The Oxford Handbook of Hip Hop Dance Studies Mary Fogarty, Imani Kai Johnson, 2022 Featuring contributions from internationally recognized Hip Hop dancers, advocates, and scholars of various Hip Hop or streetdance practices, the Oxford Handbook of Hip Hop Dance Studies is the first collection devoted exclusively to the dances that fall under the rubric of Hip Hop. Each of its five sections explore different key themes relevant to streetdance: legacies and traditions, Hip Hop methodologies, the politics of identity, institutionalization, Hip Hop (dance) theatre, and issues of health, injury, and rehabilitation. This compendium of topics, approaches, theoretical influences, histories, and perspectives demonstrate the futures of a field in formation. It adds new resources to research in dance and Hip Hop studies, contributing to ongoing debates within Hip Hop dance communities globally--

Hip-Hop and Spoken Word Therapy in School Counseling Ian Levy, 2021-05-26 This volume recognizes the need for culturally responsive forms of school counseling and draws on the author's first-hand experiences of working with students in urban schools in the United States to illustrate how hip-hop culture can be effectively integrated into school counseling to benefit and support students. Detailing the theoretical development, practical implementation and empirical evaluation of a holistic approach to school counseling dubbed Hip-Hop and Spoken Word Therapy (HHSWT), this volume documents the experiences of the school counsellor and students throughout a

HHSWT pilot program in an urban high school. Chapters detail the socio-cultural roots of hip-hop and explain how hip-hop inspired practices such as writing lyrics, producing mix tapes and using traditional hip-hop cyphers can offer an effective means of transcending White, western approaches to counseling. The volume foregrounds the needs of racially diverse, marginalized youth, whilst also addressing the role and positioning of the school counselor in using HHSWT. Offering deep insights into the practical and conceptual challenges and benefits of this inspiring approach, this book will be a useful resource for practitioners and scholars working at the intersections of culturally responsive and relevant forms of school counseling, spoken word therapy and hip-hop studies.

Hip Hop Dance Carla Stalling Huntington, 2007-04-06 Tracing the African American dance from the Diaspora to the dance floor, this book covers a social history germane not only to the African American experience, but also to the global experience of laborers who learn lessons from hip hop dance. Examining hip hop dance as text, as commentary, and as a function of identity construction within the confines of consumerism, the book draws on popular cultural images from films, commercials, and dance studios. A bibliography, discography, and filmography are included. Instructors considering this book for use in a course may request an examination copy here.

Behind the Beat Darrelyn Gunzburg, 1992 The Cold Courage band has two great gigs lined up but their new drummer is drinking his way through rehearsals (7

men, 6 women aged 14-20).

Dance, Professional Practice, and the Workplace Angela Pickard, Doug Risner, 2020-01-10 Originally published as a special issue of Research in Dance Education, now with an added chapter, this text acknowledges and celebrates the increasingly diverse careers and employment networks in which dance professionals and dance educators are engaged. Addressing issues and developments relating to the workplace of dance, the text explores what it means to transcend the boundary between dance as passion, and dance as employment. Chapters explore challenges of professional practice including limitations on access, precarity, bodily risk, gender inequality, and sexual harassment, and challenge the status quo to offer readers new ways of thinking about dance, and how this might translate into professional practice and work. Ultimately celebrating the passion which motivates dancers to embark on a professional career, and highlighting the elation and joy which such employment can bring, this volume encourages dance professionals, students, and educators to imagine things differently and develop teaching approaches, curricula, work places, and communities which capitalise on the diversity and dedication of individuals in the field. This text will be of great interest to graduate and postgraduate students, researchers, academics, professionals in the field of Dance, Dance Education, Choreography and related art forms, Curriculum studies and Sociology of Education.

Hip Hop Ukraine Adriana N. Helbig, 2014-05-07 "[A] magnificent study . . .

adds to the burgeoning scholarship on global hip hop and furthers our knowledge of the African diaspora in Eastern Europe.” –Anthropology of East Europe Reviews Featured in NPR’s “Read These 6 Books About Ukraine” In Hip Hop Ukraine, we enter a world of urban music and dance competitions, hip hop parties, and recording studio culture to explore unique sites of interracial encounters among African students, African immigrants, and local populations in eastern Ukraine. Adriana N. Helbig combines ethnographic research with music, media, and policy analysis to examine how localized forms of hip hop create social and political spaces where an interracial youth culture can speak to issues of human rights and racial equality. She maps the complex trajectories of musical influence—African, Soviet, American—to show how hip hop has become a site of social protest in post-socialist society and a vehicle for social change. “This is a unique and admirable book that traces a complex trail from hip hop created by African migrants in Ukraine through remote African-American influences to their origins in Uganda and back again.” –Slavic Review “Portrays the music as a forceful influence on worldwide social and cultural expression.” –Slavonic and East European Review “A well-conceived study of the role and significance of hip hop in Ukraine. It joins the ranks of other very timely chronicles on the impact of hip hop in various societies around the world.” –Allison Blakely, Boston University

Listen to Hip Hop! Anthony J. Fonseca, Melissa Ursula Dawn
Goldsmith, 2021-09-09 Listen to Hip Hop! Exploring a Musical Genre provides an

overview of hip-hop music for scholars and fans of the genre, with a focus on 50 defining artists, songs, and albums. *Listen to Hip Hop! Exploring a Musical Genre* explores non-rap hip hop music, and as such it serves as a compliment to *Listen to Rap! Exploring a Musical Genre* (Greenwood Press, Anthony J. Fonseca, 2019), which discussed at length 50 must-hear rap artists, albums, and songs. This book aims to provide a close listening/reading of a diverse set of songs and lyrics by a variety of artists who represent different styles outside of rap music. Most entries focus on specific songs, carefully analyzing and deconstructing musical elements, discussing their sound, and paying close attention to instrumentation and production values—including sampling, a staple of rap and an element used in some hip hop dance songs. Though some of the artists included may be normally associated with other musical genres and use hip hop elements sparingly, those in this book have achieved iconic status. Finally, sections on the background and history of hip hop, hip hop's impact on popular culture, and the legacy of hip hop provide context through which readers can approach the entries.

The Oxford Handbook of Dance and the Popular Screen Melissa Blanco Borelli, 2014 This text offers new ways of understanding dance on the popular screen in new scholarly arguments drawn from dance studies, performance studies, and film and media studies. Through these arguments, it demonstrates

how this dance in popular film, television, and online videos can be read and considered through the different bodies and choreographies being shown.

Commercial Dance Anthony R. Trahearn, 2023-09-29 This is an exploration of the vital and rapidly evolving world of Commercial Dance, tracing the evolution and merging of Hip-Hop, Club and Jazz dance styles from the music videos of the early 1980s, to today's huge influence on pop music and dance in a multi-media culture. Chapters including 'Iconic Moments' and 'Main Movers' contextualise and analyse culturally significant works and choreographers. With direct contributions from an international array of industry leading dancers, choreographers and creatives - including JaQuel Knight (Beyonce's choreographer), Rich + Tone Talauega (Madonna & Michael Jackson collaborators), Rebbi Rosie (Rihanna's dancer), Dean Lee (Janet Jackson's choreographer) and Kiel Tutin (BLACKPINK's choreographer) - this book shines a light on the creatives in the Commercial Dance industry who have made significant impacts, not just on the world of dance but on popular culture itself. Chapters discussing dance history, copyright law, inclusivity and dance class culture as well as additional contributions from dance scholars enable this book to give credence to Commercial Dance as a legitimate academic area of study. This is a complete and comprehensive textbook for all dance students at any level of study on college, university or conservatory courses.

Foundation Joseph G. Schloss, 2009-03-05 B-boying is a form of Afro-

diasporic competitive dance that developed in the Bronx, NY in the early 1970s. Widely - though incorrectly - known as breakdancing, it is often dismissed as a form of urban acrobatics set to music. In reality, however, b-boying is a deeply traditional and profoundly expressive art form that has been passed down from teacher to student for almost four decades. Foundation: B-boys, B-girls and Hip-Hop Culture in New York offers the first serious study of b-boying as both unique dance form and a manifestation of the most fundamental principles of hip-hop culture. Drawing on anthropological and historical research, interviews and personal experience as a student of the dance, Joseph Schloss presents a nuanced picture of b-boying and its social context. From the dance's distinctive musical repertoire and traditional educational approaches to its complex stylistic principles and secret battle strategies, Foundation illuminates a previously unexamined thread in the complex tapestry that is contemporary hip-hop.

The School Counselor's Guide to Multi-Tiered Systems of Support Emily Goodman-Scott, Jennifer Betters-Bubon, Peg Donohue, Jacob Olsen, 2023-06-20 The revision of this innovative book provides school counseling students, practitioners, leaders, supervisors, and faculty with information and resources regarding the alignment and implementation of school counseling, specifically comprehensive school counseling programs. Complementing and expanding upon the audience's knowledge and implementation of CSCPs such as the ASCA 2019 National Model, chapters include a strong theoretical and

research base as well as related practical examples from the field—including case studies of practicing school counselors, and relevant, hands-on resources and tools to assist school counselors facilitate MTSS. New topics such as culturally sustaining and antiracist practice are woven into the chapters, in addition to covering the response to the COVID-19 pandemic, mental health crises, and capturing timely and current practices in K-12 education and school counseling. Innovative, unique, and including a plethora of useful tools and resources, this guide to MTSS and school counseling is ideal for graduate students and current school counselors in the field.

Dance Appreciation Dawn Loring, Julie Pentz, 2021-01-28 Dance is an activity that everyone can enjoy, and Dance Appreciation will help students do just that. Dance Appreciation is written to encompass the needs of a broad range of dance students, from high school to university level, and is appropriate for students who are new to dance as well as those who are experienced in the art form. The text will help learners discover more about themselves, connect with dance, and make it a relevant and vital part of their lives, whether it is their primary course of study, eventual career path, or simply a way to express themselves and enrich their lives. This text is the only dance appreciation resource that offers ancillary materials for instructors: Instructor ancillaries consisting of an instructor guide, test package, and PowerPoint presentation package make the teaching experience both easier and more effective, whether teaching in face-to-face or online settings. Five

video segments demonstrate elements of dance and offer associated learning and movement activities, bringing the content to life for students. Textbook elements such as learning objectives, key terms, Enduring Understanding statements, Spotlight special elements, and chapter discussion questions help students navigate the chapters and retain the essential content. In addition, related resources delivered through HKPropel supply students with learning activities, individual and group projects, handouts, time lines, suggestions for further reading, video recommendations, and more to facilitate the learning experience. Dance Appreciation helps students understand dance from the perspectives of dancers, choreographers, and professionals in other careers related to dance. Students are introduced to a broad range of dance genres, forms, and styles, and they learn to forge a relationship with dance as an art form, connecting it with other academic and artistic disciplines and with their own life experiences. The text is organized into three parts. Part I, Exploring Dance, provides a foundational understanding of who dances and why, and it introduces the elements of dance and movement principles. Part II, Selected Dance Genres and Styles, covers Western dance genres, examining classical concert dance forms, hip-hop, and aerial and site-specific dance, highlighting notable artists and events. In part III, Connecting With Dance, students delve into aspects of dance performance and production, learning approaches for viewing and responding to dance performances and exploring the role of global interactions, especially

through online content and social media, in developing and transmitting new dance forms and styles. Throughout the text, readers will learn about dance-related career paths. Dance Appreciation offers instructors an up-to-date, comprehensive resource—complete with an array of ancillaries—that ensures that students have the opportunity to become informed, discerning, and responsive dance audience members and gain a broad appreciation of dance as an art form and a lifetime physical activity. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

Critical Pedagogy for Healing Tricia Kress, Christopher Emdin, Robert Lake, 2021-12-02 This is the first book to explicitly link healing and wellness practices with critical pedagogy. Bringing together scholars from Brazil, Canada, Malta and the USA, the chapters combine critical pedagogy and social justice education to reorient the conversation around wellness in teaching and learning. Working against white Eurocentric narratives of wellness in schools which focus on the symptoms, not the causes, of society's sickness, the authors argue for a soul revival of education which tackles, head on, the causes of dis-ease in society, from institutional racism, colonialism, xenophobia and patriarchy. The contributors provide fresh perspectives that address short-term goals of wellness alongside long-term goals of healing in schools and society by attending to underlying causes of social sickness. The chapters bridge theory and practice, bringing diverse historical and contemporary philosophical discussions around wellness into contact with concrete examples of the interconnections between wellness, education, and social justice. Examples of topics covered include: Buddhist practices for healing, Black liberation theology, hip hop pedagogy, anxiety and vulnerability, art therapy and story-telling.

Self-Study and Diversity III , 2021-11-15 This book is about the self-study of teacher education practices at a time when inclusion and diversity are being questioned. Authors of various backgrounds and identities draw on their

own experiences to examine the challenges of preparing teachers.
