**Wally Conway**

**Home inspection for beginners** Fred L. Marshall, 2023-03-07 Home Inspection for Beginners is a great way to get started with home inspections. This book gives a complete look at the home inspection process and the tools and methods used in the field. It is written in a way that is easy to understand. The first part of the book gives a brief overview of the home inspection business, including its history and the way it is now. Then, it tells the reader who does home inspections, what qualifications a home inspector needs to have, and how a home inspection is done. It also goes into detail about inspecting the outside of the house, the inside of the house, and the results of the home inspection. Home Inspection for Beginners is a complete guide to the home inspection process. It also has a list of questions, information about the home to gather, a home inspection checklist for the buyer, and information on how to understand the home inspection contract. It talks about homeowner responsibilities as well as what the inspector's duties and responsibilities are. It also goes into detail about the different home inspections, such as pre-listing, pre-purchase, and warranty inspections. The book also shows how to understand the results of a home inspection and how to write a report about them. It goes over the basics of writing a home inspection report, like how to use pictures to show what was found, how to figure out what common home inspection terms mean, and how to add photos and diagrams to the report. Home Inspection for Beginners ends with a look at the code of ethics for professional home inspectors. It tells the inspector what he or she needs to do for the client, the community, and the environment. Home Inspection for Beginners is a must-read for anyone who wants to become a home inspector or find out more about the field. This book is a great resource for both new and experienced inspectors because it is written in an easy-to-understand way, covers the whole inspection process, and explains how to get the home inspection report. **Home Inspection Secrets of a Happy Home Inspector** Wally Conway, 2013-06-17 In this rapid and robust read, Home Inspection expert Wally Conway, The Happy Home Inspector reveals home inspection secrets to remove the mystery, fear and frustration from the home inspections. He honed his home inspection skills in over 5,000 houses before being discovered by HGTV for House Detective and DIY Network on Finders Fixers. Wally hosts The Home and Garden Show broadcast from WOKV in Jacksonville, Florida. Wally's unique blend of experience and the talent to tell the tale make for an enjoyable read. Who is this book for.....and what will you learn? Homebuyers will be able to eliminate surprise and unexpected expenses while feeling true peace of mind with their purchase decision. Home sellers can have their homes sold in less time and for closer to the asking price by inspecting the home at the time of listing. Realtors and real estate agents will learn how to reduce their liability, close more deals, and create an all referral business. Understand the difference and uses of the home inspection, home warranty, survey, and appraisal in reducing buyers risk, seller's liability and Realtors commission. How to prepare for the arrival of the home inspector at your house. What questions should you ask a home inspector before hiring them? What special training or tools should they have in addition to a certification and home inspection license? Is a simple home inspection checklist enough or is a more detailed home inspection report better? Should new homes be inspected, or should you trust that the city building inspector did enough when he said the house met the minimum building code? Do home inspectors inspect for building code violations? What should be done with the list of repairs for the property that the home inspector reports? How much should a home inspection Cost what services should be included beyond a basic home inspection checklist. What tools should you expect a trusted home inspection expert to bring to the property inspection? Can a home inspector do a complete home inspection without using an infrared camera? Could a real estate agent who refers a home inspector who does not use an infrared camera be considered negligent in making the referral? Is

there a fundamental difference in how a home inspector should view a home in Jacksonville or St Augustine Florida compared to Denver, Dallas or your town? Is there a home inspection mindset that leads to peace of mind during and after the inspection of the house and property? Who is this book NOT for? This book is NOT a how to DO a home inspection checklist like those from Holmes on Holmes TV star Mike Holmes, but a how to choose a home inspector and how to USE a home inspection guide! It's also NOT a how to repair guide like Bob Vila or the This Old House books. And it is for sure NOT a technical home inspection book like Norman Becker has written for home inspectors. Truth be told, if you've enjoyed the description of Home Inspection Secrets of A Happy Home Inspector enough to read the all the way to the bottom of the description, you will enjoy reading the entire book!

In this *Pocket Idiot's Guide®*, you get:

- What to look for when inspecting the electrical system, the roof, and other parts of the home.
- Simple advice on what to do if the results of your inspections aren't good.
- Expert explanation of what you can expect during and after the inspection.
- Easy ways to tell if a home is worth buying—or if it will need extensive repairs before you put it on the market.

**The Basics of Doing Your Own Home Inspection** Thomas O'Connor, 2016-05-12 The Basics of Doing Your Own Home Inspection: Advice from a Seasoned Home Inspector By Thomas O'Connor For years, author Thomas O'Connor has accumulated interesting, and often hilarious, stories from numerous home inspections. Many are for first-time buyers for whom he has done several home inspections together before they find one that passes. Some of the problems an inspector repeatedly sees are obvious to the professional (wet basements, roof leaks, mold, electrical wiring done by a non-electrician, gas leaks, etc.). This book teaches buyers what to look for before they pay a professional inspector to find a house that passes. If buyers knew a little bit more about what to look for, they would save lots of money!
