Fluent Forever Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Breaking Out of Beginner's Spanish Joseph J. Keenan, 2010-01-01 Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious gringo errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, trickster words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner's Spanish will be an essential aid in passing the supreme language test—communicating fluently with native speakers.

Fluent in 3 Months Benny Lewis, 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent in 3 Months*. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

A Frequency Dictionary of Spanish Mark Davies, 2006-05-17 The only up-to-date frequency dictionary of Spanish currently available, this is an invaluable tool for all learners of Spanish that provides a list of the 5,000 most commonly used words in the language. Based on a twenty million word corpus evenly divided between spoken, fiction and non-fiction texts from both Spain and Latin America, the Dictionary provides a detailed frequency-based list, as well as alphabetical and part-of-speech indexes to ensure maximum ease of access to the information and efficiency of use. All entries in the rank frequency list feature the English equivalent, a sample sentence and, where applicable, an indication of major register variation. The Dictionary also contains thirty thematically organized lists of frequently used words on a variety of topics, such as animals, weather, materials, and family terms. A CD version is available to purchase separately. Designed for use by corpus and computational linguists it provides the full text in a format that researchers can process and turn into suitable lists for their own research work

Daily Spanish Lessons Octavio Mendez, 2019-09-23 Are you planning on visiting a Spanish speaking country, but you don't know a word of Spanish? Do you feel like there is just no time in your busy day to learn a new language? Maybe you want to learn Spanish, but you're afraid it will be boring and useless? The thought about traveling to a new country where you can't understand or speak the language can sound scary. But it doesn't have to be. People who think about learning a new language can be filled with dread by the amount of studying and effort that has to be put into it. Learning a new language the right way can be fun and easy! Meaning you don't have to be hunched over multiple Spanish textbooks, studying multiple hours a day. Instead, this book uses interval training. You can learn vocabulary, grammar, and phrases for just 10 minutes a day. In 2016 a study, called *The Right Time to learn* by Paul Smolen for the NCBI journal, he states, [studying] with any considerable number of repetitions a suitable distribution of them over a space of time is decidedly more advantageous than the massing of them at a single time. Meaning you should study for 10-minute intervals every day, to maximize your long term Spanish learning goals. In this book, you will find it easy to understand vocabulary, grammar, and everyday phrases. With just 10 minutes a day, Spanish doesn't need to be hard or impossible to understand. In this eye-opening book, you will find: How understanding 2 of these words is essential in everyday Spanish-and how to use them without making a mistake How you can learn enough Spanish in just 45 days using this one simple studying technique How to use feminine and masculine pronouns correctly - even if you find them confusing The absolute worst 5 common mistakes you could be doing right now as a Spanish learning speaker - and how to avoid them at all cost Why these 6 mystery phrases are essential in everyday restaurant conversations - and when to use them without sounding confused The 23 must need phrases if you ever hope to communicate with Spanish speakers - and when to use them to communicate your wants What native Spanish speakers know about conversing in everyday Spanish by using these 10 simple phrases - and non-native speakers don't Why this crucial mistake on understanding the difference between *estar*- and *ser*- could cause you trouble and confusion in social situations - and how to correct yourself in those situations and much, much more! Committing to Spanish lessons is hard enough. By understanding the science behind Interval training, you can master the vocabulary, grammar, and everyday phrases used in Spanish. So if you want easy to understand Spanish lessons, 10 minute guided lessons, and much more, click Add to Cart now!
