

Hebrew English English Hebrew Business Dictionary Prolog

Yossi Angel

ENGLISH - HEBREW Business Dictionary | Prolog.co.il | מילון אנגלי - עברית | PROLOG Editorial, 2015-02-08 ■ Over 30000 entries including idiomatic terms ■ A wide range of essential terms frequently used by businessmen. Lawyers, students and translators Latin & French expressions Target users This dictionary is meant to answer the needs of persons confronted with economic and juridical terminology in their everyday activity, students, translators, business people of all kinds (manufacturers, marketers, forwarders, insurance agents, Customs officers and others), workers in law-related disciplines, as well as the general Hebrew-speaking or Anglophone public. The present dictionary does not substitute for an ordinary dictionary – but rather supplies such English and Hebrew words and phrases as do not generally appear in extant dictionaries. It therefore sets out to help people with a good basic knowledge of English. Vocabulary The dictionary aims at translating words and phrases in their juridical, economic etc. context, offering meanings, which may slightly or considerably differ from the usual, everyday ones. Therefore it will not include all the regular keywords, but focus on word and word-combinations specific of the spheres it comprehends. Neither will it contain all the meanings of a given keyword; solely the ones relevant to the domains considered.

ENGLISH - HEBREW Dictionary | Prolog.co.il | מילון אנגלי - עברית | PROLOG Editorial, 2015-01-01 This comprehensive PROLOG Dictionary offers over 50000 headwords, phrases and translations. This comprehensive dictionary is ideal for everyday use, at home, in schools and at work. Main unique features: - Fully transliterated! (Translated word written in user's language); - Stressed syllables are marked for clear and proper pronunciation; - Explanations are provided for choosing the desired translation; - Feminine form is indicated; - Completely offline.

English-Hebrew Dictionary of Accounting and Business Administration Terms Yossi Angel,1988

Hebrew/English Dictionary of Accounting and Business Administration Terms Yossi Angel,1988-01-01

תלון אנגלי-עברית Hébreu Ben-Ami Scharfstein,Raphael Sappan,1961

Globally Speaking Judith Rosenhouse,Rotem

Kowner,2008-05-22 This volume accounts for the motives for contemporary lexical borrowing from English, using a comparative approach and a broad cross-cultural perspective. It investigates the processes involved in the penetration of English vocabulary into new environments and the extent of their integration into twelve languages representing several language families, including Icelandic, Dutch, French, Russian, Hungarian, Hebrew, Arabic, Amharic, Persian, Japanese, Taiwan Chinese, and several languages spoken in southern India. Some of these languages are studied here in the context of borrowing for the first time ever. All in all, this volume suggests that the English lexical 'invasion', as it is often referred to, is a natural and inevitable process. It is driven by psycholinguistic, sociolinguistic, and socio-historical factors, of which the primary determinants of variability are associated with ethnic and linguistic diversity.

Hebrew-English/English-Hebrew Dictionary of Banking and Finance Terms French & European Publications, Incorporated,1994-01-01

Arabic Business Dictionary Morry Sofer,2006 Business language around the world in the twenty-first century is in a state of rapid change. This creates the need for new business dictionaries that are not tied to the past but rather reflect the new global economy. This is particularly true in regard to an English-Arabic business dictionary, which brings together two economic systems that are far from identical. As the new century unfolds, the Arabic-speaking world is looking to take its place in the global

economy, where, for the most part, English is the universal language, while Arabic is in the process of developing business terminology and such related terminology as computer terms. This dictionary provides Arabic translations of American business terms. It covers many areas of business, such as banking, insurance, real estate, export-import, stock market, and more. In addition, several hundred business-related computer and Internet terms have been included.--BOOK JACKET.

Added t.p.: Commercial Hebrew: English Hebrew dictionary of commerce Jacob Pevsner,Naphtali Herz Tur-Sinai,1944

An Introduction to Language Processing with Perl and Prolog

Pierre M. Nugues,2006-11-22 This book teaches the principles of natural language processing and covers linguistics issues. It also details the language-processing functions involved, including part-of-speech tagging using rules and stochastic techniques. A key feature of the book is the author's hands-on approach throughout, with extensive exercises, sample code in Prolog and Perl, and a detailed introduction to Prolog. The book is suitable for researchers and students of natural language processing and computational linguistics.

English-Arabic Business Dictionary M.A. Haleem,1983-12-31

A Dictionary of Economic Terms English-Arabic-Hebrew,1995

A Dictionary of Economics and Business, English - Arabic Joyce Akeson,2013-06 The world of economics and business is the backbone of any society. This Dictionary provides an up-to-date terminology of economic and business terms in the two languages of English and Arabic, covering several areas such as finance, banking, commerce, real estate, taxes, stocks, bonds, and much more. It is designed to facilitate communication and cross linguistic barriers. It is suitable for students, research scholars, professionals, business people, those working in the Middle East and anyone seeking a better understanding of this specific

terminology. About the author: Joyce Akesson is the author of several books and articles about Arabic Linguistics. Arabic Proverbs and Wise Sayings, Arabic Love Poetry from the Desert: Majnun Leyla, Arabic Morphology and Phonology based on the Marah, The Complexity of the Irregular Verbal Nominal Forms & the Phonological Changes in Arabic, The Essentials of the Class of the Strong Verb in Arabic, A Study of the Assimilation and Substitution in Arabic, The Phonological Changes due to the Hamza and Weak Consonant in Arabic, The Basics & Intricacies of Arabic Morphology, A Study of Arabic Phonology and Causes and Principles in Arabic. She has also published several articles about Arabic linguistics. She has also written a lemma about sarf morphology/phonology in the Encyclopaedia of Arabic Language and Linguistics, vol. 4. Leiden: Brill, 20.

The Gospel According to John, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Harrap's Five Language Business Dictionary Monika Angerer, 1991-01-01

Modern Hebrew Lewis Glinert, 2005 This third edition of Modern Hebrew: An Essential Grammar is an up-to-date and practical reference guide to the most important aspects of modern Hebrew, as used by contemporary native speakers of the language. Presenting an accessible description of the language, this user-friendly text focuses on the real patterns of use today. A reference source for the learner and user of Hebrew irrespective of level, it

sets out the complexities of the language in short, readable sections that are clear and free from jargon. Features of this updated edition include: * expanded coverage of nouns, verbs and adjectives * more examples throughout * a full exercise key * a glossary of grammatical terms. Well presented and easy to use, Modern Hebrew: An Essential Grammar is ideal either for independent study or for students in schools, colleges, universities and adult education.

מילון עסקי קרולה טרטנר, 2003

The New International Webster's Pocket Business Dictionary of the English Language Trident Press International, 1997

A Reference Grammar of Modern Hebrew Edna Amir Coffin, Shmuel Bolozky, 2005-02-03 A Reference Grammar of Modern Hebrew provides a clearly structured and accessible guide to all aspects of contemporary Hebrew grammar. Systematically organised, it presents the basic structures of the language, looking at grammatical categories, phrases, expressions, and the construction of clauses and sentences. Specialised linguistic terminology is kept to a minimum, and verb and noun tables are provided as well as a comprehensive index of terms, making this both a useful teaching resource and an easy-to-use reference tool for those wishing to look up specific details of the language.

Decoding Hebrew English English Hebrew Business Dictionary Prolog: Revealing the Captivating Potential of Verbal Expression
