Victor M. Corman

**Here, Hold My Beer** VJ Dunn, Stories that will break your funny bone and keep you in stitches...and you won't have to go to the ER! Humor/satire dad book about the dumb things that guys will sometimes do...you know, those decisions that usually start with a trip to the liquor store and end with a trip to the ER. Or to the police station. And almost always to the doghouse. These are The fish was THIS BIG stories that are sorta-kinda mostly true. You know those videos where men do things like balance a ladder on a stair railing, use a handcart in place of a spare tire, or light firecrackers and launch them at each others' crotches? Well, this is a compilation of stories such as those where some man somewhere has a moment of sheer stupidity and asks his friends to hold his beer while he tries to kill himself. So if you like to hear those chill 'round the fire pit, guzzlin' six packs and spittin' tobacco at the flames kind of stories, this book is for you. DISCLAIMER--Now, because we're dealing with good ol' boys who are common sense challenged and grew up watching Evel Knievel performing jaw-dropping gravity-defying stunts, I have to make the standard cover-our-butts-so-we-don't-get-sued statement: MEN--If you really think you should try some of the stunts in this book, you probably ought to consider finding a sensible woman to marry. Seriously. Or call yo mama before you hand over that beer, dude. WOMEN--If you are a sensible gal who is considering getting into a relationship with a man who has ever said, Here, hold my beer just before he tried any similar stunts to those

in this book, you may want to call your mama and get some good advice. Or maybe just go out with the girls for a glass or three of wine and meet someone less inclined to life and limb endangerment. Otherwise, count on knowing 911 operators on a first-name basis and spending a lifetime sipping burned coffee out of cardboard cups, while squirming on hard plastic chairs next to sneezing snot-nosed kids and watching ridiculous talk shows in the ER waiting room. You. Have. Been. Warned.

Open Here, You Hold the Keys Suzanna Stinnett, 2002 We must begin now, with small steps, today, to recognize and become all that we are meant to be: Powerfully imaginative, multidimensional beings walking on the earth with compassion, joy, and an open-armed inspiration to share with the world. We are the material of a metamorphosis. We are love, and we are whole beings. Two things are missing: One is recognition of our resourcefulness. The other is deliberate choice. CAN YOU IMAGINE what you would create? Love? Health? Time? Community? Joy? You hold the keys. Open: start your future here. Use the tools in this book to: Develop your unique expression Realize your joy is what we all need Engage your imagination's limitless world Attract abundance through deliberate optimism Manifest your vision for a positive future The most radical activism is to re-invent our lives. S.B.Stinnett is a kind of docent of the metaphysical, leading us toward a refreshingly illuminating vision of how our lives might be changed. In a culture starved of practical spiritual approaches, this book arrives

in the nick of time. Relax into it, and your imagination will join you fully. -Molly Albracht, California Poets in the Schools Stinnett tilts & bumps the model as we now know it. Speaking directly to the hidden optimist in us, she provocatively points us to our own true north, guiding us through the daily debris to the enchanting, connected destiny we all share. -Susan B. Gross, Author-Illustrator

**You Hold Me Up** Monique Gray Smith, 2017-10-31 Encourage children to show love and support for each other and to consider each other's well-being in their everyday actions. Consultant, international speaker and award-winning author Monique Gray Smith wrote *You Hold Me Up* to prompt a dialogue among young people, their care providers and educators about reconciliation and the importance of the connections children make with others. With vibrant illustrations from celebrated artist Danielle Daniel, this is a foundational book about building relationships, fostering empathy and encouraging respect between peers, starting with our littlest citizens.

*Little Nemo - The Complete Comic Strips (1910)*  
by Winsor McCay (*Platinum Age Vintage Comics*)  
Winsor McCay, 2013 This comic ebook presents *Little Nemo - The Complete Comic Strips (1910)* by Winsor McCay: 52 full color comic strips in ultra high definition (each page ca. 1700 pixels by 2200 pixels) for your eReader. Little Nemo is the main fictional character in a series of weekly comic strips by Winsor McCay that appeared in the New York Herald and William Randolph Hearst's New York American newspapers respectively from October 15, 1905 – July 23, 1911 and September 3, 1911 – July 26, 1914. The strip was first called Little Nemo in Slumberland and then In the Land of Wonderful Dreams when it changed papers in 1911. Although a comic strip, Little Nemo is far from a simple children's fantasy; it is often dark, surreal, threatening, and even violent. The original set-up of the comic revolved around the nightly dreams of a little boy named Nemo (meaning nobody in Latin). The purpose of his early dreams was to reach 'Slumberland', the realm of King Morpheus, who wanted him as a playmate for his daughter, Princess Camille. The last panel in each strip was always one of Nemo waking up, usually in or near his bed, and often being scolded (or comforted) by one of the grownups of the household after crying out in his sleep and waking them. In the earliest strips, the dream event that woke him up would always be some mishap or disaster that seemed

about to lead to serious injury or death, such as being crushed by giant mushrooms, being turned into a monkey, falling from a bridge being held up by slaves, or gaining 90 years in age. Later on, when Nemo finally did reach Slumberland, he was constantly being woken up by Flip, a character who originally wore a hat that had 'Wake Up' written on it. Flip would go on to be one of the comic's seminal characters. Other notable recurring characters included: Dr. Pill, The Imp, the Candy Kid and Santa Claus as well as the Princess and King Morpheus. Certain episodes of the strip are particularly famous. These include the Night of the Living Houses wherein Nemo and a friend are chased down a city street by a gang of tenement houses on legs; the Walking Bed, in which Nemo and Flip ride over the rooftops on the increasingly long limbs of Nemo's bed; and the Befuddle Hall sequence, wherein Nemo and his friends attempt to find their way out of a funhouse environment of a Beaux-Arts interior turned topsy-turvy. McCay's mastery of perspective, and the extreme elegance of his line work, make his visions graphically wondrous.

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in

the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch

A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.
