Football And How To Survive It Pat Nevin,2023-06-01 'The good news for those who loved THE ACCIDENTAL FOOTBALLER: this new book is even better. There were times as I read Pat Nevin's account of his years running - or, trying to run - Motherwell, I had to remind myself to breathe. It's a thrilling read - funny, nerve-wracking, precise and very, very human' - Roddy Doyle So, you fell into football by accident. You've played for Chelsea, Everton and your country at an international level. But what happens when you discover you're in so deep that football has taken over your whole life? In his brilliant new memoir, Pat Nevin takes us on a journey to the less glamorous side of football. From Tranmere to Kilmarnock, he plays some of the best football he's ever played. Then, in an unprecedented twist of fate, finds himself both player and Chief Executive of Scottish First Division club Motherwell. What follows is an entertaining and revealing tale of the side of football that you rarely see as Pat tries to keep the lid on simmering tensions between owner and the manager; travels in Lear jets one moment, but has to sell off half the team, the next. So much is madness, like being the manager's boss, and his player at the same time; or discovering that the ground's goalposts are higher on one side than on the other! And with impossible challenges at every corner, such as learning that their son is autistic, and the club hurtling towards administration, Pat strives to walk the impossible line between player, parent and boss. FOOTBALL AND HOW TO SURVIVE IT is a real one-off, uncovering the sport in all its complex, confusing and calamitous glory. Once you've read it, you may never look at the game in the same way again.

Making Weight Mike Zorick,

Guns Across the Border Mike Detty,2013-04-29 Conducted under the umbrella of Project Gunrunner, intended to stem the flow of firearms to Mexico, the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) ran a series of "gun walking" sting operations, including Operations Wide Receiver and Operation Fast & Furious. The government allowed licensed gun dealers to sell weapons to illegal straw buyers so that they could continue to track the firearms as they were transferred to higher-level traffickers and key figures in Mexican cartels. Motivated by a sense of patriotic duty, Tucson gun dealer and author Mike Detty alerted the local ATF office when he was first approached by suspected cartel associates. Detty made the commitment and assumed the risks involved to help the feds make their case, often selling guns to these thugs from his home in the dead of night. Originally informed that the investigation would last just weeks, Detty's undercover involvement in Operation Wide Receiver, the precursor to Operation Fast & Furious, which was by far the largest "gun walking" probe, stretched on for an astonishing and dangerous three years. Though the case took several twists and turns, perhaps the cruelest turn was his betrayal by the very agency he risked everything to help.

Life: the Gift That Keeps on Giving Jane S. Green,2017-11-08 Everyone has a story to tell, and I selected to tell my story through my blog formerly called: Monday Morning Bluees, which is an acronym for Believe Life Uses Everyone and Everything Spiritually. I have endured many hurts, mistakes, lessons, pains, failures, heartbreaks, disappointments, hardships, and struggles throughout my life, but I have also been on the receiving end of countless success stories, miracles, breakthroughs, victories, accomplishments, awards, accolades, and other blessings. I have come to accept that life is filled with polarities, and I came to this time-space reality to experience All of life including both its ups and its downs, (mostly ups). I am learning that I gain strength and momentum when I go through uncomfortable situations, circumstances, and experiences. Reflecting on my lifes

story allows me an opportunity to release and heal my past. I now have a greater appreciation for where I have been, a warm acceptance and peace for where I am presently; and a clearer perspective on where I am going. My intention for this work is to shed light on issues that many females face and provide comfort in knowing that we are not alone on this journey I call Life.
