Elegia anotimpurilor în orașul fără cupole / Elegy of the Seasons in the City without Domes Claudia Manta, Claudia Manta: Născută în București în anul 1969, Claudia este licențiată în Drept și, după practicarea avocaturii în Baroul București, emigrează în Canada în 1996. După o perioadă de adaptare în țara adoptivă, Claudia are șansa să lucreze cu un reputat avocat – Gerald Sternberg – într-o casă memorială monument istoric de pe Charles Street, în metropola Toronto. Anii petrecuți în biroul de avocatură, frumusețea și ineditul orașului au fost sursa de inspirație pentru multe dintre poemele create. Mamă a doi băieți extraordinari, și-a dedicat viața familiei și soțului pe care l-a urmat în Canada, deși sufletul ei a rămas întodeauna liric și românesc. Literatura română și dorul de țară nu au părăsit-o niciodată. Born in Bucharest in 1969, Claudia obtained her Law degree and, after practicing law in the Bucharest Bar, she immigrated to Canada in 1996. After a period of adaptation in the adopted country, Claudia had the chance to work with a prominent lawyer—Gerald Sternberg—in a bohemian memorial house and historical monument on Charles Street, in Downtown Toronto. The years spent in the law office, the beauty and uniqueness of the city were the source of inspiration for many of her poems. The mother of two extraordinary boys, she dedicated her life to her family and her husband who she followed to Canada, although her soul has always remained lyrical and

Romanian. Romanian literature and her longing for her native country have never left her.

It's Okay to Love and Heal Melvina Leger, 2010-11-29 I began writing this collection of poetry since 2006. During my lifetime, I have experienced many personal trials and tribulations as have many others. I decided to find a way to place my thoughts, my feelings, and my experiences on paper through the use of poetry. This book was poetry book was written not only as a means to help me put my life in perspective, but hopefully as a way to help others to deal with the pain of loving, losing, and finding love again. I hope you enjoy reading *Its Okay to Love and Heal*, But Its Time to let go of the Pain as much as I enjoyed sharing some of my life with you.

Best Practices for Teaching with Emerging Technologies Michelle Pacansky-Brock,2013 *Best Practices for Teaching with Emerging Technologies* is a practical, easy-to-use guide that provides both 2- and 4-year college educators seeking to refresh or transform their instruction--

The Cognitive Perspective on the Polysemy of the English Spatial Preposition Over Maria Brenda,2014-09-18 This volume investigates the English spatial preposition over and prepositions in general, frequently regarded as function words with little semantic content, and shows that they encode rich and diverse information, both grammatical and semantic. An important research endeavor which the present study undertakes is an

examination of whether the meaning of the preposition over is in fact complex enough for the preposition to be treated as a lexical unit rather than merely a functional one. In order to achieve that goal, the gathered linguistic material is analyzed first and foremost in terms of its semantic content; that is, the geometric relations between the trajector and landmark, and the functional consequences of such relations. The research into the morphology of prepositions reveals a considerable area of overlap between prepositions and adverbs, adverbial particles, and prefixes, as well as nouns, verbs and adjectives. The discussion of the syntax of prepositions is illustrated with labeled tree diagrams of selected sentences to show how the preposition over and the prepositional phrases it heads are embedded in larger structures of the English sentence. An important finding of the present study is the confirmation that the spatial preposition over encodes a broad range of geometrical and functional relations, as well as rich grammatical information. This book will be of interest to students and researchers interested in semantic and conceptual aspects of prepositions, meaning construction, human cognition, and management of space.

Word Order, Agreement, and Pronominalization in Standard and Palestinian Arabic Mohammad A. Mohammad,2000 The two related issues of word order, and subject-verb agreement have occupied center stage in the study of Arabic syntax since the time of Sibawayhi in the eighth century. This book is a contribution to both of these areas. It is grounded within the generative grammar framework in one of its most recent versions, namely Minimalism, as expounded in Chomsky (1995). In this volume, a detailed description is given of word order options in Modern Standard Arabic (MSA) and Palestinian Arabic (PA). It is shown that, perhaps surprisingly, the two varieties allow almost the same range of word orders. The important question of whether Arabic has a VP is addressed: the author argues extensively that Arabic has a VP category. The evidence derives from examining superiority effects, ECP effects, binding, variable interpretations, etc. Also discussed is the content of [Spec, TP] in VSO sentences. It is argued that the position is occupied by an expletive pronoun. The author defends

the Expletive Hypothesis which states that in VSO sentences the expletive may take part in checking some features of the verb. A typology of the expletive pronoun in Modern Standard Arabic, Palestinian Arabic, Lebanese Arabic, and Moroccan Arabic is provided. A particularly interesting problem involving pronominal co-reference is the following: if the subject is the antecedent of a pronominal clitic, word order is free; if a pronominal is cliticized onto the subject, then the antecedent must precede. An account that derives these restrictions without recourse to linear order is proposed.
