*Can’t Hide From Love 2* Bianca, 2016-09-21 When Trenae is found beaten half to death and unconscious, doctors notify Nae’s family that she will suffer temporary memory loss. In the midst of finding Nae’s body, the police also find a business card next to her. A business card belonging to none other than Nahlij Jones, making him the prime suspect in the investigation. On the run and basically a wanted man, Nahlij has to figure out a way to clear his name by doing anything that he can to help Nae remember what happened, all while dealing with the fact that he is slowly falling for Trenae. Elsewhere, Silas is dealing with his inner demons as well as the fact that he is slowly losing Trenae. When he discovers that Trenae has been using Nikki’s phone to secretly talk to Nahlij, Silas hatches a plan to keep Nae in his life, but when his secrets and lies begin to unfold, Silas will soon realize that he’s lost Trenae for good. Will Trenae regain her memory in time to clear Nahlij’s name, or will it be far too late? Will Nahlij finally admit that he’s fallen hard for Trenae, or will he continue to keep his heart guarded? Can Silas keep Trenae in his life, or will his secrets finally be revealed and cause her to walk away? All will be revealed in the second installment of *Can’t Hide From Love*!

*Can’t Hide From Love 4* Bianca, 2016-12-13 “Now don’t you know, you’ll always be the most, beautiful woman I know. So let me reassure you, darling that, my feelings are truly unconditional” - Musiq Soulchild Everything in Nahlij & Trenae’s life seem to have come together perfectly. Nahlij has his mom, and sister in his life, and Supreme Klean is getting more and more business by the day. Trenae has Beautiful Skin Galore, her family, and friends. Nahlij & Trenae, has their growing healthy son, RJ. Perfect, right? When a freak accident happens, leaving Trenae immobile, emotions and tensions run high. Trenae becomes wildly depressed, calling off the wedding, and questioning if Nahlij really loves her, especially after Nahlij starts seeking solace elsewhere. In this 4th and final installment, of *Can’t Hide From Love*, you’ll learn the real meaning of loving, protecting, providing through thick, thin, in sickness, and health.

*Nancy Bush’s Nowhere Bundle: Nowhere to Run, Nowhere to Hide & Nowhere Safe* Nancy Bush, 2013-10-01 Some Secrets When Liv Dugan ducks out of work for lunch, it’s just an ordinary day. When she returns, she stumbles onto a massacre. All her colleagues at Zuma Software have been shot. Only luck has left Liv unscathed, and that might be running out. . . Will Follow You Liv suspects the shootings are tied to her past--and to the package she recently received

from her long-dead adoptive mother. Sensing she's being followed, Liv jumps into a stranger's car and orders him to drive. Her hostage complies, listening carefully as her story unwinds. Skeptical at first, he ultimately begins to believe all Liv's fears are justified. . . To Your Grave Together, Liv and her unlikely confidant try to uncover the truth about her adoptive family, her birth parents, and her troubled childhood. Because somewhere in Liv's past is a secret worth killing for, and a nightmare she can never outrun. . . There Are Sins Do unto others. . . Carefully, he carves the words into their flesh. The victims are all young, brunette, pretty. But she's the one he really wants. The others are just a way to ease the rage that has festered for years, until the only thing that calms him is his knife slicing through skin. . . You Never Live Detective September Rafferty--Nine to her friends--recognizes the artwork that arrives in the mail. She created it back in second grade. Now a killer's words are slashed across it in what looks like blood. He knows her. September's investigation leads to her old classmate, Jake Westerly. She wants to believe Jake is innocent. But trusting anyone could be her last mistake. . . To Regret Every slight, every slur, he remembers them all. They turned him into a monster, and now they will suffer for it. Starting with September, he'll show them that the past can never stay hidden, and the time of vengeance is at hand. . . The Guilty She senses their twisted desires before she meets them. It's as if fate is helping her stop these monsters from preying on others the way she was preyed upon. And after she has delivered brutal justice, she'll let the whole world see their guilt. Will Atone I must pay for what I've done. The first victim--naked, bound, frozen to death--wore the note strung around his neck. Now there's another note--this one attached to Detective September Rafferty's own stepbrother. Stefan survives, but September is sure he knows more than he's saying. Someone is eliminating suspected sexual predators. And the only thing more dangerous than a madman is a killer who's ruthlessly sane.

**Can't Hide From Love 3** Bianca,2016-10-12 After Trenae, catches her best friend, and ex-boyfriend, together in bed, all hell breaks loose, which lands Trenae in jail facing a lengthy sentence, leaving Nahlij trying to figure out how to get her out, and keep her out. Silas's life seem to be spiraling out of control since he doesn't have Trenae by his side anymore. After the death of someone associated with Silas, more secrets of his start to come to light, which leaves Silas no choice, but to go on the run with one mission in mind: to kill Trenae. With Silas on the run, Nahlij moves Trenae to California, where he knows that she will be safe. Life in California is not as easy as Trenae thought it would be due to a few ghosts of Nahlij's past coming to life. 'What happens in the dark, will come to light' seems to be the theme of this explosive finale. Will the hidden secrets tear all involved apart, or pull them closer together?

Protecting Your Internet Identity Ted Claypoole, Theresa Payton, 2016-11-16 People research everything online – shopping, school, jobs, travel – and other people. Your online persona is your new front door. It is likely the first thing that new friends and colleagues learn about you. In the years since this book was first published, the Internet profile and reputation have grown more important in the vital human activities of work, school and relationships. This updated edition explores the various ways that people may use your Internet identity, including the ways bad guys can bully, stalk or steal from you aided by the information they find about you online. The authors look into the Edward Snowden revelations and the government's voracious appetite for personal data. A new chapter on the right to be forgotten explores the origins and current effects of this new legal concept, and shows how the new right could affect us all. Timely information helping to protect your children on the Internet and guarding your business's online reputation has also been added. The state of Internet anonymity has been exposed to scrutiny lately, and the authors explore how anonymous you can really choose to be when conducting activity on the web. The growth of social networks is also addressed as a way to project your best image and to protect yourself from embarrassing statements. Building on the first book, this new edition has everything you need to know to protect yourself, your family, and your reputation online.

Gender Futurity, Intersectional Autoethnography Amber L. Johnson, Benny LeMaster, 2020-05-07 Gender Futurity, Intersectional Autoethnography showcases a collection of narrative and autoethnographic research that unpacks the complexity of gender at its intersections, i.e. by ability, race, sexuality, religion, beauty, geography, spatiality, community, performance, politics, socio-economic status, education, and many other markers of difference. The book focuses on gender as it is lived, chaperoned, and chaperones other social identity categories. It tells stories that reveal problematic gender binaries, promising gender futures, and everything in between—they ask us to rethink what we assume to be true, real, and normal about gender identity and expression. Each essay, written by both gender variant and cisgender scholars, explores cultural phenomena that create space for us to re-imagine, re-think, and create new ways of being. This book will be useful for undergraduate, postgraduate, and professional degree students, particularly in the fields of gender studies, qualitative methods, and communication theory.

Hide and Secrets Sophie McKenzie, 2021-07-22 A lonely girl, a missing father and a trail of lies . . . From the million-copy bestselling author of Girl, Missing, comes a blockbuster teen thriller that will have you looking for answers round every corner. Fourteen-year-old Cat is lonely - reeling from the loss of her father, she's disconnected from friends and fighting with her mum. But when a new boy, Tyler, arrives for the summer, Cat finds herself opening up to the handsome stranger. A shocking revelation about her dad turns Cat's world on its head. She and Tyler uncover a series of secrets that take them on a perilous journey. With fresh lies exposed and threats from a dangerous gang revealed, will Cat risk everything to keep herself and her family safe? An explosive, edge-of-your-seat new drama from the original queen of teen thrillers, Sophie McKenzie, for fans of Karen McManus and Holly Jackson. 'Sophie's thrillers are in a league of their own – nobody does it better' Phil Earle, author of When the Sky Falls

Where Shadows Hide the Sun, The Last Years D. G. H. Delgado, 2024-01-24 “Amen, Lord. So be it!” Dave waited on God and heard him speak. And now he wishes he hadn’t. The team is finally unified, ready to declare Jesus. But will they get the chance? When the riots begin, and Jed calls for a lockdown . . . When the mosques shout in anger, and an embassy burns . . . When his daughter’s dreams reveal the spiritual battle . . . Dave must cling to what he knows and pray: pray for his students; for his friend who’s in prison; for his daughter who’s going blind; for the demonic to leave his home. Pray. Pray. Pray. And lie to his teammates. Dave can’t go back. There’s no un-seeing Jesus.

**Run, Hide** Carol Ericson, 2013-03-01 If they ever find you, run Those are the words Jenna Stark has lived by for three years. But now the stakes are much higher. Her child is in danger and only one man can keep them alive. The man who forced her into a life on the run: her husband. Cade Stark curses the day he was recruited for a covert ops organization—and the perilous assignment that tore the Navy SEAL from his new wife's side. Cade's only mission now is to protect Jenna and their young son. On the run from a vengeance-seeking arms dealer, desire reignites, hot and unstoppable. That's when Cade realizes how much he'll risk to win back Jenna's trust. And how far he'll go to offer his son a future.

**Heaven & Hell: From God a Message of Faith** Retha McPherson, Aldo McPherson, 2013-02-19 “Message of Faith” is the second book co-authored by Retha McPherson and her teenage son Aldo. It tells of Aldo’s miraculous healing and their supernatural journey since a car accident almost claimed Aldo’s life in 2004. The book contains journal entries in Aldo’s own handwriting wherein he warns the bride of Christ to be ready for the soon arrival of the King. During Aldo’s coma Jesus took him to heaven and hell. “Aldo rarely wanted to talk or write about hell. Jesus said he had to wait for the right time,” Retha explains. She goes on to say, “That time is now here. He recently told me Jesus said to him, ‘Aldo, tell My bride – BE PREPARED, I am coming soon.’” Aldo’s letters will open your eyes to the reality of heaven and hell and the implications of your choices here on earth. The book explains that the road of dying to self and living in Christ is what purifies the bride, and this can only be done if you walk by faith and not by sight – believing that God is who He says He is.

*Data Hiding Techniques in Windows OS* Nihad Ahmad Hassan, Rami Hijazi, 2016-09-08 This unique book delves down into the capabilities of hiding and obscuring data object within the Windows Operating System. However, one of the most noticeable and credible features of this publication is, it takes the reader from the very basics and background of data hiding techniques, and run’s on the reading-road to arrive at some of the more complex methodologies employed for concealing data object from the human eye and/or the investigation. As a practitioner in the Digital Age, I can see this book sitting on the shelves of Cyber Security Professionals, and those working in the world of Digital Forensics - it is a recommended read, and is in my opinion a very valuable asset to those who are interested in the landscape of unknown unknowns. This is a book which may well help to discover more about that which is not in immediate view of the onlooker, and open up the mind to expand its imagination beyond its accepted limitations of known knowns. - John Walker, CSIRT/SOC/Cyber Threat Intelligence Specialist Featured in Digital Forensics Magazine, February 2017 In the digital world, the need to protect online communications increase as the technology behind it evolves. There are many techniques currently available to encrypt and secure our communication channels. Data hiding techniques can take data confidentiality to a new level as we can hide our secret messages in ordinary, honest-looking data files. Steganography is the science of hiding data. It has several categorizations, and each type has its own techniques in hiding. Steganography has played a vital role in secret communication during wars since the dawn of history. In recent days, few computer users successfully manage to exploit their Windows® machine to conceal their private data. Businesses

also have deep concerns about misusing data hiding techniques. Many employers are amazed at how easily their valuable information can get out of their company walls. In many legal cases a disgruntled employee would successfully steal company private data despite all security measures implemented using simple digital hiding techniques. Human right activists who live in countries controlled by oppressive regimes need ways to smuggle their online communications without attracting surveillance monitoring systems, continuously scan in/out internet traffic for interesting keywords and other artifacts. The same applies to journalists and whistleblowers all over the world. Computer forensic investigators, law enforcements officers, intelligence services and IT security professionals need a guide to tell them where criminals can conceal their data in Windows® OS & multimedia files and how they can discover concealed data quickly and retrieve it in a forensic way. Data Hiding Techniques in Windows OS is a response to all these concerns. Data hiding topics are usually approached in most books using an academic method, with long math equations about how each hiding technique algorithm works behind the scene, and are usually targeted at people who work in the academic arenas. This book teaches professionals and end users alike how they can hide their data and discover the hidden ones using a variety of ways under the most commonly used operating system on earth, Windows®.

*Hide and Seek* Rhian Tracey, 2024-02-29 A thrilling mystery adventure based on true historical events, from the author of *I, SPY: A BLETCHLEY PARK MYSTERY*. Ned and his mother leave Bletchley Park on a vital wartime mission into the remote Welsh countryside. Their task: to protect the priceless artwork that is being stored in a slate mine in the village of Manod. As long as its whereabouts are secret, they'll keep the national treasures out of the hands of the enemy. But when it appears that someone in the village is trying to expose the truth, suspicion turns to the newcomers - Ned, his mother, and a young Jewish refugee, Anni. Can Ned, Anni and their friend Harri prove their loyalty to the mission and keep the secret safe? A gripping wartime story, perfect for fans of Phil Earle, Robin Stevens, Lesley Parr and Hilary McKay.

**The New Forensics** Joe Anastasi, 2004-04-14 An in-depth look at the tools, techniques, and tactics used in computer forensics The New Forensics introduces readers to the world of business forensics, using interesting vignettes, interviews, and actual crime reports. It examines recent cases in which the use of computer forensics led to evidence linking executives to fraud and covers issues such as the theft of trade secrets, the use of data mining, money laundering, and other types of theft and fraud. Author Joe Anastasi, a well-respected leader in computer and business forensics, leads the reader on a shadowy journey through top-secret government offices and real-life business investigations while covering the moral and legal issues surrounding corporate crime. Case studies, stories, and interviews help highlight important issues and move the book out of the theoretical into the realm of actual practice. Joe Anastasi (San Francisco, CA) serves as the Global Leader for Deloitte Forensics, which includes the operation of several Cybercrime Computer Forensics labs located around the world. He is a member of the High-Tech Crime Investigation Association and the Association of Certified Fraud Examiners.

**Ask a Manager** Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**Black Pawn** Mel LeBrun, 2020-06-02 After witnessing something he wasn't meant to see, Michael Cailen is caught in a real life game of chess where every move could be his last. A former special ops soldier, he uses his training and skills to stay alive and one step ahead of those hunting him. Jessica Nickoli's life is forever changed when a chance encounter with Michael in a cafe almost leads to her death. Saved by Michael, she must go on the run with him as it becomes clear they intend to kill her now too. As Michael learns more about Jessica's murky past and questionable career as a computer hacker he begins to wonder if there is more to her than meets the eye. He soon realizes it was not mere coincidence that brought them together. With his own survival now dependent on hers, he will stop at nothing to protect her as they work together to bring down the powerful forces working to kill them.
