Popular Science ,1987-10 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Livable Streets 2.0 Bruce Appleyard,2021-03-22 Livable Streets 2.0 offers a thorough examination of the struggle between automobiles, residents, pedestrians and other users of streets, along with evidence-based, practical strategies for redesigning city street networks that support urban livability. In 1981, when Donald Appleyard's Livable Streets was published, it was globally recognized as a groundbreaking work, one of the most influential urban design books of its time. Unfortunately, he was killed a year later by a speeding drunk driver. This latest update, Livable Streets 2.0, revisited by his son Bruce, updates on the topic with the latest research, new case studies and best practices for creating more livable streets. It is essential reading for those who influence future directions in city and transportation planning. Incorporates the most current empirical research on urban transportation and land use practices that support the need for more livable communities Includes recent case studies from around the world on successful projects, campaigns, programs, and other efforts Contains new coverage of vulnerable populations

Work From Home Zone Angela Crocker,2021-10-15 From author Angela Crocker, thought leader on online communities, digital decluttering, education technology, and content planning, comes the definitive guide to working from home for employees and entrepreneurs. Most books about working from home are written for the businesses and employers managing others. This book is for the employees and the self-employed -- the workers and the entrepreneurs -- who are often overlooked when it comes to how to handle working from home. Including how-to's and case studies, Crocker discusses how to carve out your work space and meeting space, how to deal with communication technologies, and of course, how to set and maintain boundaries for a healthy and happy work and home life -- and so much more.

Traffic calming Great Britain: Department for Transport,2007-03-30 This publication provides comprehensive advice on the use of traffic calming measures, covering the relevant legislation, design, effectiveness and installation. As well as examining general considerations it examines each of the methods of traffic calming and their background, cost and maintenance, effectiveness and environmental impact.

E-Health and Telemedicine: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2015-09-23 Advances in medical technology increase both the efficacy and efficiency of medical practice, and mobile technologies enable modern doctors and nurses to treat patients remotely from anywhere in the world. This technology raises issues of quality of care and medical ethics, which must be addressed. E-Health and Telemedicine: Concepts, Methodologies, Tools, and Applications explores recent advances in mobile medicine and how this technology impacts modern medical care. Three volumes of comprehensive coverage on crucial topics in wireless technologies for enhanced medical care make this multi-volume publication a critical reference source for doctors, nurse practitioners, hospital administrators, and researchers and academics in all areas of the medical field. This seminal publication features comprehensive chapters on all aspects of e-health and telemedicine, including implementation strategies; use cases in cardiology, infectious diseases, and cytology, among others; care of individuals with autism spectrum disorders; and medical image analysis.

Advanced Technological Solutions for E-Health and Dementia Patient Monitoring Xhafa, Fatos,2015-01-31 Mental health is a growing field, but one still limited by a lack of prior research and challenged by increased demand for new solutions and treatments. Mobile and web-based technologies have the potential to fill some of the gaps. Advanced Technological Solutions for E-Health and Dementia Patient Monitoring provides comprehensive coverage of issues in patient health and support from the perspectives of doctors, nurses, patients, and caregivers. With its focus on challenges and opportunities, as well as future research in the field, this book is a vital reference for researchers, scholars, advanced students, software developers, managers, and stakeholders working at the forefront of e-health systems.

Zone to Win Geoffrey A. Moore,2015-11-03 Over the last 25 years, Geoffrey Moore has established himself as one of the most influential high-tech advisors in the world—once prompting Conan O'Brien to ask “Who is Geoffrey Moore and why is he more famous than me?” Following up on the ferociously innovative ESCAPE VELOCITY, which served as the basis for Moore's consulting work to such companies as Salesforce, Microsoft, and Intel, ZONE TO WIN serves as the companion playbook for his landmark guide, offering a practical manual to address the challenge large enterprises face when they seek to add a new line of business to their established portfolio. Focused on spurring next-generation growth, guiding mergers and acquisitions, and embracing disruption and innovation, ZONE TO WIN is a high-powered tool for driving your company above and beyond its limitations, its definitions of success, and ultimately, its competitors. Moore's classic bestseller, CROSSING THE CHASM, has sold more than one million copies by addressing the challenges faced by start-up companies. Now ZONE TO WIN is set to guide established enterprises through the same journey. “For any company, regardless of size or industry, ZONE TO WIN is the playbook for succeeding in today's disruptive, connected, fast-paced business world.” —Marc Benioff, CEO, Salesforce “Once again Geoffrey Moore weighs in with a prescient examination of what it takes to win in today's competitive, disruptive business environment.” —Satya Nadella, CEO, Microsoft With this book, Geoffrey Moore continues

to lead us all through ever-changing times...His work has changed the game of changing the game! —Gary Kovacs, CEO, AVG “ZONE TO WIN uses crystal-clear language to describe the management plays necessary to win in an ever-disrupting marketplace. Regardless of your level of management experience, you will find this book an invaluable tool for building long-term success for your business.” —Lip-Bu Tan, President and CEO, Cadence Design Systems

The Millionaire Zone Jennifer Openshaw,2007-04-10 When it comes to making a change in our lives, there is nothing more frightening than taking a financial risk--starting your own business, investing money, or making a career change. Not anymore. Now you can achieve your financial dreams without having to go it alone. By showing you how to stay in your comfort zone, nationally recognized financial expert Jennifer Openshaw eliminates the roadblocks between you and your financial rewards. This book will help you make the change you've always thought about but were too afraid to try. With Jennifer's straightforward, simple approach, you'll leave behind all the excuses that hold so many of us back from making the changes necessary to achieve our financial goals. You'll learn how to use what's already at your fingertips--the people, places, and opportunities closest to you--to make money. Along with her seven winning strategies unlocking the secrets to your first million, she includes advice on: \$ How to make people want to help you \$ Three powerful ways to turn a No into a Yes \$ How to connect with top decision-makers \$ How to create your own advisory board \$ Dealing with debt--and more \$ Turning your passions into profits Jennifer will also inspire you with the stories of how some of America's wealthiest people got where they are today by applying the principles at the heart of this book. Plus, in these pages you'll find groundbreaking research based on surveys and interviews with over 3,000 Americans on how they used familiar things to research financial security. To get you on the path to bigger and better things, Jennifer includes a Millionaire Zone Profile assessment with this book plus a 30-Day Getting Started Program to turn your passions into profits. The Millionaire Zone will not only change your life but the way you operate in the world. Whether you're an employee, investor, or entrepreneur, you'll discover what other Zoners already know: That surrounding yourself with familiar things--what Jennifer calls your LifeNet--will empower you to overcome your fears and move your financial life from neutral to high-gear. Thousands of people have reached the Millionaire Zone using Jennifer's winning strategies. Now it's your turn!

Distributed Sensor Networks, Second Edition S. Sitharama Iyengar,Richard R. Brooks,2016-04-19 The best-selling Distributed Sensor Networks became the definitive guide to understanding this far-reaching technology. Preserving the excellence and accessibility of its predecessor, Distributed Sensor Networks, Second Edition once again provides all the fundamentals and applications in one complete, self-contained source. Ideal as a tutorial for students or as research material for engineers, the book gives readers up-to-date, practical insight on all aspects of the field. Revised and expanded, this second edition incorporates contributions from many veterans of the DARPA ISO SENSIT program as well as new material from distinguished researchers in the field. Sensor Networking and Applications focuses on sensor deployment and networking, adaptive tasking, self-configuration, and system control. In the expanded applications section, the book draws on the insight of practitioners in the field. Readers of this book may also be interested in Distributed Sensor Networks, Second Edition: Image and Sensor Signal Processing (ISBN: 9781439862827).
