Claes Johansen

The Development of the Historic Drama, Its Theory and Practice Louise Mallinckrodt Kueffner, 1974

The Brothers Asko Sahlberg, 2012-02-15 A Shakespearean drama from icy Finland. Finland, 1809. Henrik and Erik are brothers who fought on opposite sides in the war between Sweden and Russia. With peace declared, they both return to their snowed-in farm. But who is the master? Sexual tensions, old grudges, family secrets: all come to a head in this dark and gripping saga. Why Peirene chose to publish this book: 'This is a historical novel in miniature form. It deals in dark passions and delivers as many twists as a 500-page epic. And if that were not enough, each character speaks in a distinct voice and expresses a unique take on reality. I'm thrilled to be publishing a book that is as Finnish as a forest in winter - but that resembles a work from the American South: William Faulkner's *As I Lay Dying*.' Meike Ziervogel 'A brooding family drama that has something of the timeless quality of good soap opera.' Nicholas Lezard, *Guardian* 'Intensely visual . . . A brooding, atmospheric, Scandinavian late night movie.' Brandon Robshaw, *Independent on Sunday* 'A heart-stoppingly intense historical novel of grand scope.' *White Review* 'This short, intense novel examines concepts of home, inheritance and the connection between personal and international conflict.' Max Liu, *Times Literary Supplement* **LONGLISTED FOR THE INTERNATIONAL IMPAC DUBLIN LITERARY AWARD 2014**

The Boatman and the Boy Claes Johansen, 2020-10-02 By now the sun was up, and through the periscope he minded he could

see the stony plateau in front of the position. On the other side of it were the outskirts of the jungle where the enemy was hiding and building his camps, preparing for new attacks. He observed the vastness of the wild jungle stretching north and west, pierced by hundreds of hilltops, each surrounded by a white fog. French Indochina was a gigantic and mysterious place, and he was gradually losing hope that he would ever find what he had come here searching for. French Indochina in the early 1950's: a badly wounded private in the Foreign Legion, registered under a false name, is admitted to a military hospital. From here we learn about his childhood in Eastern Romania during the 1930s. In a powder keg consisting of Communism, Fascism, anti-Semitism and growing Nazism, Chaim Bercuvitz grows up in the Jewish district of the village of Tetzeda. In this maelstrom of events, the pipe-smoking ferryman and provocateur incarnate, Elisha-shifman, becomes a hero to the boy, as he experiences the monstrosities befalling the Jewish people wherever Nazism takes root. For Chaim it all develops into a personal revenge drama, which through a long journey brings him to a far-off corner of the ailing French colonial empire. *The Boatman and the Boy* is powerful classic novelistic art built on a solidly researched foundation. A captivating and message-carrying work, which elegantly balances human aspects with high politics. Claes Johansen (b. 1957) is one of the most prolific Danish writers of his generation. He is bilingual and has so far published 40 books in Danish and English, written several plays for the Danish and Irish State Broadcasting Corporations and carried out work for several British record labels. He has also played in record-releasing New Wave/Mod Revival bands the Squad and Route 66. Claes Johansen moved from Denmark to England in 1992 and today lives in Ireland along with his wife, with whom he has three daughters.

Water Island Caroline Healy, 2020-08-29 Compelling historical drama, set in 1952 on Sheer Island, off the west coast of Ireland. It is summertime and the Woodford family have come

to lay claim to their contested inheritance. Seventeen year old Clarissa Woodford obediently accompanies her parents, harbouring secret desires of her own. Alone, Clarissa walks to the beach near her new homestead, rolls her skirt up and wades into the ocean, an act of impropriety, as the water soaks her to the waist. She is seen by a local farmer and advances on a journey of self discovery and subsequent loss of innocence. Several years later she returns to Sheer Island, a changed person, searching for the threads of her life that might bind her to the present. In the place where it all began, can she negotiate between what is right and what is best, without her past claiming her, once and for all?

Kongsemnerne Henrik Ibsen, 1915

Kartoffel Noggin P. J. Hoge, 2011-10-10 Kartoffel Noggin, the fifth installment of the Prairie Preacher series, transports readers from the small North Dakota farming community the Schroeder family calls home to war-torn South Vietnam. The year is 1969, and Andy Schroeder, the little boy we first met in Prairie Preacher, is now eighteen and has been drafted by the army to serve in the Vietnam War. During his tour of duty, Andy learns a lot about humanity, morality, and the will to survive. He worries about his family at home, especially his dear Annie who had promised to become his wife. He also befriends a wide variety of characters: Jackson, an Indian boy from South Dakota; Chicago, a young black man from Chicago's inner city; Swede, a tall kid from northern Minnesota; and Bandaid, the medic from Boston. Together, they face death, fear, and tragedy, and forge a special bond that can never be broken. Andy's harrowing experiences force him to shed his simplistic attitude toward morality. He discovers that he is capable of things he never imagined, and he witnesses "good guys" succumb to hatred and "bad guys" display love and compassion. He soon realizes that when he returns to North Dakota, he will not be the same person he was when he left. Though he may leave Vietnam, Vietnam will never leave him.

Letters to Sala Arlene Hutton, 2022-02-01 The remarkable play of a young girl's personal and emotional Holocaust journey Sala Garncarz, daughter of a rabbi and the youngest of 11 children, was 16 in 1940 when she volunteered to take her sister's place in a Nazi work camp. Over the next five years, she endured seven camps and collected, at great risk to herself, a cache of more than 350 letters, postcards, photographs, and other documents sent to her and others during that time. Sala survived the war and moved to America, where, more than 50 years later, she and her family donated her remarkable collection of letters and documents to the New York Public Library, where it went on

to earn wide attention. Through these letters that Sala managed to hide and keep safe, *Letters to Sala* tells the story of her experiences and those of others in the web of Nazi labor camps in occupied Europe, a less-documented and less-familiar aspect of the Holocaust. Adapted by award-winning playwright Arlene Hutton from the book *Sala's Gift* by Ann Kirschner, *Letters to Sala* has been produced off-Broadway at The Barrow Group and with more than 100 productions.
