**Heaven** Mieko Kawakami,2021-06-10 Shortlisted for the International Booker Prize 2022 From the bestselling author of Breasts and Eggs and international literary sensation Mieko Kawakami comes a sharp and illuminating novel about a fourteen-year-old boy subjected to relentless bullying. In Heaven, a fourteen-year-old boy is tormented for having a lazy eye. Instead of resisting, he chooses to suffer in silence. The only person who understands what he is going through is a female classmate, Kojima, who experiences similar treatment at the hands of her bullies. **Imagine Heaven** John Burke,2015-10-13 It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. Imagine Heaven is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Dog Heaven Cynthia Rylant,2010-11-01 A comforting and playful exploration of a beloved dog's journey after a happy life on Earth. In Newbery Medalist Cynthia Rylant's classic bestseller, the author comforts readers young and old who have lost a dog. Recommended highly by pet lovers around the world, Dog Heaven not only comforts but also brings a tear to anyone who is devoted to a pet. The Case for Heaven Lee Strobel,2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

The Book of Heaven Patricia Storace,2014-11-04 From the author of the acclaimed Dinner with Persephone comes a radically original novel about four women who invite us to imagine the divine anew: what if "a woman's point of view" were also God's? Patricia Storace's Eve begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job's daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

*What's Heaven* Maria Shriver,2007-10-30 After her great-grandmother's death, a young girl learns about heaven by asking her mother all kinds of questions.

*Three Days in Heaven* Mark Anthony Waters,2022-01-19 After a heart attack, lawyer Tony Stanford finds himself not in this world, but on a heavenly golf course. Not ready to believe he is dead, his wife, best friends and the doctors work against time to prove to the hospital board he's not really gone. Even with its religious themes, Three Days In Heaven is a story a person of any faith can enjoy. Open-heart surgery, dying, and meeting up with God all seem like serious topics, but the book deals with them in a lighthearted and believable way.

Heaven Wins Don Richardson,2013-11-26 Who Will Be Saved? Who Will Be Lost? The past few years have seen the release of several high-profile books, including Love Wins (Rob Bell) and God Wins (Mark Galli), that attempt to clarify what the Bible teaches about the ultimate destiny of individuals after this life. Don Richardson believes the arguments posed by these authors do not account for all the biblical evidence. In Heaven Wins, the best-selling author of Peace Child and Eternity in Their Hearts offers a faith-enhancing, scripturally grounded perspective that changes everything. Are a majority of people destined for hell, as many Christians assume, or will heaven harvest the greater part of mankind? Could it be that the good news is even better and more expansive than we have dared to hope? The answer may surprise you.

*Passport to Heaven* Micah Wilder,2021-06-01 “You have a call, Elder Wilder.” When missionary Micah Wilder set his sights on bringing a Baptist congregation into the Church of Jesus Christ of Latter-day Saints, he had no idea that he was the one about to be changed. Yet when he finally came to know the God of the Bible, Micah had no choice but to surrender himself—no matter the consequences. For a passionate young Mormon who had grown up in the Church, finding authentic faith meant giving up all he knew: his community, his ambitions, and his place in the world. Yet as Micah struggled to reconcile the teachings of his Church with the truths revealed in the Bible, he awakened to his need for God’s grace. This led him to be summoned to the door of the mission president, terrified but confident in the testimony he knew could cost him everything. Passport to Heaven is a gripping account of Micah’s surprising journey from living as a devoted member of a religion based on human works to embracing the divine mercy and freedom that can only be found in Jesus Christ.

Now, in his first new book in four years, Piper draws on his own firsthand experiences with the joys of Heaven—as well as the lessons found in the Gospel—to offer a set of departing instructions, helping readers face the inevitable battles ahead, prepare for eternal life, and, starting today, live a happy, fulfilling, purposeful life on Earth while preparing for the glories of Heaven.

Heaven and Hell Bart D. Ehrman,2021-03-23 Over half of Americans believe in a literal heaven, in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. Ehrman shows that eternal rewards and punishments are found nowhere in the Old Testament, and are not what Jesus or his disciples taught. He recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. Ehrman shows that competing views were intimately connected with the social, cultural, and historical worlds out of which they emerged. -- adapted from jacket

Please read these pages to make sure you go to heaven and escape an agonizing eternity in hell. If you are already a believer, this book will make both hell and heaven more real to you and help you find the rest and joy God promised you.
