Deceptions KENDALL MARTIN,2010-04-29 The orders always came to her in their

usual way, "Here is the target, extinguish it, you have forty eight hours to reply". Sounded like a cheap imitation of a cheesy spy movie to her, but then again why change things when they work so well. Xanie's job, as it were, was to seek and destroy according to them. She had never met 'them', but as long as the money showed up when and where it was supposed to was fine by her. She didn't need to meet them or to know them... Until now!! Xanie started all her missions in pretty much the same style; which was to get to know the target, find out how they thought, their routines, their loves, their interests, and most importantly to satisfy her insatiable curiosity was why they were marked for death. This new assignment, given to her almost before the other was completed, looked bad, smelled bad, and took Xanie for a journey she wouldn't soon forget. But then again she had always enjoyed a challenge.

Game of Gwop Trae Macklin, 2014-11-01 What do you get when the baddest chick and four cold blooded killers enter a Newark, New Jersey strip club strapped with Mac 11s? You get a nasty body count and the lick of a lifetime! Not only do Charisma, GQ, Shamar and Crook steal bricks of coke and a load of gwop from the strip club, but the crew also reaps the promise of certain death once the club's owner puts his goons on their trail! The close knit crew refuses to go out like suckers, and soon hits the money making blocks of Wilmington, Delaware, where a cycle of vicious murders, merciless thefts, and insatiable greed follow them. As they grow more ruthless, their diabolical deeds finally capture the attention of the deadliest queenpin in the drug

game, placing her right in their path. With goons aiming for their heads, the crew splits up with plans to work new hustles. But once a secret is revealed, the crew's bond is nearly broken and an enemy catches them slipping and declares swift revenge. Will the crew remain intact, or fall like a line of well set dominoes in the Game of Gwop?

"CRIMINAL JUSTICE" F. Douglas McCord Jr., 2011-03-31 Lane Bryant, a former prisoner of the Texas prison system and who suffers from dual personality disorder, endeavors to lead a clean life for his family. After a false accusation coupled with a corrupt judicial system sends Bryant back to prison his life spirals out of control. Facing insurmountable odds against crooked cops, a powerful Nazi organization and his own demons Bryant fights for justice . . . and his life. Harris County's courts house a number of lawyers and public defenders who prefer money over justice. In exchange for larger sums of money, they conspire to convict their indigent prisoners who don't have the means to buy their freedom; guilty or innocent! Finding himself among the unfortunate innocents Lane's alter personality is filled with rage and a hunger for vengeance, compelling Lane to put justice into his own hands and to destroy those who betrayed him. "You and your people sent me to prison under the guise of justice. Now I'm free and I want justice! I want justice for the injustices that you took part in. I want my justice . . . criminal justice."

East Coast Girls Kerry Kletter, 2020-05-26 Four friends reunite in Montauk to celebrate their thirtieth birthdays, twelve years after one fateful summer, in this novel of friendship and secrets. Childhood friends Hannah, Maya, Blue and Renee share a bond that feels more like family. Growing up, they had difficult home lives, and the summers they spent together in Montauk were the happiest memories they ever made. Then, the summer after graduation, one terrible night changed everything. Twelve years have passed since that fateful incident, and their sisterhood has drifted apart, each woman haunted by her own lost innocence. But just as they reunite in Montauk for one last summer escape, hoping to find happiness once more, tragedy strikes again. This time it'll test them like never before, forcing them to confront

decisions they've each had to live with and old secrets that refuse to stay buried. "Masterfully drawn characters who feel like family. . . . Pitch-perfect pacing and language reveals all the right pieces at just the right moments and the idyllic Montauk setting is skillfully depicted. Kletter will be an author to watch for fans of Elin Hilderbrand and Emily Giffin."

–Booklist "A mix of gorgeous writing and page-turning suspense as four friends enjoy summer pleasures that lead to terrible mistakes, desperate choices, and, as we all hope from the ones we love, the grace of forgiveness." –Nancy Thayer, New York Times–bestselling author of *Surfside Sisters* "Lush prose and poignant reflections on fate, forks in the road and the power of female friendships. . . . I've already made a permanent place for it right beside Judy Blume's *Summer Sisters* in the bookshelf of my heart." –Chandler Baker, New York Times–bestselling author of *Whisper Network*

Greater London Murders Linda Stratmann, 2012-02-29 This compendium brings together thirty-three murderous tales – one from each of the capital's boroughs – that not only shocked the City but made headline news across the country. Throughout its history the great urban sprawl of Greater London has been home to some of the most shocking murders in England, many of which have made legal history. Contained within the pages of this book are the stories behind these heinous crimes. They include George Chapman, who was hanged in 1903 for poisoning three women, and whom is widely suspected of having been the notorious serial killer Jack the Ripper; lovers Edith Thompson and

Frederick Bywaters, executed for stabbing to death Thompson's husband Percy in 1922; and Donald Hume, who was found not guilty of the murder of wealthy businessman Stanley Setty in 1949, but later confessed to killing him, chopping up his body and disposing of it by aeroplane. Linda Stratmann also reveals previously unpublished information that sheds a whole new light on the infamous Craig and Bentley case. This carefully researched, well-illustrated and enthralling text will appeal to those interested in the history of Greater London's history and true-crime fans alike.

Garfield Heights Mark R. Charlton Sr., 2021-08-20 1983, a crazy year. Stolen cars were not at the groundbreaking rate of the 70's, but the numbers were still impressive. Crap games, 40oz and weed spots, cookouts, scraps, two hand

tag football in the street, went on as usual in the Garfield Heights projects. Deacon, Carter, Maxwell and Tank were counting down the days till their high school graduations. While hanging out at Deacon's barber shop, located in his basement at 5151 Columbo Street. Kenny and Lamar were best friends, enjoying their early twenties, living carefree. The two have a chance encounter at a campus party with Jennifer and Heather, two college students from the suburbs. Jennifer's attraction towards Kenny was obvious. Kenny eventually gives in to her sexual advances and she falls in love with him. But will the love last once Jennifer's secrets are revealed to her wealthy dad and fiancé? Or will Kenny become the scapegoat?

These provocative journeys written by premiere science fiction authors explore the wondrous possibilities of avatar technology—and they still only scratch the surface.
