The Hip Shot Michael L. Miller,2021-11-30 When Skeeter Ellington doesn't show up for happy hour one Friday afternoon, his drinking buddies fear something is wrong. Skeeter never misses Friday happy hour. Besides, there's little else to do in Preston but drink beer, go fishing, grow pot, or play golf. His buddies Boot, Perch, and Mervin know they must do something. Across town, Hazel Owens struggles to keep a music studio above water, and now her significant other, Dr. Carol Baxley, isn't responding to texts or calls. When a murdered woman is found early one morning in a car at the Urgent Care where Carol works, Hazel's worry turns into dread. Sgt. Barbara Lowrie of the Preston police, a strong-willed Lumbee Indian who has overcome much to climb the ranks, throws herself into the case. She finds a tangled web of hatred, misogyny, and possible criminal collusion within the force. Is the murdered woman connected to Carol Baxley? Are the disappearances of Skeeter and Carol connected? And who is the threatening stranger in town she's heard about? The Hip Shot pulls all these threads together, leading to one exciting conclusion.

Hipshot Ken Heyman,1988 Street photography of the five boroughs of New York City, shot 1984-1985, from the hip with an auto-focus camera. Without looking through the viewfinder 'the appalling variety' of teeming urban life produced by the odd and unexpected angles comes almost too close for comfort. Fascinating perspective on the world and a lovely slice of NYC in the mid-'80s. With an Afterword by the photographer. **Adventure** ,1917

Everything I Know About Life I Learned From My Horse Gwen Petersen,2010-11-10 Gwen Petersen earlier enlightened us on the joys of shoveling manure. Now, in this delightful new collection of pithy and hilarious essays, she explains how her philosophy of life comes with a good dose of horse sense. Here’s advice on how to fall off a horse with style, dressing to avoid embarrassing your equine friend, 1,001 uses for bag balm, perfecting the care and feeding of veterinarians and farriers, cattle drives and brandings, and falling in love all over again (with a horse, that is). Petersen’s words are as amusing as they are instructive, and whether you’re a horse lover or simply someone in need of a down-to-earth laugh, this is a book you won’t want to miss.
