times bestselling author of *Right Behind You* This is the story of three best friends: one who was murdered, one who went to prison, and one who's been searching for the truth all these years . . . When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's *Jar of Hearts*.

Hearts Unbroken Cynthia Leitich Smith, 2018-10-09 New York Times best-selling author Cynthia Leitich Smith turns to realistic fiction with the thoughtful story of a Native teen navigating the complicated, confusing waters of high school – and first love. When Louise Wolfe's first real boyfriend mocks and disrespects Native people in front of her, she breaks things off and dumps him over e-mail. It's her senior year, anyway, and she'd rather spend her time with her family and friends and working on the school newspaper. The editors pair her up with Joey Kairouz, the ambitious new photojournalist, and in no time the paper's staff find themselves with a major story to cover: the school musical director's inclusive approach to casting *The Wizard of Oz* has been provoking backlash in their mostly white, middle-class Kansas town. From the newly formed Parents Against Revisionist Theater to anonymous threats, long-held prejudices are being laid bare and hostilities are spreading against teachers, parents, and students – especially the cast members at the center of the controversy, including Lou's little brother, who's playing the Tin Man. As tensions mount at school, so does a romance between Lou and Joey – but as she's learned, “dating while Native” can be difficult. In trying to protect her own heart, will Lou break Joey's?

Black Hearts Jim Frederick, 2010-02-09 “Riveting. . . a testament to a misconceived war, and to the ease with which ordinary men, under certain conditions, can transform into monsters.”—New York Times Book Review This is the story of a small group of soldiers from the 101st Airborne Division's fabled 502nd Infantry Regiment—a unit known as “the Black Heart Brigade.” Deployed in late 2005 to Iraq's so-called Triangle of Death, a veritable meat grinder just south of Baghdad, the Black Hearts found themselves in arguably the country's most dangerous location at its most dangerous time. Hit by near-daily mortars, gunfire, and roadside bomb attacks, suffering from a particularly heavy death toll, and enduring a chronic breakdown in leadership, members of one Black Heart platoon—1st Platoon, Bravo Company, 1st Battalion—descended, over their year-long tour of duty, into a tailspin of poor discipline, substance abuse, and brutality. Four 1st Platoon soldiers would perpetrate one of the most heinous war crimes U.S. forces have committed during the Iraq War—the rape of a fourteen-year-old Iraqi girl and

the cold-blooded execution of her and her family. Three other 1st Platoon soldiers would be overrun at a remote outpost—one killed immediately and two taken from the scene, their mutilated corpses found days later booby-trapped with explosives. *Black Hearts* is an unflinching account of the epic, tragic deployment of 1st Platoon. Drawing on hundreds of hours of in-depth interviews with Black Heart soldiers and first-hand reporting from the Triangle of Death, *Black Hearts* is a timeless story about men in combat and the fragility of character in the savage crucible of warfare. But it is also a timely warning of new dangers emerging in the way American soldiers are led on the battlefields of the twenty-first century.

Paper Hearts Claire Contreras, 2016-10-07 I lost her. No, I didn't lose her. I threw her away. She was my best friend. I was never supposed to fall in love with her. I was careless. She was heartbroken. I thought I was doing fine. But here she is, years later, forced to work with me, reminding me why I fell in love with her in the first place. And this time I'm going to do everything in my power to never let her go.

The Book of Broken Hearts Sarah Ockler, 2013-05-21 Jude has learned a lot from her older sisters, but the most important thing is this: the Vargas brothers are notorious heartbreakers. But as Jude begins to fall for Emilio Vargas, she begins to wonder if her sisters were wrong, in this poignant and romantic novel from the author of *Bittersweet*.

Paper Hearts Meg Wiviott, 2015-09-01 A forbidden gift helps two teenage girls find hope, friendship, and the will to live in this “beautifully told true story about brave young women who refused to be victims and walked out of Auschwitz with their heads unbowed” (School Library Journal). An act of defiance. A statement of hope. A crime punishable by death. Making a birthday card in Auschwitz was all of those things. But that is what Zlatka did, in 1944, for her best friend, Fania. She stole and bartered for paper and scissors, secretly creating an origami heart. Then she passed it to every girl at the work tables to sign with their hopes and wishes for happiness, for love, and most of all—for freedom. Fania knew what that heart meant, for herself and all the other girls. And she kept it hidden, through the bitter days in the camp and through the death marches. She kept it always. This novel is based on the true story of Fania and Zlatka, the story of the bond that helped them both to hope for the best in the face of the worst. Their heart is one of the few objects created in Auschwitz, and can be seen today in the Montreal Holocaust Memorial Centre.

Sweet Hearts Amy E. Sklansky, 2017-11-28 Rhyming text and colorful illustrations present a celebration of love, in a tiered board book, with die-cut pages in the shape of a heart.

Small Town Hearts Lillie Vale, 2019-03-19 Fresh out of high school, Babe Vogel should be thrilled to have the whole summer at her fingertips. She loves living in her lighthouse home in the sleepy Maine beach town of Oar's Rest and being a barista at the Busy Bean, but she's totally freaking out about how her life will change when her two best friends go to college in the fall. And when a reckless kiss causes all three of them to break up, she may lose them a lot sooner. On top of that, her ex-girlfriend is back in town, bringing with her a slew of memories, both good and bad. And then there's Levi Keller, the cute artist who's spending all his free time at the coffee shop where she works. Levi's from out of town, and even though Babe knows better than to fall for a tourist who will leave when summer ends, she can't stop herself from wanting to know him. Can Babe keep her distance, or will she break the one rule she's always had - to never fall for a summer boy?

If you ally dependence such a referred **Hearts** book that will find the money for you worth, acquire the utterly
