Welcome to HEBREW | Prolog.co.il (3421) PROLOG.co.il, 2015-03-31 A complete self-study course for learning Hebrew, featuring a fully transliterated textbook for English speakers. The entire Audio or Video course (media files - Video & Audio are optional - with over 3 hours of recorded material!) is narrated by Dan Kaner and Hani Nahmias. Their narration turns learning into an ongoing enjoyable experience while helping learners absorb Hebrew more easily and improve their abilities to express and pronounce the language. Each lesson also includes a short dialogue, practiced through the video-active method: the learner converses with Dan or with Hani, taking the role of the other participant by reading the subtitles on the screen. This method helps increase learners' confidence in speaking and reinforces their ability to express themselves in Hebrew. <http://www.ulpanhebrew.com/3421>

Pronunciation symbols (Nekudot) are not usually present in Modern Hebrew texts. They are mostly printed in Biblical scriptures. Therefore, in Hebrew, it's crucial to remember the correct pronunciation of each word. Some coursebooks include these pronunciation symbols to facilitate learning, however, this causes confusion in real life for foreign students. To prevent such confusion and prepare the students to reading and writing Hebrew without a hassle, in this book all Hebrew words are given without the Nekudot, except for those that require the use of these symbols for grammatical reasons. To provide students with a more convenient and practical approach, in this book all Hebrew words are transliterated. The English transliteration shows the correct pronunciation of each word.
