📖 **ASK A MANAGER** ALISON GREEN,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

📖 **THE SENSE OF AN ENDING** JULIAN BARNES,2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, The Sense of an Ending has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes’s oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

📖 **THE GUYDE** HOWIE REITH,2016-11-19 The Guyde is the most comprehensive men’s dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you’ll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the law of attraction. You won’t be reading anecdotes telling you about my successes or opinions; you’ll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you’ll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You’ll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We’ll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You’ll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You’ll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and ghosting. You’ll learn how to interact physically while being sensitive to your date’s wishes, as well as how to perform better in bed. You’ll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you’ll come to understand a bit about what it’s like to date from a woman’s perspective, including many of the cultural factors they face that most men don’t understand. The Guyde is a labor of love. I wrote it to be everything I wish I’d known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

📖 **TALKING TO STRANGERS** MALCOLM GLADWELL,2019-09-10 MALCOLM GLADWELL, host of the podcast Revisionist History and author of the #1 New York Times bestseller Outliers, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn’t true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don’t know. And because we don’t know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller David and

GOLIATH, MALCOLM GLADWELL HAS WRITTEN A GRIPPING GUIDEBOOK FOR TROUBLED TIMES.

📖 **Men Are from Mars, Women Are from Venus** JOHN GRAY,1993-04-23 Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles (get close, back off), and female self-esteem fluctuations (I’m okay, I’m not okay). He encourages readers to accept the other gender’s particular way of expressing love, and helps men and women learn how to fulfill each other’s emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner’s behavior and methods for preventing emotional trash from the past from invading new relationships, *Men Are from Mars, Women Are from Venus* is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.

It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. Next to penicillin laughter is the best medicine.

📖 **Fix Her Up** TESSA BAILEY,2019-06-11 The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sink!* Georgette Castle’s family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven’t taken her seriously since. Frankly, she’s over it. Georgie loves planning children’s birthday parties and making people laugh, just not at her own expense. She’s determined to fix herself up into a woman of the world... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn’t been on a date since, well, ever. Nobody’s asking the town clown out for a night of hot sex, that’s for sure. Maybe if people think she’s having a steamy love affair, they’ll acknowledge she’s not just the “little sister” who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball’s hottest rookie when an injury ended his career. Now he’s flipping houses to keep busy and trying to forget his glory days. But he can’t even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there’s Georgie, his best friend’s sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What’s the harm? It’s not like it’s real. But the girl Travis used to tease is now a funny, full-of-life woman and there’s nothing fake about how much he wants her... “Her voice feels as fresh and contemporary as a Netflix rom-com.” —Entertainment Weekly “Fix Her Up ticks all my romance boxes. Not only is it hilarious, it’s sweet, endearing, heartwarming and downright sexy. It’s a recipe for the perfect love story.” – Helena Hunting, New York Times bestselling author of *Meet Cute*
