**The Games Do Count** Brian Kilmeade, 2008-12-13 What do Henry Kissinger, Jack Welch, Condoleezza Rice, and Jon Bon Jovi have in common? They have all reached the top of their respective professions, and they all credit sports for teaching them the lessons that were fundamental to their success. In his years spent interviewing and profiling celebrities, politicians, and top businesspeople, popular sportscaster and Fox & Friends cohost Brian Kilmeade has discovered that nearly everyone shares a love of sports and has a story about how a game, a coach, or a single moment of competition changed his or her life. These vignettes have entertained, surprised, and inspired readers nationwide with their insight into America's most respected and well-known personalities. Kilmeade presents more than seventy stories straight from the men and women themselves and those who were closest to them. From competition to camaraderie, individual achievement to teamwork, failure to success, the world of sports encompasses it all and enriches our lives. *The Games Do Count* reveals this simple and compelling truth: America's best and brightest haven't just worked hard -- they've played hard -- and the results have been staggering!

*Slap Shot Original* Dave Hanson, Ross Bernstein, 2013-10-01 More than 30 years after its cinematic debut, *Slap Shot* remains one of the most popular sports movies of all time, and this book is actor Dave Hanson's firsthand account of its making. Starring the legendary Paul Newman, the movie was based on the hilarious and outrageous antics of the fictitious Charlestown Chiefs, a tough-as-nails minor league hockey team in the early 1970s. In financial trouble and due to fold at the end of the season, they bring in the Hanson Brothers—three of the toughest hockey players around—in a desperate bid to sell tickets. What ensues is pure comic genius. Here, Dave Hanson—who played ringleader Jack Hanson in the film—not only opens the vault and dishes the dirt on the making of the movie, from the bench-clearing brawls and the practical jokes on set to the legendary partying that went on during filming,

but also explores how the movie changed his and many of the cast and crew's lives forever.

**Block That Shot: The Bob Chrystal Story** Bob Chrystal, Ty Dilello, 2018-09-10 Bob Chrystal is possibly the only player in hockey history to have been coached by each of the famous New York Rangers Bread Line members from the 1920's and 1930's (Bill Cook, Bun Cook, Frank Boucher) during his time in Denver, Cleveland and New York respectively. In his autobiography, the now 88-year-old Chrystal teams up with hockey historian and author Ty Dilello to tell his fascinating life story titled Block That Shot, which was a common phrase coaches yelled at Bob from the bench throughout his career because of his knack for shot blocking. In Block That Shot, Chrystal recalls his childhood and growing up in Winnipeg, to taking part in the only eight-game Memorial Cup final ever played, to his brief tenure as a professional boxer while playing for the Cleveland Barons, and scoring the Calder Cup winning goal in game seven overtime for the Barons. Bob went on to play 132 games over two seasons in the National Hockey League with the New York Rangers from 1953 to 1955. Chrystal talks about battling night-in and night-out with the top players of his time such as Gordie Howe, Rocket Richard, Ted Kennedy, Ted Lindsay, and more. He also discusses his run-in with coach Phil Watson and how Phil single-handedly ended Bob's NHL career. Throughout his hockey career, Bob's father compiled a half-dozen or scrapbooks full of newspaper clippings, photos, telegrams, etc., from his son's playing days. You will see the

contents of those scrapbooks sprinkled throughout the book to further give a glimpse into the life of a professional hockey player in the 1950's. *Block That Shot* is sure to be a hit for any hockey fan young and old. ---Much has been written about the stars of the Original Six but very little about those who played in the shadow of such legends as Gordie Howe, Bobby Hull and Rocket Richard. *Block That Shot* goes a long way toward remedying this oversight. In this engaging memoir (written with Ty Dilello), Chrystal, a veteran of 132 career NHL games with the New York Rangers shares his own personal hockey journey from the Memorial Cup to the Calder Cup and all points in between. - Todd Denault, author of *Jacques Plante: The Man Who Changed the Face of Hockey* Every hockey player has a story worth learning. Sometimes it is the players you know little about who have the best stories. You likely have never heard of Bob Chrystal, but it won't take long before you will be enthralled with his story and be cheering him on as you read *Block That Shot*. - Joe Pelletier, *GreatestHockeyLegends.com* By detailing the life of Bob Chrystal, a lesser known defenseman whose career could have gone differently, Ty Dilello has preserved a little bit more of hockey history, from the minors to the pros, and we are all richer for it. - Greg Oliver, author of *Father Bauer and the Great Experiment: The Genesis of Canadian Olympic Hockey* ---TY DILELLO is an accredited writer with the International Ice Hockey Federation (IIHF) and is a member of the Society for International Hockey Research (SIHR). He has been a hockey fan since Peter Bondra led the Washington Capitals to the Stanley Cup Finals in 1998. Ty plays extensively on the World Curling Tour in the winter and can probably be found on a tennis court during the summer months.

**Hat Tricks Count** Matt Napier, 2013-08-15 The companion volume to our bestselling, *Blue Spruce Award* winner, *Z is for Zamboni: A Hockey Alphabet*. Like our alphabet series our counting books are written in a two-tier format with charming poems for young readers and expository text for older readers. Young sports fans see numbers everywhere--the scoreboard, the retired jerseys in the rafters, the numerology of sports stats--and *Hat Tricks Count: A Hockey Number Book* delivers them faster than an assist from the Great One, number 99 himself. *Hat Tricks Count* will answer many of the fast paced questions kids have. What is a Hat Trick, anyway? Cross checking, high sticking, and hooking penalties add up to what? Who scored more career goals--Gordie Howe or Wayne Gretzky?
