*Gematria and Mysticism in GENESIS* Akiva Belk, 2013-09-22 Dear Ones, Gematria And Mysticism IN GENESIS BOOK II Chapters 11 -20 is a continuation of Gematria And Mysticism IN GENESIS BOOK I Chapters 1 -10. Order Book I at: [www.create-space.com/3998720](http://www.create-space.com/3998720) There are many revelations that flow out of the Hebrew Text and onto the pages of Dr. Akiva Gamliel's book, Gematria And Mysticism In GENESIS. The reader will be introduced to exciting truths not discussed among the religions of the world. I invite you to watch this short video of Dr. Akiva Gamliel discussing Gematria. <https://www.facebook.com/photo.php?v=10201804737095628> The cost of this book is a small investment for what the reader will learn. The Gematria in this book is deep and intense, inspiring and extremely interesting. Dr. Akiva Gamliel has provided a Gematria Chart in the beginning of the book plus a glossary in the back to assist those who are not acquainted with Gematria / Biblical numbers. Gematria And Mysticism In GENESIS is more than just a book. It's an exploration of Biblical truths. The reader will not want to put Dr. Akiva Gamliel's book down. In addition Dr. Akiva Gamliel shares additional information on B'nai Noach Torah Institute's learning Blog specifically about this book. Readers are invited to join in with comments and questions. Hebrew in the Bible unveils answers to many mysteries. The entire Bible is founded upon Genesis, Exodus, Leviticus, Numbers and Deuteronomy. The truths that flow out of these five books of the Bible and into other Books of the Bible is amazing. The conundrum is different than within the rest of the Bible. Why? There is a system of Hebrew Letters which each have a numerical value that have the power to reveal many new things to us. The numerical values can reveal many interesting and mystifying relationships within the Hebrew Letters, Words, Phrases etc. of the First Five Books. Over decades of study and research Dr. Akiva Gamliel has recorded many signs written in this book. He has gathered, compiled and organized years of discovery into this mystical book for us to learn, enjoy and share. Many years can pass between one discovery to another which forms a bridge between two discoveries. Revelations are the product of many bridges. Enclosed in this book are some of these special relationships. There is a special sweetness in sharing a Torah Gematria / Sign during a wonderful warm Friday evening Shabbat meal or on another occasion. Dr. Akiva Gamliel welcomes your study of this book at: [http://www.bnti.us/bnti\\_blog/bible-courses/gematria-and-mysticism-in-gene-1/](http://www.bnti.us/bnti_blog/bible-courses/gematria-and-mysticism-in-gene-1/) If you have any questions please contact a staff member at: [talk@bnti.us](mailto:talk@bnti.us) Also please continue the studies begun in this book with the second book in this series... **Hebrew Text and Lexicon of Genesis** Jeff A. Benner, 2007 If you know the Hebrew alphabet then you're ready for this book. With the resources contained within it you will begin to interpret and translate the original Hebrew language of the Bible for yourself. Once you have learned the Hebrew alphabet and have some basic understanding of Hebrew grammar you are ready to read and translate the Bible for yourself. This book contains the Hebrew text of the book of Genesis as well as a lexicon listing each and every Hebrew word as it appears in the Biblical text with its prefixes, suffixes and conjugations intact assisting the reader with interpreting difficult and unknown words. **Becoming Israel** Eli Lizorkin-Eyzenberg, 2019-09-30 This book pulls back the layers of translation traditions by looking at the original Hebrew of the Book of Genesis itself. Most people think that because the majority of Bible translators are committed to God that they would never introduce anything of their own into the text of translation. But, truth be told, objective translation is impossible because any text is understood through the worldview of the translator. Translation is in some way an act of interpretation of the original Scriptures. By slowly reading this book you will discover for yourself the riches of the Ancient Hebrew stories that were first written to provide a guide for the emerging people of Israel. Whether you are part of today's Jewish people or what many have come to call a Jewish coalition - the members of the nations of the world that worship Israel's God in Christ Jesus along with the people of Israel - this book is for you, because these great Torah stories are your heritage as well. Without them you, too, just like an Israelite of old, do not know where you came from and where it is that you are going.

*The Women of Genesis* Sharon Pace Jeansonne, 1990 The women of Genesis 12-50 function as much more than ancillary characters to men. Through close attention to the

literary features of the text, Jeansonne depicts Sarah, the daughters of Lot, Hagar, Rebekah, Rachel and Leah, Dinah, Tamar, and Potiphar's wife as integral persons who shaped Israel's destiny, revealed perspectives on God's involvement in the course of history, and portrayed human failure, freedom, and strength.

*The Book of Genesis in English-Hebrew* William Greenfield,1843

*The Book of Genesis* Ronald Hendel,2019-09-10 During its 2,500-year life, the book of Genesis has been the keystone to important claims about God and humanity in Judaism and Christianity, and it plays a central role in contemporary debates about science, politics, and human rights. The authors provide a panoramic history of this iconic book, exploring its impact on Western religion, philosophy, literature, art, and more.

**The Book of Jubilees** ,2003-09 This rare and important holy book sheds new light on Judaism and early Christianity. Was written sometime between 250 BC and AD 100 by one or more Hellenistic Jews, and reflects a form of Jewish mystical thought at around the time of Christ. Retells much of the Old Testament story, but includes additional material not mentioned in the Bible. Also relies heavily on The Book of Enoch, which was, like this book, translated from the Ethiopic text. Covers Adam and Eve, the Fall of Man, Cain and Abel, the fall of the angels and their punishment, the deluge foretold, the ark and the flood, the tower of Babel and confusion of tongues, evil spirits, corruption of the human race, Gods covenant, the Messianic Kingdom, Jacobs visions, prophetic dreams, and Moses, and more.

**To Know Torah - The Book of Genesis** Ephraim Chamiel,2018-01-23 Dig deep into the plain meaning of the Bible's stories and commandments Would you like to know what the Old Testament (Pentateuch) is all about from a Jewish point of view? This book reveals the morals, ethics, and ideas behind the stories and commandments of one of the oldest books in the history of mankind - a book that serves as the foundation of Jewish and Christian religion. Given the difficult Hebrew in which the Old Testament was written and how challenging it is to translate and to explain, the author wanted to offer to the reader the simple meaning of the text (p'shat) in accessible and friendly language. The Book of Genesis is opened before you - from a Jewish perspective The series includes 5 books: Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. Book 1, Genesis tells the stories of the Creation, the Garden of Eden, Noah's Ark, the three patriarchs (Abraham, Isaac, and Jacob) and their families, and their journey from Canaan to Egypt.
