*Bible Nation* Candida R. Moss, Joel S. Baden, 2019-07-16 How the billionaire owners of Hobby Lobby are spending hundreds of millions of dollars to make America a "Bible nation" The Greens of Oklahoma City—the billionaire owners of the Hobby Lobby chain of craft stores—are spending hundreds of millions of dollars in an ambitious effort to increase the Bible's influence on American society. In *Bible Nation*, Candida Moss and Joel Baden provide the first in-depth investigative account of the Greens' sweeping Bible projects. Moss and Baden tell the story of the Greens' efforts to place a Bible curriculum in public schools; their rapid acquisition of an unparalleled collection of biblical antiquities; their creation of a closely controlled group of scholars to study and promote the collection; and their construction of a \$500 million Museum of the Bible in Washington, D.C. Revealing how all these initiatives promote a very particular set of beliefs about the Bible, the book raises serious questions about the trade in biblical antiquities, the integrity of academic research, and the place of private belief in public life.

**More Than a Hobby** David Green, 2010-07-26 The retail industry has undergone enormous changes during the last thirty years. But there is one retailer that not only has remained consistent in the fluctuating?even tenuous?market, but also has grown in the process. *More Than a Hobby* takes you inside the story of David Green, the man who built the phenomenal success of Hobby Lobby. Green went beyond surviving in a competitive retail market to thriving, ultimately expanding his \$600 start-up company into a \$1.3 billion per-year enterprise. Green's incredible accomplishments were based not on business-school theory but on his grassroots experiences as a store manager and his creative application of cutting edge ideas, including: Allow managers to spend no more than thirty minutes per day on paperwork Instead of paying a middleman, assemble as much of the product as possible in-house Give buyers the freedom to purchase without restraint—but within the realm of common sense Keep God and family first *More Than a Hobby* is a practical field manual, filled with revolutionary ideas for all those who dream of success in the world of retail business.
