Over 750 5-Star reviews Wiese’s visit to the devil’s lair lasted just twenty-three minutes, but he returned with vivid details etched in his memory, capturing the attention of national media, including the Christian Broadcasting Network, Daystar Television Network, Trinity Broadcasting Network, the Miracle Channel, Sid Roth’s It’s Supernatural!, Sean Hannity’s America, Charisma News, and many others. Awaken to the realities of hell, the afterlife and the urgency to live for Christ in your short time here on earth.. Bill Wiese experienced something so horrifying it continues to captivate the world. He saw the searing flames of hell, felt total isolation, smelled the putrid and rotting stench, heard deafening screams of agony, and experienced terrorizing demons. Finally the strong hand of God lifted him out of the pit. This expanded anniversary edition includes more than 150 Bible verses referencing hell for further study. Also included is the new section, “Wrestling With the Big Questions” where Bill answers these and many others questions: Why do some people who have a near-death experience see a bright light? Will those who never heard about Jesus go to hell? Is hell eternal, or are those in hell simply annihilated?

🔖 **Revelations from Heaven** Randy Kay,2021-09-21 What was it like to be face to face with Jesus? What does Heaven look like? And what did Randy Kay learn from his afterlife encounter? As a human development researcher, medical advisor, and director of clinical support, Randy Kay was not given to fantastical ideas about the spirit realm or embellished divine encounters. But after clinically dying in the hospital, Randy Kay had a life-changing afterlife experience with Jesus in Heaven. In his first book, Dying to Meet Jesus, Randy shared this experience, but not the supernatural insights and profound discoveries he received. Now, Randy senses a timely assignment from the Holy Spirit to answer the question so many readers have asked: what did you learn while you were in Heaven? In Revelations from Heaven, Randy leads you into a heavenly encounter of your own, revealing 31 revelations that God is unveiling to you. These insights include Emboldened Prayer: A biblical perspective on encounters in Heaven and how they embolden our prayer lives. Conversations with Jesus: Insights that were exchanged while Randy communicated with Jesus in Heaven. Angelic and Demonic Activity: How there is a very real, invisible realm battling over the souls of humanity. Race and Ethnicity in Heaven: In eternity, how do people see one another and how does God see them? The Sights, Sounds, and Senses of Heaven: In Heaven, the five senses are enhanced and there are new senses that earthly language cannot explain. Heavens Perspective on Sadness and Grief: How tears are kept and collected in bottles. The Difference Between Paradise and Heaven: When a believer dies, where do they really go? Take hold of the amazing truths that Heaven has released through Randys incredible experience, and see for yourself the powerful life-change that can accompany Revelations from Heaven.

🔖 **40 Questions About Heaven and Hell** Alan W. Gore,2018-11-27 In 40 Questions About Heaven and Hell, Alan Gomes surveys the Old and New Testaments to present a comprehensive picture of the afterlife. The question-and-answer format makes it easy to find answers to specific questions on heaven, hell, the intermediate state, the final judgment, and life in eternity. Readers will find solid answers to many vital questions: • What should we conclude about those who claim to have seen heaven or hell? • Is it possible for us to communicate with the dead? • Is there such a place as purgatory? • What will our resurrected bodies be like? • What will we do in the eternal state? • Will there be animals in the eternal state? • What is hell like? • How can a God of love send people to an eternal hell? • Did Jesus descend into hell like the Apostles’ Creed says? Study notes point to additional resources for learning, and reflection questions at the end of each chapter make the book ideal for small group studies.

🔖 **Between Heaven and Hell** W. Bruce Lincoln,1998 Focusing on the artists in context, Between Heaven and Hell brings the triumph and tragedy of the Russian experience into full view. It vividly illustrates the workings of the creative process in a land in which politics and the arts have been closely intertwined. And it keenly describes the unique fashion in which Russian artists created their work through assimilating and transforming other cultural forms - giving birth to masterpieces unlike any others on earth.

🔖 **Heaven, Hell, and the Afterlife** J. Harold Ellens,2013-07-25 Christianity, Islam, and Judaism all feature ideas about heaven, hell, and afterlife, and these concepts have evolved over time within these religions. This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3,000 years within the Abrahamic traditions. Heaven, Hell, and the Afterlife: Eternity in Judaism, Christianity, and Islam provides an all-encompassing examination of historic and contemporary perspectives on afterlife in Western religions. In these three volumes, Judaic, Christian, and Muslim scholars join forces, providing an unprecedented review of their individual faith’s traditions. Every significant issue and major theme is discussed; no controversial topic is avoided. From ancient doctrines to modern-day outlooks of conservatives, progressives, and liberals in all three religions, all are analyzed and presented here. The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as absorption within universal spirit, Nirvana, or nonexistence. This work is well-suited for undergraduate and graduate students, general readers interested in religion, and professional scholars, particularly those in fields corollary to religious study.

🔖 **The Marriage of Heaven and Hell** William Blake,2022-11-21 The Marriage of Heaven and Hell is a collection of sketches touching on the subject of good versus evil and examining the biblical idea of hell the place of eternal suffering for those who reject God. Author and poet William Blake seems to repudiate the idea of such a place and seeks to show that in fact hell is a place of freedom for as he puts it, The ancient tradition that the world will be consumed in fire at the end of six thousand years is true, as I have heard from hell. For the cherub with his flaming sword is hereby commanded to leave his guard at [the] tree of life, and when he does, the whole creation will be consumed and appear infinite and holy, whereas it now appears finite and corrupt. This will come to pass by an improvement of sensual enjoyment.

🔖 **The Realm Between Heaven and Hell** J. S. Turner,2011-12-04 On earth, life for Dawn Chitoe had been cruel. Although she was strong in her faith, her future looked grim. She found her blessings to be painfully short and too few in between. Until one day, a beautiful baby boy, Josiah, miraculously came into her world. Just when Dawn felt her troubles had vanished, she found herself the victim of a brutal murder. With Josiah cradled in her arms, she embarked on an adventure through the realm between heaven and hell. Along the way she finds friends, love, and the truth about religion and faith.

🔖 **Choose Heaven Hell** Peter Smith,2019-01-03 Death is a mystery, and people fear that which they do not understand. No one looks forward to dying, but it is inevitable. The mystery is, is there something or someplace where a person will go to after their last breath? There are many beliefs concerning this matter, and not all of them can be true. Television and the media have trained our minds to believe that heaven and hell is a figment of our imagination. There is no life after this one. Others believe in some sort of heaven or hell. They have questions: Are they real? What are they like? What goes on while there? Where are they? And vitally important, who will reside in either place, and why? The focus of this book is to develop an understanding about hell. Hell will remain a mystery as long as a person does not go to the source for the information. There are books written which speak of people who have died, gone to hell, and then come back. Should we believe them? Are they fiction or fact? Where can we go to receive the truth and answers? Is there a source which we can believe and not question? This book is not written on fable or fiction but on fact. The writer never went to hell or had visions from God. The answers concerning hell are available to any who seeks and is interested in their life after death. Read on and become informed. Knowledge of hell will help the reader in making a life-changing decision. Read on if you desire the truth.

🔖 **Hell 11 Heaven** Yaad Man,2023-02-06 This book contains two sections, a fictional story about a mysterious being appearing with superpowers in Jamaica, becoming the cause of an apocalypse and a non-fictional aspect which speaks about cosmic cycles, and the laws of nature while providing the readers with pragmatic tools to cause magical changes in their lives. The book shows a perfect contrast between hellish concepts and those of a heavenly nature.

🔖 **Heaven and Hell** Emanuel Swedenborg,1758

🔖 **Heaven and Hell** Louis Markos,2013-05-17 For thousands of years, philosophers, theologians, and poets have tried to pierce through the veil of death to gaze with wonder, fear, and awe on the final and eternal state of the soul. Indeed, the four great epic poets of the Western tradition (Homer, Virgil, Dante, and Milton) structured their epics in part around a descent into the underworld that is both spiritual and physical, both allegorical and geographical. This book not only considers closely these epic journeys to the other side, but explores the chain of influences that connects the poets to such writers as Plato, Cicero, St. John, St. Paul, Bunyan, Blake, and C. S. Lewis. Written in a narrative, man of letters style and complete with an annotated bibliography, a timeline, a who’s who, and an extensive glossary of Jewish, Christian, and mythological terms, this user-friendly book will help readers understand how heaven and hell have been depicted for the last 3,000 years.
