The Promise of Ten Mubashir Anwar, 2015-09-12 The story of a young man on the pursuit of memorising the Qur'an and the guiding steps anyone can take to lead a successful and significant life. The Promise of Ten chronicles Qari Mubashir's journey to the Qur'an and its memorisation. His story takes readers behind the scenes with stories and insights. This is an inspiring book that will give you the tools to make your own life a story worth telling. It teaches lessons learnt at every stage of Hifz including (a) the start (b) the memorising phase (c) revision (d) teachers (e) the difficult moments and (f) productivity. Who is The Promise of Ten: How an ordinary person can memorise the Qur'an in 6 months for? 1. The Preserver (The Hafidh) If you are someone who has memorised the Qur'an but you are struggling to maintain things, you need this book. 2. The Memoriser (want-to-be Hafidh) If you want to make better plans, decisions, find a method that suits you, this book will help. 3. Want inspiration! If you feel like it's time to start working on your long old desire to memorise, this is the book for you. About the author Qari Mubashir began memorising the Qur'an when he was just twelve years old, struggling down the path to a successful completion. A small incident created a staggering series of events that eventually took Mubashir travelling through the lands of Egypt. Since then, he's been teaching, studying further, and founding many initiatives.

Surah An-Naba Explained Dr Muddassir Khan,2020-12-23 It's finally time for you to take the step towards memorization of the Quran. The best way to memorize the Quran is by first understanding it. This book contains the word to word translation of the Quran and also a detailed explanation of every verse. The explanation is based on the classical authentic Tafseer of the Quran. So, by reading it you will not forget the Quran in-sha-Allah. Since this explanation will help you understand what the word means, it will be much easier for you to memorize. This book will simplify the memorization process. So, before you memorize any passage from this Surah, please read its translation and explanation. Happy memorization of the Quran!

A History of the Apocalypse Catalin Negru,2018-07-26 Every generation of people think that their problems are the most important ever. As history flows without interruption and doomsday scenarios fail, the following generations focus on their own contemporary events, ignoring or underestimating the past. In this way people always see signs in their times and the end of the world is constantly a fresh subject.

Steps Towards Memorization of the Quran Khan,Muddassir Khan,2017-02-04 Almost every Muslim wishes to memorize the Quran and many have decided to take this journey, yet most do not have an idea of how to go about doing this blessed task. This book will give you the advice of the great scholars and students of knowledge, which will help you accomplish this. Memorization is the Sunnah of the Prophet (peace be upon him). There are many more numerous benefits of memorization which this book intends to highlight. This book explains the important points to keep in mind while memorizing the Quran. It will give techniques that you can use for a successful memorization. This work is based on the advice of many scholars.

My Quran Memorization Progress Book Talha Ali,2019-09-11 This is a unique and extremely helpful tool for Quran memorization (hifz) students, their parents, and their teachers. Quran memorization schools in the United States have used it in their full time and part time hifz programs. It is a comprehensive and easy to fill out book for monitoring an individual student's progress. It tracks progress in all lessons (new lesson, attached lesson, and revision) in an quick and easy to fill format. Additionally, it contains valuable and general information for parents and teachers on the hifz curriculum, standards, and expectations. Various tests (Juz Test, 5 Juz Test, and Tajwid Test) are included, along with tools such as an Islamic Studies (aqidah and fiqh) checklist to track the acquisition of minimum necessary knowledge for a hafiz.

Useful guide on memorizing the Quran Samir Nuhu,2016-03-31 This book would be an eye opener and a useful guide in memorization of the

glorious Quran. It is rooted and backed in every aspect by the Qur'an and Sunnah. May Allah guide us

Better, Not Bitter Yusef Salaam, 2021-05-18 Named a Best Book of 2021 by NPR This inspirational memoir serves as a call to action from prison reform activist Yusef Salaam, of the Exonerated Five, that will inspire us all to turn our stories into tools for change in the pursuit of racial justice. They didn't know who they had. So begins Yusef Salaam telling his story. No one's life is the sum of the worst things that happened to them, and during Yusef Salaam's seven years of wrongful incarceration as one of the Central Park Five, he grew from child to man, and gained a spiritual perspective on life. Yusef learned that we're all born on purpose, with a purpose. Despite having confronted the racist heart of America while being run over by the spiked wheels of injustice, Yusef channeled his energy and pain into something positive, not just for himself but for other marginalized people and communities. *Better Not Bitter* is the first time that one of the now Exonerated Five is telling his individual story, in his own words. Yusef writes his narrative: growing up Black in central Harlem in the '80s, being raised by a strong, fierce mother and grandmother, his years of incarceration, his reentry, and exoneration. Yusef connects these stories to lessons and principles he learned that gave him the power to survive through the worst of life's experiences. He inspires readers to accept their own path, to understand their own sense of purpose. With his intimate personal insights, Yusef unpacks the systems built and designed for profit and the oppression of Black and Brown people. He inspires readers to channel their fury into action, and through the spiritual, to turn that anger and trauma into a constructive force that lives alongside accountability and mobilizes change. This memoir is an inspiring story that grew out of one of the gravest miscarriages of justice, one that not only speaks to a moment in time or the rage-filled present, but reflects a 400-year history of a nation's inability to be held accountable for its sins. Yusef Salaam's message is vital for our times, a motivating resource for enacting change. *Better, Not Bitter* has the power to soothe, inspire and transform. It is a galvanizing call to action.

Holy Quran for Beginners ,1999

Juz Amma For Kids Bilingual Edition Jannah Firdaus Mediapro, 2019-01-09 The Holy Quran literally meaning the recitation; also romanized Qur'an or Koran is the central religious text of Islam, which Muslims believe to be a revelation from God (Allah).[1] It is widely regarded as the finest work in classical Arabic literature. The Quran is divided into chapters (surah), which are then divided into verses (ayah). Muslims believe that the Quran was verbally revealed by God to the final Prophet Muhammad SAW through the archangel Gabriel (Jibril) gradually over a period of approximately 23 years,

beginning on 22 December 609 CE, when Prophet Muhammad SAW was 40, and concluding in 632, the year of his death. Muslims regard The Holy Quran as the most important miracle of Muhammad, a proof of his prophethood, and the culmination of a series of divine messages that started with the messages revealed to Prophet Adam (Pbuh) and ended with Prophet Muhammad SAW. A juz (literally meaning part) is one of thirty parts of varying lengths into which the Quran is divided. Division into juz has no relevance to the meaning of the Quran and anyone can start reading from anywhere in the Quran. During medieval times, when it was too costly for most Muslims to purchase a manuscript, copies of the Quran were kept in mosques and made accessible to people; these copies frequently took the form of a series of thirty parts (juz'). Some use these divisions to facilitate recitation of the Quran in a month-such as during Ramadan, when the entire Quran is recited in the Tarawih prayers, usually one juz a night. The most commonly memorized juz is juz 'amma, which is the 30th juz and contains chapters (sura) 78 through 114, most of the shortest chapters of the Quran. Juz 'amma is named after the 1st word of the 30th chapter (chapter 78).

Arabic with Husna Nouman Ali Khan,2016-01-20 Arabic With Husna is a first of its kind, comprehensive Qur'anic Arabic curriculum that leverages best teaching practices based on experience with thousands of students, enhanced study materials designed to optimize student learning and most importantly video resources in order to ensure a rich, engaging, meticulously organized and result driven learning experience for children and adults alike. This curriculum was put together by a team of educators in collaboration with Ustadh Nouman Ali Khan at the Bayyinah Institute. Book 1 is a thorough study of the *Ism* (noun) in Arabic. At the end of the book, a student will be able to describe in detail the meaning and properties of each *Ism* in the first ten ayaat of Surah Kahf.

So You Want To Memorize The Quran? Dr Muddassir Khan,2021-01-06 Memorization (tahfeeth) of the Quran was the earliest form of transmission of the text and has been practiced by Muslims since the beginning of revelation. The Quran is perhaps the only book in human history that has such an exceptional tradition of oral transmission that can be traced back to the Prophet (peace and blessings of Allah be upon him) himself. Although many

Muslims known as hufadh (memorizers) have memorized the entire Quran, every Muslim should memorize as much as possible. It is narrated by Ibn Abbas that the Messenger of Allah (peace and blessings of Allah be upon him) said: He in whose heart there is no part of the Quran is like an abandoned house. Reciting the entire Quran in a melodious voice, without error or hesitation, is a dream for some, and a reality for others. Yet the Word of Allah is true: And We have indeed made it easy to understand and memorize the Quran. Is there anyone who will remember? (Surah Al-Qamar 17) Most of us assume that we have a bad memory that cannot keep important and sometimes even basic information and that memorizing the Holy Quran is one of the most difficult tasks a person can embark on. We often think that this is not for me or that I could never do it. These are some of the many obstacles that we tend to create that ultimately discourage us from the idea of starting to memorize the Holy Quran. Among people are those who have memorized the whole of the Quran. We find men, women, children, scholars, ordinary people, workers, peasants, illiterates, people who do not understand a word of Arabic - but they have memorized the Quran. What do they have in common? Their love for Allah and His Book, the firm will to memorize and endurance in the effort that this task implies. This book is intended to be the starting point and the roadmap for all those who sincerely wish to memorize the Quran but do not know how to do it. Each of us can learn the Quran in whole or in part. It is only necessary to know the conditions and rules which govern this knowledge, to choose an effective method, and to be patient and constant in the effort

Quick Quran Memorization Technique - Book 2: Verbal Maps for All the Surahs of The Holy Quran Hazem Elzarka, This book contains the Third tool of the “Quick Quran Memorization Technique”. The “Quick Quran Memorization technique” was developed by the author over the last 10 years based on the research results of the science of memory and modern technology to enable anyone to memorize and review the Entire Quran, regardless of their age, in as little as 1 year. The “Quick Quran Memorization technique” provides a person who wants to memorize the Quran with an innovative verbal map of the entire memorization journey that can be recited in less than 5 minutes. The author, Dr. Hazem Elzarka, is an Engineering University Professor in the USA with over 20 years of experience developing and delivering innovative successful Higher Education programs in over 20 countries. Originally from Egypt, he formally learned Quran Tajweed (proper Quran recitation) and Islamic History. The “Quick Quran Memorization Technique” requires 3 tools that the author has developed: A book containing the Holy Quran divided in 550 sections and 1702 subsections using colors to highlight the most repeated words. Audio recordings of all the sections and subsections with correct recitation A book containing verbal maps for all the surahs of the Holy Quran that help students to efficiently combine the small sections that have been memorized separately and provides an innovative verbal map of the entire Quran memorization journey that can be recited in less than 5 minutes. One of the biggest benefits of “Quick Quran Memorization Technique” is that it diversifies the methods of memorization and stimulates many types of memory, such as sensory, visual, auditory and photographic memory, and all of this helps to improve the memorization and revision process. This book contains the third tool of these aforementioned tools, “Verbal maps for all the surahs of the Holy Quran”. The book also provides a memorization schedule that includes suggested required days needed for memorizing each Surah. The first tool, “The Holy Quran divided in sections and subsections using color to highlight the most repeated words” is available in another book. The second tool, “the audio recordings of all the sections and subsections”, can be downloaded for free using the link below
