The Heartfulness Way Kamlesh D. Patel, Joshua Pollock, 2018-06-01 “A must-read for anyone interested in incorporating meditation into their lifestyle.” --Sanjay Gupta, MD, chief medical correspondent for CNN Heartfulness is an ideal, a spiritual way of living by and from the heart that is inclusive of all ideologies, beliefs, and religions. In this heart-centered book, a student in conversation with his teacher, Kamlesh D. Patel—affectionately known as Daaji, the fourth and current spiritual guide of the century-old Heartfulness tradition—present a unique method of meditation with the power to facilitate an immediate, tangible spiritual experience, irrespective of a person’s faith. Our modern, fast-paced world can be an overwhelming place. Every day, we’re bombarded with messages telling us that in order to be happy, fulfilled, and worthy, we must be better, do more, and accumulate as much material wealth as possible. Most of us move through our busy lives with our minds full of these ideas, multitasking as we strive to navigate the responsibilities and expectations we must meet just to make it through the day. But what if there is another way? What if, rather than letting the busyness of life overtake our minds, we learn to be heartfelt instead? Based on Daaji’s own combination of approaches and practices for the modern seeker—which draws from the teachings of Sahaj Marg, meaning “Natural Path”—Heartfulness is a contemporized version of the ancient Indian practice of Raja Yoga, a tradition that enables the practitioner to realize the higher Self within. While many books describe refined states of being, The Heartfulness Way goes further, providing a pragmatic course to experience those states for oneself, which, per the book’s guiding principle, is “greater than knowledge.” Heartfulness meditation consists of four elements—relaxation,

meditation, cleaning, and prayer—and illuminates the ancient, defining feature of yogic transmission (or pranahuti), the utilization of divine energy for spiritual growth and transformation. Using the method, detailed practices, tips, and practical philosophy offered in this book, you'll reach new levels of attainment and learn to live a life more deeply connected to the values of the Heartfulness way—with acceptance, humility, compassion, empathy, and love.

Your Wolfish Heart Erzabet Bishop, Gina Kincade, 2020-02-14 Flower power... Valentine's Day was Liv's least favorite holiday, even if she was part owner of Bluebonnet's, one of the busiest flower shops in town. The holiday coinciding with her daughter's death at the hands of a drunk driver, and then her marriage dissolving, was just another reminder of how empty her life was. But when a very familiar doctor starts coming into the shop, she feels a tug on her heartstrings, not to mention her lady bits, and wonders if maybe there is someone out there for her after all. A Wolf in Need... Dr. Thomas Merton fills his days tending to the needs of others, but he can't ever forget the dark-haired woman who lost her child to a drunk driver. Not one to poach on another man's woman, he put his wolf's attraction and his own on the back burner. Stuff That Makes a Gay Heart Weep Freeman Hall,2010-10-18 There's nothing they hate more than bad home décor, cheap vodka, and men who take off their shirts but shouldn't (especially when those things happen all at once!). They believe they're unique, yet somehow they're all exactly the same, bitching about Prop 8 and lamenting the sad fact that Bradley Cooper is straight. A day without Bravo TV, disco music, frantic texting, and just the right designer clothes makes them want to off themselves. Well, it's not quite that extreme, but it's definitely Stuff that Makes a Gay Heart Weep. In this laugh-out-loud guide to the dislikes of millions, the author shows in 150 succinct entries that it's just not fair for

Caucasians to have all the fun! You are invited to kick back, pour yourself a Ketel One on the rocks, and get lost in the bitchiest bitch-fest west of the West Village and this side of the Castro.

War of the Hearts 3 Vivian Blue, 2017-09-17 The stakes are high and everyone is playing for keeps. With Pat going to the grand jury to testify, Ares and Alroy are sweating bullets. Everything that Ares has worked hard to keep hidden is about to be exposed, and there's nothing he can do about it. Athena's behavior has been a bit strange and distant, but he feels it's the stress from this case and Sable's pregnancy that has him overeating. Only if some miracle could take place to get rid of all the common factors that are creating chaos, Ares would be able to breathe a sigh of relief. Hermes is at wits end over Tyche following him and busting out Hera's window. He's had to work extra hard to convince Hera to keep having an affair with him, but after Tyche's little stunt, Hera isn't having anything to do with him. As a result, Hermes has been acting more distant than ever towards her and people are starting to take note. Now, Tyche's starting to reconsider what really matters in their relationship, because now she's the one who has to satisfy Hermes...all the time, and that's a full time job in itself. However, being the wife of the most powerful man in St. Louis meant everything to Tyche, and she refused to have it taken away. However, she has one more card to play and it could be the one that wins her the game. Athena is faced with a

dilemma that she can't escape, but she knew it was the best course of action for everyone involved. Protecting Ares was the bottom line that Athena felt was most important, and she would do whatever it took to keep him safe by any means necessary. That even included being accepting of his son with Sable. However, she knew that as long as she had his heart, a child wouldn't be enough to take him away. Everyone will be tested and tempers will be high when the chips fall where they lay. Who will win and who will lose in this War of the Hearts?
