Special Committee on Un-American Activities, 1935

*The Battle for the High Street* Phil Hubbard, 2017-02-01 This book analyses the social and cultural status of high streets in the age of recession and austerity. High streets are shown to have long been regarded as the heart of many communities, but have declined to a state where boarded-up and vacant retail units are a familiar sight in many British cities. The book argues that the policies deemed necessary to revive the fortunes of high streets are often thinly-veiled attacks on the tastes and cultures of the working class. Policy-makers often promote boutiques, art galleries and upmarket cafés at the expense of some of the outlets frequented by less affluent populations, including betting shops, fast food takeaways, discount stores and bargain booze outlets. Highlighting the social and cultural roles that so-called 'dying' high streets continue to play in the lives of working class and disadvantaged populations, this book provides a powerful argument against retail gentrification, and a timely analysis of class conflict in austerity Britain. It will be of great interest to scholars of geography, social policy and cultural studies.

Early Professional Baseball in Hampton Roads Peter C. Stewart, 2014-01-10 This work focuses on the Norfolk team (nicknamed the Mary Janes), which played in the Virginia, Eastern and Atlantic leagues. Much attention is given to the players, coaches and teams of the Virginia League and the local news coverage from 1884 through 1928 as well as the business of baseball, the relations between major and minor league teams, and the controversy over hosting professional baseball games on Sundays. Photographs of the players, cartoons, and an appendix of league statistics are included.

**The Wall Street Professional's Survival Guide** Roy Cohen, 2010-05-06 The Wall Street Professional's Survival Guide: The Secrets of a Career Coach is the only complete, up-to-date, and practical guide for financial industry professionals seeking new or better jobs in today's brutally competitive environment. Author Roy Cohen spent more than 10 years providing outplacement services to Goldman Sachs' employees. In this book, he shares finance-specific job-hunting insights you simply won't find anywhere else. Drawing on his immense experience helping financial industry professionals find and keep outstanding positions, Cohen tells you what to do when and if you're fired (or ready to move), how to develop a "game plan" and search targets, how to build your "story", how to move from the sell-side to the buy side, and much more. You'll find industry-specific guidance on interview strategy, resumes, follow-up, references, and even negotiation with real examples drawn from Cohen's own practice.

**Street Commerce** Andres Sevtsuk, 2020-06-12 A comprehensive analysis of the issues involved in planning for and facilitating successful street commerce Street commerce has gained prominence in urban areas, where demographic shifts such as increasing numbers of single people and childless empty nesters, along with technological innovations enabling greater flexibility of work locations and hours, have changed how people shop and dine out. Contemporary city dwellers are demanding smaller-scale stores located in public spaces that are accessible on foot or by public transit. At the same time, the emergence of online retail undermines both the dominance and viability of big-box discount businesses and drives brick and mortar stores to focus as much on the experience of shopping as on the goods and services sold. Meanwhile, in many developing countries, the bulk of urban retail activity continues to take place on the street, even as new car-oriented shopping centers are on the rise. In light of such trends, street commerce will play an important role in twenty-first-century cities, particularly in producing far-reaching benefits for the environment and local communities. Although street commerce is deeply intertwined with myriad contemporary urban visions and planning goals—walkability, quality of life, inclusion, equity, and economic resilience—it has rarely been the focus of systematic research and informed practice. In *Street Commerce*, Andres Sevtsuk presents a comprehensive analysis of the issues involved in implementing successful street commerce. Drawing on economic theory, urban design principles, regulatory policies, and merchant organization models, he conceptualizes key problems and offers innovative solutions. He provides a range of examples from around the world to detail how different cities and communities have bolstered and reinvigorated their street commerce. According to Sevtsuk, successful street commerce can only be achieved when the private sector, urban policy makers, planners, and the public are equipped with the

relevant knowledge and tools to plan and regulate it.

MasterClass in Geography Education Graham Butt,2015-01-29 MasterClass in Geography Education provides a comprehensive exploration of the major themes in geography education research and pedagogy, drawing on international research. The editor draws together a variety of professional, academic and practitioner perspectives to support professional development of geography teachers. The book incorporates discussion of the place of subject knowledge in geography, the role and function of research in geography education and the relationship between research and practice. Topics covered include: - research and professional practice - constructing geographical knowledge - ethical considerations - carrying out research projects MasterClass in Geography Education will be essential reading for all studying the teaching and learning of geography on PGCE and Education MEd/MA courses.

Cities and Economic Change Ronan Paddison,Tom Hutton,2014-11-28 An invaluable text for all those interested in cities and economic change. Empirically grounded, theoretically informed, and written in a highly accessible way to help students understand processes underlying the changing urban economy, urban governance, and the role of place. - Lily Kong, National University of Singapore Editors and contributors leave readers in no doubt about the extent of the transformations coursing through urban economies in the global north and south. - Kevin Ward, University of Manchester An essential read for anyone interested in the role of cities in the changing global space economy. - James Faulconbridge, Lancaster University A timely and path-breaking contribution to the urban literature. It stands out as an excellent addition to the expanding urban library and a key reference on urban issues. - George C.S. Lin, Hong Kong University Cities and Economic Change combines a sound theoretical grounding with an empirical overview of the urban economy. Specific references are made to key emergent processes and debates including splintered labour markets, informal economies, consumption, a comparative discussion of North and South, and quantitative aspects of globalization. The text is clear and accessible, with pedagogical features and illustrative case studies integrated throughout. The use of boxes for city examples, key questions for discussion at the end of main chapters together with suggested readings and key web sites are designed to aid learning and understanding.

FAQs About Highstreets Pro Books

**What is a Highstreets Pro PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Highstreets Pro PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications

and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Highstreets Pro PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Highstreets Pro PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Highstreets Pro PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or

tools, which may or may not be legal depending on the circumstances and local laws.
