Journeys to Heaven and Hell Bart D. Ehrman, 2022-04-05 A New York Times best-selling scholar's illuminating exploration of the earliest Christian narrated journeys to heaven and hell "[An] illuminating deep dive . . . An edifying origin story for contemporary Christian conceptions of the afterlife."—Publishers Weekly From classics such as the Odyssey and the Aeneid to fifth-century Christian apocrypha, narratives that described guided tours of the afterlife played a major role in shaping ancient notions of morality and ethics. In this new account, acclaimed author Bart Ehrman contextualizes early Christian narratives of heaven and hell within the broader intellectual and cultural worlds from which they emerged. He examines how fundamental social experiences of the early Christian communities molded the conceptions of the afterlife that eventuated into the accepted doctrines of

heaven, hell, and purgatory. Drawing on Greek and Roman epic poetry, early Jewish writings such as the Book of Watchers, and apocryphal Christian stories including the Acts of Thomas, the Gospel of Nicodemus, and the Apocalypse of Peter, Ehrman demonstrates that ancient tours of the afterlife promoted reflection on matters of ethics, faith, ambition, and life's meaning, the fruit of which has been codified into Christian belief today.

Four Last Things Fr. Wade Menezes, 2017-08-15 Few things in this earthly life are absolutely certain, but the most undebatable of these is death. Every person, even the atheist, will admit that death is certain. Death, however, is not the last event in this life of ours. Immediately after death, we shall be judged and then again on the Day of Judgment when all humanity will know us for what we are. Too often the reality of Heaven and salvation are highlighted at the expense of the Church's teachings on Death, Judgment, Purgatory, and Hell. Yet, these important doctrines of the Church hold the truths of salvation truths that can lead us to Heaven or can pull us away from it. In these pages, Fr. Wade Menezes, EWTN television host and Assistant General of the Fathers of Mercy, shows us that God has not called us to His wrath, but to salvation. He shows us that Heaven and Hell, salvation and damnation, eternal life and eternal punishment are all complementary doctrines. They need each other to be complete and we must understand the Church's teachings on all of these doctrines in order to have a balanced view of the world. Death, Judgment, Heaven and Hell these are the Four Last Things toward which we are moving each hour of the day and night. Read this book, and you'll have a firm grasp of one of the most important doctrines of Holy Mother Church that holds the truths of Heaven and our own salvation.

As you confront the inevitability of death in the context of the promise of heaven and the reality of hell, you will be challenged to examine your heart—and in doing so, find that, in grabbing hold of the hope of eternal life, the sting of death is replaced with peace. 40 minutes a week could change your life! The 40-Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter to you. That All Shall Be Saved David Bentley Hart, 2019-09-24 A stunning reexamination of one of the essential tenets of Christian belief from one of the most provocative and admired writers on religion today "A scathing, vigorous, eloquent attack on those who hold that there is such a thing as eternal damnation."—Karen Kilby, *Commonweal* The great fourth-century church father Basil of Caesarea once observed that, in his time, most Christians believed that hell was not everlasting, and that all would eventually attain salvation. But today, this view is no longer prevalent within Christian communities. In this momentous book, David Bentley Hart makes the case that nearly two

millennia of dogmatic tradition have misled readers on the crucial matter of universal salvation. On the basis of the earliest Christian writings, theological tradition, scripture, and logic, Hart argues that if God is the good creator of all, he is the savior of all, without fail. And if he is not the savior of all, the Kingdom is only a dream, and creation something considerably worse than a nightmare. But it is not so. There is no such thing as eternal damnation; all will be saved. With great rhetorical power, wit, and emotional range, Hart offers a new perspective on one of Christianity's most important themes.

The Shocking Truths About Heaven, Hell and Your Birthright Blessing Franklin T. Gibbs,2011-12-15 This book reveals what you always wanted to know about the issues of life, death and the afterlife. Supported by Scriptures, it reveals shocking truths about heaven, hell and your birthright blessing. There're four components to Gods birthright (covenant) blessing which are His (1) word blessing, (2) peach blessing, (3) wealth blessing, and (4) eternal life blessing. God set this inheritance aside for you before you were born. There's enough abundance in your birthright blessing to fulfill every need you have. It entitles you to dwell in a land of utopia whereby your peace, health, friendships, quality of life, holiness and well being are absolutely perfect. Speaking of the good life, it doesn't get any better than this. This book shows that (1) you have a personal calling on your life (you're created for a purpose), and (2) your racial group has a calling to fulfill. You need to know your personal and racial callings, for they are eternal. Before you can appreciate what God has in store for you, you need to know who you are (the real you that God created you to be). This book reveals the real you. This book also confirms the reality and location of heaven and the materials saints new bodies will be made of. It shows what saints do in Paradise now and forevermore. You'll be delighted and pleasantly surprised to know your heavenly activities. This book reveals (1) where Hades is located (the temporary abode of sinners called the region of disembodied spirits), (2) where the permanent place of torment is located called the eternal lake of fire, and (3) the cursed materials sinners bodies will consist of. In hell, sinners' bodies will burn to ashes and be recycled

to burn all over again. God's Scriptures confirm these truths.

To Heaven or to Hell David Thomas Orique, O.P., 2020-04-27 This volume is the first complete English translation and annotated study of Bartolomé de Las Casas's important and provocative 1552 treatise commonly known as the Confesionario or Avisos y reglas. A text that generated controversy, like Las Casas's more famous Brevísima relación, the Confesionario outlined a strikingly novel and arguably harsh use of confession for those administering the sacrament to conquistadores, encomenderos, slaveholders, settlers, and others who had harmed the indigenous people, thus using magisterial authority and jurisdictional power to promote restitution. David Orique addresses how, from 1516 to 1547, Las Casas subscribed to and wrote about the theory and practice of the doctrine of restitution. He then presents the specific historical context of the development of the initial manuscript of the Confesionario in 1547 as Doce reglas (Twelve Rules), which later became the augmented Confesionario manuscript. Orique's commentary on the 1552 Confesionario treatise highlights how Las Casas's Argumento, and its approval by theologians, legitimates his work. Orique outlines the various guidelines proposed to confessors to identify, investigate, and seek restitution from offending Spaniards based on their possessions and circumstances. He also explores Las Casas's use of the Thomistic tripartite scheme of divine, natural, and human law. With insightful analysis and commentary accompanied by an eminently readable translation, To Heaven or to Hell will be especially useful to students and scholars of Latin American colonial history, early modern religion, and Catholic studies.

Love Wins Rob Bell, 2011-03-15 Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this good news? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the good news is much, much better than we ever imagined. Love wins.

Levels of Heaven and Hell Frederick Dodson, 2020-08-17 Are Heaven and Hell real places or states of consciousness? Or both? Are angels and demons real? Are they extraterrestrials we have mistaken as spiritual Beings? Or is it the other way around and they are demons posing as extraterrestrials? Is the Earth Hollow and are there subterranean civilizations? Is Paradise within or outside of our Universe? Was there one original language shared by all humanity? Why are Maya and Aztec languages nearly identical to ancient German? And why has this fact

been covered up? What is the Direct Experience of God? These questions and many more are explored within this epic, groundbreaking and fascinating book by consciousness researcher Frederick Dodson.

Here is an account of the place and beings of hell contrasted with the glories of heaven.
