This Is What America Looks Like ILHAN. OMAR, 2020-05-28 Ilhan Omar's career is a collection of historic firsts: she is the first refugee, the first Somali-American and one of the first two Muslim women to serve in the United States Congress. Against a xenophobic and divisive administration, she has risen to global fame as a powerful voice in the Democratic Party's new

progressive chorus of congresswomen of colour.'This Is What America Looks Like' is a tale of the aspirations, disappointments, successes and surprises in the life of an immigrant and Muslim in the US today. This is Omar's story told on her own terms: from a childhood in Mogadishu and four long years at a Kenyan refugee camp, to her arrival in America--penniless and speaking only Somali--and her triumphant election to the US House of Representatives. In the face of merciless slander and constant attacks from opponents in both parties, Omar continues to speak up for her beliefs. Courageous, hopeful and defiant, her memoir is marked by her irrepressible spirit, even in the darkest of times.

The Gifts of Reading Robert Macfarlane, 2017-06-01 From the acclaimed author of *The Old Ways* and *Landmarks* -- an essay on the joy of reading, for anyone who has ever loved a book Every book is a kind of gift to its reader, and the act of giving books is charged with a special emotional resonance. It is a meeting of three minds (the giver, the author, the recipient), an exchange of intellectual and psychological currency, that leaves each participant enriched. Here Robert Macfarlane recounts the story of a book he was given as a young man, and how he managed eventually to return the favour, though never repay the debt. From one of the most lyrical writers of our time comes a perfectly formed gem, a lyrical celebration of the transcendent power and humanity of the given book.
