Mystic Peter A. Lamana, Ed.D., 2014–11–04 The Civil War is finally over, and the survivors have returned to their lives to try to rebuild. There was very little time for rest and relaxation. Nothing can be truer for the people of the small country town of Mystic. However, something has come to Mystic with the survivors...a game called Base Ball. For many years the people of Mystic have indulged themselves in various kinds of stick-and-ball games...everything from cricket to rounders, to something called Muffin Ball, but none of the games were ever popular enough to become organized...until Base Ball. As the residents of Mystic struggle establish their own Base Ball club, they discover that Base Ball is taking over the nation by storm. With a faithful group of town leaders, a retired Judge, and several veterans, Mystic finds that it is ahead of the storm, instead of getting caught up in it. As the town team forms, and a simple league with other small towns is established, the Mystic town folk enjoy watching their very own team playing this “city game” their way...making mistakes, fumbling over the bases, and arguing with...everyone, the people of Mystic become a true base ball town. Then when captain of the Drummers contacts the Mystic team with a request to come to Mystic to play a fun exhibition game on the Fourth of July, the initial thought was one of reservation...the Drummers were a traveling team of colored players. To the people of Mystic, a town that sided with the Northern Union forces, the prospect of playing a colored “barnstorming” team was cause to celebrate a game that changed the town of Mystic forever.

**Anno Frankenstein** Jonathan Green, 2011–05–12 Ulysses Quicksilver, agent of the crown, jumps into a time vortex pursuing Daniel Dashwood, a madman bent

on sharing modern technology with Hitler's forces and changing history to suit his evil ends. Rewind several decades, to the time of the Second Great War, to Darmstadt. The Nazis are battling the steampunk empire of Magna Britannia, cooking up necrotic super-soldiers in the gothic towers of Castle Frankenstein. In the forests outside the castle, other forces are gathering. Ulysses' father is there, proving that dashing good looks and a talent for swashbuckling adventures run in the family, and wondering why his British masters have partnered him with weakling scientist Dr. Jekyll. The ladies of the Monstrous Regiment are also there to help, but there may be other gothic monsters in the hills...

**Honored by Man** Brady Quinlan Brown,2002-05-01 Honored By Man is an historical novel about the Trojan War. Epic in its scope, it utilizes the Greek and Trojan characters from Homer's Iliad and the Gods who pulled their strings. Throughout history fragments of this tale have formed the cornerstone of drama and literature. Each piece engrossing enough to stand alone, mortared together they become majestic. Honored By Man utilizes all the known history, myth and poetry surrounding the Trojan War and tells the story from the Divine curses setting it in motion to the disgruntled homecomings of the few left alive. It is told from three vantagepoints: Greece, Troy, and Olympus. The cast of characters is an enormous gathering of heroes and heroines with the Gods larger than life. On the Greek side, Helen, with her sisters Timandra and Clytaemnestra, dominate the women; Achilles, Patroclus, Odysseus, and Agamemnon lead the men. The Trojans are equally strong. The Queen Hecuba, her many daughters and Andromache are the main ladies while the suave Paris, noble Hector, smooth Deiphobus and steady Helenus are the leading men. The Gods play equally with the lives of everyone. The novel begins in Sparta with all the Kings of Greece gathered to try for Helen's hand. The future heroes on the Greek side are introduced as well as the heroines. The action quickens with Paris' introduction and subsequent abduction of Helen. With the scene switching back and forth from the Greek encampment to behind the Trojan fortress, ten long years of war follow culminating in the bloody sack of the city, and the few survivors heading homeward. Everyone knows the story; few know its entirety. Honored By Man breathes life and depth into the illustrious characters of Homer and weaves the threads of myth, poetry and history into a tapestry savored by all readers.

**Monster Problems** Victor Piñeiro,2022-07-05 Magnificent.—Kirkus Reviews, STARRED Review on Time Villains Story Thieves meets Escape from Mr. Lemoncello's Library in the second book of this wacky, hilarious, and fast-paced middle-grade series. Can Javi and his friends stop Count Dracula from taking over the school? With Blackbeard banished from their present time, life has gone somewhat back to normal for Javi, his sister Brady, and his best friend Wiki. And Javi can now focus on his favorite thing in the world: crafting extreme sandwiches. Except their beloved Principal Gale has to make an unexpected trip back to Oz, leaving the excessively strict and downright terrifying Ms. Vlad in charge. With the school all kinds of doom and gloom the trio is desperate for some change. Luckily that arrives in the form of their new Vice Principal, Mr. Dragon. Mr. D is immediately adored by the students, especially Brady, and Javi's glad he wasn't forced to summon any historical or fictional folks from his magical table to get the school back on track. Except something seems a little off about Mr. Dragon, and soon it's

clear he isn't who he says he is. With Brady under his spell he's able to summon his monster crew to take over the town, and eventually the world. Javi's going to have to get his own team if he's going to stop their evil vice principal before it's too late. Praise for Time Villains: Piñeiro scores with this tale of friendship, magic, and adventure... Magnificent.—Kirkus Reviews, STARRED Review It's got heart, it's got thrills, it's got pirates! You won't be able to put down this action-packed, relentlessly funny adventure.—Sarah Mlynowski, author of the New York Times bestselling Whatever After series A magical table that pulls in famous people from history and fiction? Is this the greatest idea for a book ever? Yes. Yes it is. Come join the best dinner party in history (and books), full of pirates, sandwiches and history's greatest figures!—James Riley, New York Times bestselling author of The Story Thieves series
