

Heaven Or Hell

Peter Kreeft

Heaven and Hell Bart D. Ehrman, 2021-03-23 Over half of Americans believe in a literal heaven, in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. Ehrman shows that eternal rewards and punishments are found nowhere in the Old Testament, and are not what Jesus or his disciples taught. He recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. Ehrman shows that competing views were intimately connected with the social, cultural, and historical worlds out of which they emerged. -- adapted from jacket

Heaven Or Hell Patricia Elliott, 2011-08-25 Is heaven real? Is hell real? Evangelist and Prophet, Dr. Patricia L. Elliott describes the spiritual visions of the horrors she viewed in hell and the glorious beauty she observed in heaven. It is a master piece of God's truth which demands a decision. Heaven or Hell ... Your Choice!

What's the Truth About Heaven and Hell? Douglas A. Jacoby, 2013 Recent books about heaven and hell have aroused the interest of committed Christians and curious seekers alike. But

the wide range of viewpoints has also created confusion and left many people wondering what they are to believe. This user-friendly guide presents the most popular views on heaven, hell, purgatory, judgment, and related topics, followed by brief, easy-to-follow analysis. Readers will be equipped to make their own well-informed decisions about questions like these: What happens when we die? Where did the idea of purgatory come from? Will our bodies be resurrected someday? If so, does cremation offend God? Will unbelievers be judged by God and punished in hell forever? Or will they be annihilated? What about those who never heard the gospel message? This summary of the latest Evangelical teaching and traditional mainstream scholarship provides readers with tools to assess each position in the light of Scripture.

Heaven or Hell R. A. Torrey, 2000-05-01 Will you enter a state of nothingness? Will you completely cease to exist? Will you be reincarnated? Will you go to purgatory? No, a million times no. The Bible clearly teaches that heaven and hell exist and that everyone will go to one or the other after death. Please read these pages to make sure you go to heaven and escape an agonizing eternity in hell. If you are already a believer, this book will make both hell and heaven more real to you and help you find the rest and joy God

promised you.

Heaven and Hell Bart D. Ehrman, 2020-03-31 A New York Times bestselling historian of early Christianity takes on two of the most gripping questions of human existence: where did the ideas of heaven and hell come from, and why do they endure? What happens when we die? A recent Pew Research poll showed that 72% of Americans believe in a literal heaven, 58% in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. But eternal rewards and punishments are found nowhere in the Old Testament and are not what Jesus or his disciples taught. So where did the ideas come from? In clear and compelling terms, Bart Ehrman recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. He discusses ancient guided tours of heaven and hell, in which a living person observes the sublime blessings of heaven for those who are saved and the horrifying torments of hell for the damned. Some of these accounts take the form of near death experiences, the oldest on record, with intriguing similarities to those reported today. One of Ehrman's startling conclusions is that there never was a single Greek,

Jewish, or Christian understanding of the afterlife, but numerous competing views. Moreover, these views did not come from nowhere; they were intimately connected with the social, cultural, and historical worlds out of which they emerged. Only later, in the early Christian centuries, did they develop into the notions of eternal bliss or damnation widely accepted today. As a historian, Ehrman obviously cannot provide a definitive answer to the question of what happens after death. In *Heaven and Hell*, he does the next best thing: by helping us reflect on where our ideas of the afterlife come from, he assures us that even if there may be something to hope for when we die, there is certainly nothing to fear.

Heaven, Hell, and Purgatory Jerry L. Walls, 2015-01-27 Will heaven be boring? How can a good and loving God send people to hell? Is there such a place as purgatory? If so, why is it necessary, if we're saved by grace? Questions about the afterlife abound. Given what is at stake, they are the most important questions we will ever consider. Recent years have seen a surge of Christian books written by people claiming to have received a glimpse of the afterlife, and numerous books, films, and TV shows have apocalyptic or postapocalyptic themes. Jerry Walls, a dynamic

writer and expert on the afterlife, distills his academic writing on heaven, hell, and purgatory to offer clear biblical, theological, and philosophical grounding for thinking about these issues. He provides an ecumenical account of purgatory that is compatible with Protestant theology and defends the doctrine of eternal hell. Walls shows that the Christian vision of the afterlife illumines the deepest and most important issues of our lives, changing the way we think about happiness, personal identity, morality, and the very meaning of life.

Heaven and Hell Jon Kalman Stefansson, 2014-03-11 Jon Kalman Stefansson is the winner of the Icelandic Prize for Literature and has been nominated three times for the Nordic Council Prize for Literature. *Heaven and Hell*, is a perfectly formed, vivid and timeless story, lyrical in style, and as intense a reading experience as the forces of the Icelandic landscape themselves. *Der Spiegel* said it was like an oyster--a glinting treasure in a rough shell. In a remote part of Iceland, a boy and his friend Barour join a boat to fish for cod. A winter storm surprises them out at sea and Barour, absorbed in *Paradise Lost*, succumbs to the ferocious cold and dies. Distraught from the murky circumstances of Barour's death, the boy leaves the village, intending to return the book to its

original owner. The extreme hardship and danger of the journey is of little consequence to him--he has already resolved to join his friend in death. But once in the town he immerses himself in the stories and lives of its inhabitants, and decides that he cannot be with his friend just yet.

Heaven & Hell Retha McPherson,Aldo McPherson,2013 The second book co-authored by McPherson and her teenage son. It tells of Aldo's miraculous healing and their supernatural journey since an almost-fatal car accident. The book contains journal entries in Aldo's own handwriting wherein he warns the bride of Christ to be ready for the soon-arrival of the King.

Between Heaven and Hell Peter Kreeft,2021-09-07 On November 22, 1963, three great men died within a few hours of each other: C. S. Lewis, John F. Kennedy and Aldous Huxley. All three believed, in different ways, that death is not the end of human life. Suppose they were right, and suppose they met after death. How might the conversation go? Peter Kreeft imagines their discussion as part of the great conversation that has been going on for centuries about life's biggest questions. Does human life have meaning? Is it possible to know about life after death? What if one could prove that Jesus was God? With Kennedy taking the role of a modern humanist, Lewis representing Christian theism and Huxley advocating Eastern pantheism, the dialogue is lively and

informative. With clarity and wit, *Between Heaven and Hell* presents insightful responses to common objections to the Christian faith. This classic apologetics work is now available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press.

Heaven Or Hell Bill Bright, 2002-05 We live in a world of choices. Despite all of the choices and philosophies strewn about the landscape of our day, there remains ONE important choice for every individual. The choice is between two kingdoms -- the kingdom of light and the kingdom of darkness, the kingdom of God and the dominion of Satan. Dr. Bill Bright presents the most compelling contrast of the reality of Heaven and Hell. So what do you choose? Your earthly destiny and your eternal destination are determined by what you choose to believe.

40 Questions About Heaven and Hell Alan W. Gore, 2018-11-27 In *40 Questions About Heaven and Hell*, Alan Gomes surveys the Old and New Testaments to present a comprehensive picture of the afterlife. The question-and-answer format makes it easy to find answers to specific questions on heaven, hell, the intermediate state, the final judgment, and life in

eternity. Readers will find solid answers to many vital questions: · What should we conclude about those who claim to have seen heaven or hell? · Is it possible for us to communicate with the dead? · Is there such a place as purgatory? · What will our resurrected bodies be like? · What will we do in the eternal state? · Will there be animals in the eternal state? · What is hell like? · How can a God of love send people to an eternal hell? · Did Jesus descend into hell like the Apostles' Creed says? Study notes point to additional resources for learning, and reflection questions at the end of each chapter make the book ideal for small group studies.

Between Heaven & Hell Peter Kreeft, 1982-01-01 Combining logical argument with literary imagination, Peter Kreeft uses a dialogue between C.S. Lewis, John F. Kennedy and Aldous Huxley (all of whom died within hours of each other) to investigate the claims of Christ.

Heaven and Hell Kristen Ashley, 2011-12-29 After making a bad decision when she was very young, Kia Clementine finds herself in hell. Then, suddenly, within the time it takes for a shotgun to blast, her hell changes. Out of the blue she sees Sampson Cooper, her celebrity crush. A man the whole world knows is decent, loyal, good. All of these very unlike her now dead husband. He's sitting

at a table right next to hers. And she catches his eye. Terrified of the interest Sam shows in her, Kia still finds the courage to go out with him. Not long after, she shares her dark secrets, and Sam shares that he'll stop at nothing to gain her trust. As Sam leads Kia to heaven, Kia realizes Sam is living his own hell. But although he gives her beauty, and she gives him everything, he withholds his trust. Even with the beauty, Kia wants it all. But Sam forces Kia to make a heartbreaking decision, and only she can decide. Is it all? Or nothing?

Heaven & Hell: From God a Message of Faith Retha

McPherson, Aldo McPherson, 2013-02-19 "Message of Faith" is the second book co-authored by Retha McPherson and her teenage son Aldo. It tells of Aldo's miraculous healing and their supernatural journey since a car accident almost claimed Aldo's life in 2004. The book contains journal entries in Aldo's own handwriting wherein he warns the bride of Christ to be ready for the soon arrival of the King. During Aldo's coma Jesus took him to heaven and hell. "Aldo rarely wanted to talk or write about hell. Jesus said he had to wait for the right time," Retha explains. She goes on to say, "That time is now here. He recently told me Jesus said to him, 'Aldo, tell My bride – BE PREPARED, I am coming

soon.”” Aldo’s letters will open your eyes to the reality of heaven and hell and the implications of your choices here on earth. The book explains that the road of dying to self and living in Christ is what purifies the bride, and this can only be done if you walk by faith and not by sight – believing that God is who He says He is.

Heaven Or Hell? This Is the End! David Allan Silva,2019-03-23

The highly anticipated release from Portuguese American author David Allan Silva. This book is the inspiring true story of his encounter with Jesus Christ. In 1982, he was taken up to heaven by the Lord and was shown many miracles and given insight about God's creation. You will learn about his firsthand account of what he witnessed. While in heaven, the Lord told him He had a specific purpose and task for him in his life. After this encounter with the Lord, David was shown what the Bible has to say about salvation and what would soon take place in the world in these last days! In 1997, the Lord allowed David to see hell to give a firsthand account of what it was and who would end up there. He was shown that the Bible predicted many events in world history. The Lord revealed to him that all of science and nature prove the existence of God. You will learn about the constant attacks from Satan and the many miracles of God in his life. You will learn how

to fight Satan when he attacks your body, mind, and spirit. He will reveal the truth about the supernatural and the existence of extraterrestrials and UFOs. Learn about how the Bible predicted the birth, life, death, and resurrection of Jesus Christ! He will reveal our purpose on earth and what life is truly all about. You will learn about the amazing revelation he was given about President Donald Trump. Read about the secret and hidden truths the Lord has shown David over the past 35 years and the warning to all mankind of the total hell about to be unleashed on earth! Don't miss this must-read book!!!

Choose Heaven Hell Peter Smith, 2019-01-03 Death is a mystery, and people fear that which they do not understand. No one looks forward to dying, but it is inevitable. The mystery is, Is there something or someplace where a person will go to after their last breath? There are many beliefs concerning this matter, and not all of them can be true. Television and the media have trained our minds to believe that heaven and hell is a figment of our imagination. There is no life after this one. Others believe in some sort of heaven or hell. They have questions: Are they real? What are they like? What goes on while there? Where are they? And vitally important, Who will reside in either place, and why? The

focus of this book is to develop an understanding about hell. Hell will remain a mystery as long as a person does not go to the source for the information. There are books written which speak of people who have died, gone to hell, and then come back. Should we believe them? Are they fiction or fact? Where can we go to receive the truth and answers? Is there a source which we can believe and not question? This book is not written on fable or fiction but on fact. The writer never went to hell or had visions from God. The answers concerning hell are available to any who seeks and is interested in their life after death. Read on and become informed. Knowledge of hell will help the reader in making a life-changing decision. Read on if you desire the truth.
