Holy Bible American Standard Version Bible
Domain Publishing, 2013-12-14 OLD & NEW TESTAMENT

The American Standard Version (ASV) came into being due to the leadership of Phillip Schaff, who assembled a team comprised of 30 American and British scholars. Work on the ASV was completed in 1901. The translation was tasked with the goal of an accurate, literal, word-for-word translation of the Holy Scriptures. The ASV took advantage of two 19th century developments to achieve their goal: improvements in understanding the grammar and syntax of koine Greek (the language of the New Testament), and a more complete library of manuscripts than previous Bible translators had access. As a result of this work the ASV translation was developed that retained distinctions made in Greek that are not normally expressed in modern English. For example, second person personal pronouns in modern English usage are normally you which gives no distinction between the singular and plural. Koine Greek unambiguously makes the distinction between a second person personal singular pronoun and the second person personal plural pronoun. In this case the ASV retained these distinctions by using archaic English (you for the singular and ye for the plural). The word-for-word translation of the ASV was attractive in the scholarly environment, and the ASV was adopted as the standard version used by many American seminaries. The ASV is the foundation and starting point for several modern translations. Hence it is a very good reference and even primary translation to use. Note:

Paperback is 8.5x11 with regular thickness pages for durability. Also only 476 pages for portability. Note2: Tiny Font (Font=6) has been replaced with a Moderate Font (Font=8). Area needed is twice but it IS a great deal more READABLE. Your complaints have been heard!

Holy Bible, The American Standard Version, Yahweh Edition Various, 2017-04-12 A reprint of the classic American Standard version of the Holy Bible. This reprint is more of a reference and study tool rather than a devotional Bible. The verses all begin on their own lines to make it easier to reference certain verses and the durable paper the book is printed on makes it easier to make notes right in this Bible without having to markup that beautiful leather edition that you keep. As well the edition has replaced all the Jehovah's with what most scholars believe is the name of God in the Old Testament, Yahweh.

The Living Bible, Paraphrased Tyndale House Publishers, 1971 A compilation of the Scripture paraphrases previously published ... under the following titles: Living letters, 1962; Living prophecies, 1965; Living gospels, 1966; Living psalms and proverbs, 1967; Living lessons of life and love, 1968; Living book of Moses, 1969; Living history of Israel, 1970.

Scripture John 15 1 I am the true vine, and my Father is the husbandman. 2 Every branch in me that beareth not fruit, he taketh it away: and every branch that beareth fruit, he cleanseth it, that it may bear more fruit. 3 Already ye are clean because of the word which I have spoken unto you. 4 Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; so neither can ye, except ye abide in me. 5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same beareth much fruit: for apart from me ye can do nothing. 6 If a man abide not in me, he is cast forth as a branch, and is withered; and they gather them, and cast them into the fire, and they are burned. 7 If ye abide in me, and my words abide in you, ask whatsoever ye will, and it shall be done unto you. 8 Herein is my Father glorified, that ye bear much fruit; and so shall ye be my disciples. 9 Even as the Father hath loved me, I also have loved you: abide ye in my love. 10 If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love. 11 These things have I spoken unto you, that my joy may be in you, and that your joy may be made full. Published by Zeiset. Our mission is basic but fundamental - that people read the Holy Bible for what it is and for what it says.

The Cross-reference Bible Harold E. Monser, 1910
Holy Bible: American Standard Version God-breathed, 2020-03-08 Originally there were no such things as chapters or verses in the Holy Scriptures. Let us go back to how it was and how it should be. Let us read the Holy Scriptures

easily without any interruption of numbers. The chapter divisions commonly used today were developed by Stephen Langton, an Archbishop of Canterbury. Langton put the modern chapter divisions into place in around A.D. 1227. The Wycliffe English Bible of 1382 was the first Bible to use this chapter pattern. Since the Wycliffe Bible, nearly all Bible translations have followed Langton's chapter divisions. The Hebrew Old Testament was divided into verses by a Jewish rabbi by the name of Nathan in A.D. 1448. Robert Estienne, who was also known as Stephanus, was the first to divide the New Testament into standard numbered verses, in 1555. Stephanus essentially used Nathan's verse divisions for the Old Testament. Since that time, beginning with the Geneva Bible, the chapter and verse divisions employed by Stephanus have been accepted into nearly all the Bible versions. -Gotquestions.org-
