Siblings Grace and Michael, appear to have secrets which seem connected to Rouge. Her hunch is confirmed when a horrible incident occurs at party. Rouge may be the only one who can find the answer. An ancient journal, a Siorghra necklace and a special mark force life-altering decisions for a girl who grew up unprepared to fight for her life or others. All secrets have a cost and Rouge's determination to find the truth can only lead to trouble...or something even more sinister. Marked by Destiny Sometimes the past isn't what you expect it to be. Rouge has survived the last months of school and is starting a new chapter after graduation. She wants answers to the questions about her past and is still hiding secrets from those she loves. The ancient Grollic Book reveals another of its secrets, only to Rouge. She desperately wants to find the truth about her past. Nothing could have prepared her for what she's about to learn. Compelled The secrets of her past have been revealed, but Rouge's life is still shrouded in mystery. The Grollics want her dead, she's forbidden to be with the boy she loves, and her brother—who is the enemy—may be the only one she can trust. The deeper she digs into the past, the more trouble awaits. Can she find answers in the ancient journal she carries, or is she opening Pandora's box? Fate's Intervention How do choose between power of passion or the power of peace? After finally coming face to face with her greatest foe, Bentos, Rouge has a decision to make. Joshua, the new grollics alpha has been labeled as her true mate, but her heart belongs to Michael. How can he get her pregnant? The high and mighty Caleb is even more determined now to stop Rouge and the abomination growing in her belly. On the run from Caleb and the Higher Council, on a mission to save Rob, and at the same time trying to stop the dark angel Rouge summoned – the team must figure out what the Power of Three is before Bentos kills them all. However, there's a catch: if they go after the dark angel and kill it, anyone with angel blood in them will die. Not Like Other Girls Meredith Adamo, 2024-04-30 "Powerful, brilliantly plotted, voicey, gripping, beautiful, heart-wrenching, hilarious . . . Read this book." -Liz Lawson, New York Times bestselling author of The Agathas When Jo-Lynn Kirby 's former best friend-pretty, nice Maddie Price-comes to her claiming to be in trouble, Jo assumes it's some kind of joke. After all, Jo has been an outcast ever since her nude photos were leaked-and since everyone decided she deserved it. There's no way Maddie would actually come to her for help. But then Maddie is gone. Everyone is quick to write off Maddie as a runaway, but Jo can't shake the feeling there's more to the story. To find out the truth, Jo needs to get back in with the people who left her behind-and the only way back in is through Hudson Harper-Moore. An old fling of Jo's with his own reasons for wanting to find Maddie, Hudson hatches a fake dating scheme to get Jo back into their clique. But being back on the inside means Jo must confront everything she'd rather forget: the boys who betrayed her, the whispers that she had it coming, and the secrets that tore her and Maddie apart. As Jo digs deeper into Maddie's disappearance, she's left to wonder who she's really searching for: Maddie, or the girl she used to be. *Not Like Other Girls* is a stunning debut that takes a hard look at how we treat young women and their trauma, through the lens of a missing girl and a girl trying to find herself again.

Hidden Relationships of the Homicide Detective Herman L. Hinton, 2014-04-11 His responsibility for overseeing the Homicide Unit and everyday exposure violent crimes throughout the city of Birmingham led Herman Hinton to write this novel depicting a young man who takes a circuitous route in his quest to restore the luster in his parents' dismal marriage. While in pursuit of what he believes is the key to restoring happiness in his family, Trey Wilcox meets some interesting people who at one time or another crossed paths with his dad, and makes other amazing discoveries. But more than anything else, this long and winding voyage reinforces his belief that family and lifelong relationships are vitally important for survival. This book is designed to help restore family values, to encourage friendly relationships, and to truncate the rise in the number of dysfunctional families across the globe. It is also designed to uplift victims of violent crimes, who might still be in despair because of the unwarranted trauma they have experienced.

Teen Fury: The Complete Collection Amanda Torrey, *Vengeance or Forgiveness?* What would you choose? Being a teenager has its ups and downs. Ups? Hot boys, the mall, best friends, dreams of an amazing future. So much potential. Downs? Hot boys, parental drama, frenemies, emotional craziness, snakes emerging from your head when angry... Yeah, I was surprised, too. How am I supposed to stay on my carefully planned path when my true biological heritage presents its ugly head—ahem, heads. And when the messengers of my so-called destiny happen to be two of the most incredibly hot and irritating males on the planet, I'm left fantasizing about my previously boring life. Am I supposed to believe that my duty is to seek vengeance? Or to grant mercy to the offender? And how on earth am I qualified to make these decisions? I'm bound to make mistakes along the way, but keep your fingers crossed that I don't inadvertently send the world to Tartarus in a hand basket.

All the Beloved Ghosts Alison MacLeod,2017-04-18 An acutely observed, evocative collection of short stories blending fiction, biography, and memoir--from a Booker-longlisted author. Evocative, sensual, and tender, these stories confront our reality culture and interrogate our relationship with iconic figures, coming to life at the boundary between reality and fiction. A woman emerging from mourning spends her savings on a fur coat, a coat she will wear to a dance that will change her life. A professor of cardiovascular physiology lingers on the cusp of consciousness as he waits for his new heart to be delivered, still beating, from another body--and is carried on a tidal wave of memories to an attic room half a century ago. Visiting Sylvia Plath's grave in Yorkshire, the author imagines a conversation with the poet, a fellow North American who settled in grey England. She reflects on the treasured photograph of Princess Diana she took as a teenager, one of a multitude taken during a life cut short. And at Charleston, Angelica Garnett, child of the Bloomsbury group, is overpowered by echoes of the past; by all the beloved ghosts that spring to life before her eyes. MacLeod's characters hover on the border of life and death, where memory is most vivid and the present most elusive. Moving from the London riots of 2011 to 1920s Nova Scotia, from Oscar Wilde's grave to the Brighton Pier, these exquisitely formed stories capture the small tragedies and profound truths of existence.

Midnight on Lime Street Ruth Hamilton,2015-12-03 What possible connections might exist between an aged man who used to sell shoes, some ladies of the night, three abused schoolboys, two nuns, two police officers, a philanthropist, a serial killer, a drugs cartel, Lime Street Station and a mansion in Southport in whose grounds donkeys and horses are kept? The answer lies in love, friendship and the determination to endure all the way to the winning post. Eve, owner and madam at Meadowbank Farm, is keen to secure a

deal that keeps her in pocket and her clients happy. But is she a match for Babs, a 'Baby Girl' in this house of ill repute? Babs has her own agenda, and in order to fulfil her dream of a decent life, she must first overcome Madam Eve. Meanwhile, a deranged killer walks the Dock Road. 'Inspired' by a vision, he seeks to clean up Liverpool. When he finds Eve's farm, he plans to cast his net on what promises to be a great catch.

The Last Word Yusuf Kodwawwala Dawood, 2012 The Last Word by Yusuf Dawood concludes the quartet of the Surgeon's Diary - in book format. The other three are Yesterday Today and Tomorrow, Off my Chest, and Behind the Mask. The beautifully executed stories in the Last Word are adorned with occurrences from the author's extensive travels and medical experiences, some heart-rending and others with exultant endings. Dawood's stories are lit with humor and wit that make the myriad medical challenges seem surmountable. The stories though appearing in the Surgeon's Diary are fresh and authentic. Just like in the other three titles that form the quartet, the author has once again used his scalpel and pen with prowess to bring real surgical drama to our doorstep. Dawood, a celebrated surgeon and formidable author, has authored The Price of Living, One Life too Many, Water Under the Bridge, among others. The Last Word is his eleventh title.

Ups and Downs Matthew Bowmer, 2024-01-28 In the summer of 2022, feeling disillusioned with working life in London and in search of an outdoor challenge, Matthew Bowmer set off alone to walk the Grande Randonnée 10, a 900-kilometre footpath through the French Pyrenees from the Atlantic to the Mediterranean. In the first few days it becomes clear this will be no ordinary walk. Each day he navigates the landscape, unsure of where he would sleep, following the path until he wants to stop. The doubt about exactly what he would be confronted with, and the need to improvise on many occasions, is a source of both excitement and apprehension. From 40-degree heat and a failing tent, to sleeping out under the stars and learning first-hand about the Basque sport of pelota, the immersion within the surroundings brings a rich combination of gifts and challenges. And this is just a sign of things to come. Ups and Downs is a humorous, in-depth reflection of Matthew's expedition where he recounts the geography, people, events, and personal battles he encounters along the way. A cornucopia of exhilarating adventures, Ups and Downs quarries a Pyrenean landscape very close to my heart. Having lived there on and off for over 35 years this book is so much more than just a travelogue. Matthew Bowmer has dug into it like a wayward archaeologist, excavating both the mundane and the magnificent; the very bond that holds our
