The Honeymoon Effect Bruce H. Lipton,2014-04-01 From the bestselling author of *The Biology of Belief* Discover the secret to manifesting and maintaining the Honeymoon Effect—a state of bliss, passion, energy, and health in the early stages of a great love—throughout your entire life Think back on the most spectacular love affair of your life—the Big One that toppled you head over heels. For most, it was a time of heartfelt bliss, robust health, and abundant energy. Life was so beautiful that you couldn't wait to bound out of bed in the morning to experience more Heaven on Earth. It was the Honeymoon Effect that was to last forever. Unfortunately for most, the Honeymoon Effect is frequently short lived. Imagine what your planetary experience would be like if you could maintain the Honeymoon Effect throughout your whole life. Bruce H. Lipton, Ph.D., best-selling author of *The Biology of Belief*, describes how the Honeymoon Effect was not a chance event or a coincidence, but a personal creation. This book reveals how we manifest the Honeymoon Effect and the reasons why we lose it. This knowledge empowers readers to create the honeymoon experience again, this time in a way that ensures a happily-ever-after relationship that even a Hollywood producer would love. With authority, eloquence, and an easy-to-read style, Lipton covers the influence of quantum physics (good vibrations), biochemistry (love potions), and psychology (the conscious and subconscious minds) in creating and sustaining juicy loving relationships. He also asserts that if we use the fifty trillion cells that live harmoniously in every healthy human body as a model, we can create not just honeymoon relationships for couples but also a “super organism” called humanity that can heal our planet.

Honeymoon Islands Sarah Siese,Amanda Statham,2011-02 How do you find the perfect honeymoon - the holiday with the greatest potential to be treasured like no other? Heaven on Earth specialises in singular, inimitable experiences. Chapters roam from private islands in the Caribbean to buzzing metropolises - rooms range from those filled with state-of-the-art technology to rustic simplicity. However, all the locations have certain things in common: seamless service, indigenous mystique, and a range of experiences tailored for honeymooners. Far from the usual cliches, memorable experiences could include anything from swimming with endangered whale sharks, to a sand-between-the-toes dinner candlelit by the Southern Cross. The locations truly have been gathered as a labour of love. Selected destinations were vetted, visited, and scrutinised to the finest detail, and only our favourites, those that soared above the rest, have been included in this elegantly designed book - your ticket to the perfect honeymoon.--Publisher's description.

Heavenly Honeymoon Kathi Daley,2015-05-31 In true Zoe Donovan fashion, Zoe ends up in jail on the second night of her honeymoon after she finds herself the only suspect in the first murder Heavenly Island has seen in a decade. Although she has been ordered to leave the investigation to a man known only as Toad, she can't help but snoop around just a bit while enjoying the tropical paradise with new husband Zak. In the midst of enjoying days at the beach and moonlit walks under the stars, she discovers a truth about the island that might very well put those she loves in danger.

Prayers to Pray During Honeymoon Rose Madueke,Prayer M Madueke,2022-02-26 Honeymoon is not only a time for a newly married couple to spend time alone. It is also an opportunity to re-dedicate your marriage to God in prayer. You must guard against attacks from the enemy at this time. God wants the best for your marriage. Death Takes a Honeymoon Deborah Donnelly,2005-04-26 You are cordially invited. . . . Don't miss amateur detective Carnegie Kincaid, expert in all things matrimony and murder, in the Hallmark original movie *Wedding Planner Mystery* on Hallmark Movies & Mysteries! TO SURVIVE THE WEDDING OF THE SEASON . . . Wedding planner Carnegie Kincaid can feel the heat when she reunites with an old flame in the wealthy resort community of Sun Valley—but handsome smoke jumper Jack Packard is about to marry Carnegie's former best friend, now a famous TV actress. With a star-studded ceremony to pull off, a noncommittal boyfriend back in Seattle, and a supercilious Frenchman barking orders, Carnegie has no time for carnal urges. Especially once murder joins the party. YOU'VE GOT TO TAKE THE PLUNGE. The victim was a local hero who leapt from planes to fight fire. But was his impromptu skydive a smoke screen for something sinister? With her florist going AWOL, her bride going ballistically Hollywood, and her curiosity running wild, Carnegie may be in over her head: Someone in Sun Valley is a killer—and it's up to Carnegie to grill the guests and unmask the villain . . . or watch her glitzy job go up in flames.

Spontaneous Evolution Bruce H. Lipton, Steve Bhaerman, 2010-08-01 We've all heard stories of people who've experienced seemingly miraculous recoveries from illness, but can the same thing happen for our world? According to pioneering biologist Bruce H. Lipton, it's not only possible, it's already occurring. In *Spontaneous Evolution*, this world-renowned expert in the emerging science of epigenetics reveals how our changing understanding of biology will help us navigate this turbulent period in our planet's history and how each of us can participate in this global shift. In collaboration with political philosopher Steve Bhaerman, Dr. Lipton invites readers to reconsider: •the unquestionable pillars of biology, including random evolution, survival of the fittest, and the role of DNA; •the relationship between mind and matter; •how our beliefs about nature and human nature shape our politics, culture, and individual lives; and •how each of us can become planetary stem cells supporting the health and growth of our world. By questioning the old beliefs that got us to where we are today and keep us stuck in the status quo, we can trigger the spontaneous evolution of our species that will usher in a brighter future. .

Honeymoon With Murder Carolyn Hart, 2010-08-04 In sickness and in health . . . Mystery bookstore owner Annie Laurance and detective Max Darling are finally tying the knot, but a bizarre sequence of events might unravel this blissful marriage before it begins. With the ceremony completed and the champagne goblets emptied, Max sweeps Annie into his arms for an amorous moment . . . when the phone rings and a woman on the other end of the line screams bloody murder! The newlyweds rush to the scene of the crime, only to discover that Ingrid Jones, Annie's bookstore assistant, has vanished, leaving the body of a neighborhood Peeping Tom on her living room rug. As the community of Broward's Rock, including a dotty New Age psychic and Annie's meddling new mother-in-law, mobilizes to find the missing woman, the cold corpse puts the honeymoon plans on the shelf . . . and Annie's love of investigation threatens to bring the big chill to Max's hungry heart.

Do Not Disturb! Manuela Roth, 2015-01-06 Whether chic and urban or adventurous and close to nature: this volume presents a great variety of the most beautiful destinations for an unforgettable honeymoon.

Our Unending Honeymoon Carl Peters, 2017-05-04 YOUNG CHRISTIAN MARRIED COUPLES, this book was written with you in mind. It is also applicable to those of you, both single men and single women, who are looking forward to a Christian marriage. Listen up, you guys and your ladies; I'm not going to pull any punches in this story. I fully intend to bare my heart here on how to love and cherish, comfort and coddle, baby and spoil your spouse twenty-four hours a day. And that's for starters. I want to tell you a story that will give you advice on how to develop a real romance that saturates your marriage and bonds the two of you together as one--for life. Now slow down. Before you dive into my love letter, let me warn you, this book is not for the faint of heart. Nor is it for those who might blush at the thought of a personal discussion about babying, petting, touching, kissing, watching, listening, gentleness, tenderness, faithfulness, marital sex and so much more--but only within the bounds of your marriage. Some individuals do not care to go there because they fear that some of the things discussed in my love letter might offend their Christian sensibilities. If you're married, or hoping soon to be, grow up and get over it! The marriage bed is undefiled! Actually, it's pleasing to God and necessary for a wholesome, healthy marriage. You see, God designed this lovey-dovey, touchy-feely, kissy-flirty, sexually-exclusive husband-and-wife Monopoly game called Married for Life. He knows how it's supposed to be played and he wants it played right--no cheating! And by the way, he also knew that this thing called love isn't rocket science so He's the one who wrote the book on the subject. It could be called, Christian Marriage for Dummies. So, you say, obviously, you're an expert in marriage counseling with three PhDs, highly qualified to write on this subject? No. Actually I'm just an old guy who was married for forty-seven years to one of the most wonderful girls God ever gave to a man. What I've learned about staying married to the same woman all those years, I learned literally by accident and mostly from her. Oh, I've read books and articles and listened to sermons and seminars like the next guy, but most of my wisdom, if I would be so bold as to call it that, came only after my sweetheart went to heaven in the early-morning hours of May 5th, 2009. I've spent many hours with the Lord since then, during which time he has reminded me of all those wonderful things my sweetheart and I learned together through our 47 years. Remembering the good things, mostly on her side of the fence, brings tears of sweet joy. The failures, almost all on my side of the relationship, haunt me, even though my Lord has forgiven the many times I failed him, my sweetheart, and my family. Honeymoon is heavy with dialogue. It is, after all, various adults discussing the subjects of life, love, and how to make any marriage an unending honeymoon. Come along as we surreptitiously listen in on these lingering conversations. Don't miss even one word. I promise you'll be glad you came. May the Lord Jesus bless you with at least as much love, joy and fulfillment as my sweetheart and I knew during our 47 years together. May you have a rich, lifetime romance custom tailored by God ... for as long as you both shall live, on earth. Millennials, if you look forward to marriage in your future, this book is a MUST READ for you. The wisdom woven into the fabric of the story of these two adults, 18 years apart in age, is vital to the building of a lifetime love affair--an Unending Honeymoon.

Honeymoon on the Moon Brian Wilson, 2011-01-07 A science fiction, comedy, and romance, based on some true events and not so true facts. Monty has a goal to travel to the moon. He meets Olivia, a girl, and falls in love with her at first glance, causing him to change all of his plans. Now, Monty's plan is to marry Olivia, and take her on a Honeymoon on the Moon. When Olivias family finds out Monty is a man who drives around a truck and trailer for living, looking for scrap metal to pick up, they are against the marriage. He has to meet and survive her brutal family, make her his bride, and convince her to board the rocket, if he wants to make it to the moon in six days, landing on Saturday, August 21st, at 2:00 PM.

A Lenten Hobo Honeymoon Edward Hays, 1999 Lent calls each of us to be hobos, HOmeward BOund pilgrims who cannot rest until we rest in God, our final destination. With insight, art and a touch of humor, Edward Hays guides us along a Lenten way that takes no shortcuts or easy ways out while at the same time making the way a honeymoon, a joy-filled journey with God homeward to God. Filled with hobo marking art pieces, which point the reader along a path of a fruitful Lent, all the way to a joyous Easter.

Second Honeymoon James Patterson, Howard Roughan, 2013-06-24 In James Patterson's dazzling thriller, two secret agents hunt down a serial killer targeting honeymoon couples in Rome. A newlywed couple steps into the sauna in their deluxe honeymoon suite and never steps out again. When another couple is killed while boarding their honeymoon flight to Rome, it becomes clear that someone is targeting honeymooners, and it's anyone's guess which happy couple is next on the list. FBI Agent John O'Hara is deep into solving the case, while Special Agent Sarah Brubaker is hunting another ingenious serial killer, whose victims all have one chilling thing in common. As wedding hysteria rises to a frightening new level, John and Sarah work ever more closely together in a frantic attempt to decipher the logic behind two rampages. From *The Man Who Can't Miss*, *Second Honeymoon* is the most mesmerizing, most exciting, and most surprising thriller ever (Time).

Mind to Matter Dawson Church, 2019-08-06 Best Health Book of 2018 - American Book Fest. Best Science Books of 2018 - Bookbub. Every creation begins as a thought, from a symphony to a

marriage to an ice cream cone to a rocket launch. When we have an intention, a complex chain of events begins in our brains. Thoughts travel as electrical impulses along neural pathways. When neurons fire together they wire together, creating electromagnetic fields. These fields are invisible energy, yet they influence the molecules of matter around us the way a magnet organizes iron filings. In *Mind to Matter*, award-winning researcher Dawson Church explains the science showing how our minds create matter. Different intentions produce different fields and different material creations. The thoughts and energy fields we cultivate in our minds condition the atoms and molecules around us. We can now trace the science behind each link in chain from thought to thing, showing the surprising ways in which our intentions create the material world. The science in the book is illustrated by many authentic case histories of people who harnessed the extraordinary power of the mind to create. They include: Adeline, whose Stage 4 cancer disappeared after she imagined healing stars Raymond Aaron and two of his clients, each of whom manifested \$1 million in the same week Elon Musk, who bounced back from devastating tragedy to found Tesla and SpaceX Graham Phillips, who grew the emotional regulation part of his brain by 22.8% in two months Jennifer Graf, whose grandfather's long-dead radio came to life to play love songs the day of her wedding Harold, whose 80% hearing loss reversed in an hour Joe Marana, whose deceased sister comforted him from beyond the grave Rick Geggie, whose clogged arteries cleared up the night before cardiac surgery Matthias Rust, a teen whose airplane flight for peace changed the fate of superpowers Wanda Burch, whose dream about cancer told the surgeon exactly where to look for it An MIT freshman student who can precipitate sodium crystals with his mind John, who found himself floating out of his body and returned to find his AIDS healed Dean, whose cortisol levels dropped by 48% in a single hour In *Mind to Matter*, Dawson Church shows that these outcomes aren't a lucky accident only a few people experience. Neuroscientists have measured a specific brain wave formula that is linked to manifestation. This flow state can be learned and applied by anyone. New discoveries in epigenetics, neuroscience, electromagnetism, psychology, vibration, and quantum physics connect each step in the process by which mind creates matter. They show that the whole universe is self-organizing, and when our minds are in a state of flow, they coordinate with nature's emergent intelligence to produce synchronous outcomes. The book contained over 150 photos and illustrations that explain the process, while an Extended Play section at the end of each chapter provides additional resources. As *Mind to Matter* drops each piece of the scientific puzzle into place, it leaves us with a profound understanding of the enormous creative potential of our minds. It also gives us a road map to cultivating these remarkable brain states in our daily lives.

The Spontaneous Healing of Belief Gregg Braden, 2009-04-01 What would it mean to discover that everything from the DNA of life, to the future of our world, is based upon a simple Reality Code—one that we can change and upgrade by choice? New revelations in physics and biology suggest that we're about to find out! A growing body of scientific evidence suggests that our universe works like a Consciousness Computer. Rather than the number codes of typical software, our Consciousness Computer uses a language that we all have, yet are only beginning to understand. Life's reality code is based in the language of human emotion and focused belief. Knowing that belief is our reality-maker, the way we think of ourselves and our world is now more important than ever! For us to change the beliefs that have led to war, disease, and the failed careers and relationships of our past we need a reason to see things differently. Our ancestors used miracles to change what they believed. Today we use science. *The Spontaneous Healing of Belief* offers us both: the miracles that open the door to a powerful new way of seeing the world, and the science that tells us why the miracles are possible, revealing: why we are not limited by the laws of physics and biology as we know them today. Once we become aware of the paradigm-shattering discoveries and true-life miracles, we must think of ourselves differently. And that difference is where the spontaneous healing of belief begins.

You and Me Forever: Marriage in Light of Eternity Francis Chan, Lisa Chan, 2014-08-26 Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way *Crazy Love* changed the way we saw our personal relationship with God, *You and Me Forever: Marriage in Light of Eternity* will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, *You and Me Forever* will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world.
