**The Hidden Messages in Water** Masaru Emoto,2011-07-05 In this New York Times bestseller, internationally renowned Japanese scientist Masaru Emoto shows how the influence of our thoughts, words and feelings on molecules of water can positively impact the earth and our personal health. This book has the potential to profoundly transform your world view. Using high-speed photography, Dr. Masaru Emoto discovered that crystals formed in frozen water reveal changes when specific, concentrated thoughts are directed toward them. He found that water from clear springs and water that has been exposed to loving words shows brilliant, complex, and colorful snowflake patterns. In contrast, polluted water, or water exposed to negative thoughts, forms incomplete, asymmetrical patterns with dull colors. The implications of this research create a new awareness of how we can positively impact the earth and our personal health.

**Conversations with God for Teens** Neale Donald Walsch,2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

*Confessions of a Fashionista* Angela Clarke,2013-01-17 The incredibly popular Daily Mail column, 'Confessions of a Fashionista', feeds its hungry readers snippets of a life in the glittering yet deranged world of fashion. Now its anonymous author reveals both her identity and the true story of her giddyingly glamorous time in the style industry, with insider gossip on the people who populate it. Propelled by a painful end to a relationship and determined to prove her ex wrong for breaking up with her, our Fashionista lands a place on the Harrods Graduate Scheme. A complete outsider to the fashion world, she sets out on a wing and a pair of Guccis, and finds herself in a whirlwind of couture and craziness. Along the way she learns how to stay sane in a world where hairdressers have egos as big as their clients' bouffants, where dogs fly business class, and if you're eating carbs it can only be because you're pregnant. Confessions of a Fashionista is a book for anyone who's ever been an outsider, for anyone who's ever had a relationship end badly and thought they'd never find true love, and for anyone who thinks that cakes were made to be eaten, not sniffed. By turns hilarious, sad, thrilling, romantic and fun, it is the It book for fashionistas everywhere.
