Homeopathic Guide for Travelers Ravi Roy, Carola Lage-Roy, 2013-01-08 Ravi Roy and Carola Lage-Roy present a wealth of strategies for using homeopathic medicine to stay happy and healthy while traveling. A bestseller in its original German edition, The Homeopathic Guide for Travelers is equally useful for backpackers, business travelers, and even luxury vacationers. It provides all the preparation needed for a journey, whether a short outing, far-off holiday, or challenging trek. The homeopathic remedies profiled here—many of them effective even when taken last-minute—address everything from exhaustion to altitude change, from jet lag to climate shifts to the side effects of unfamiliar foods. Drawing from the latest research, the book describes which homeopathic medicines work best against infectious diseases, such as malaria, hepatitis, and Lyme disease, and details remedies for injuries sustained while backpacking, climbing, or diving. Roy and Lage-Roy also explain how to treat stings and bites from poisonous animals and reactions from plants like poison ivy. An introductory chapter features a basic traveler's first-aid kit.

Homeopathy is My Jam! Crooked Moose Publishing, Kimberly Maurer, 2019-11-24 This is primarily a blank college ruled lined notebook with 120 pages, and normal 8 1/2 x 11 paper. Use it to jot down remedies you feel fit your situation, or someone else you might be taking care of. Also helpful for keeping track of remedies or protocols; to jot down which ones you want to purchase next, then cross them off when you do. If you are taking a class, or homeopathic course, this is perfect for noting terms, thoughts, phrases, or even ideas or concerns for your next meeting with your homeopath or group. If you are starting a journey of any health situation, then this will help you keep track of your results. It's always very helpful to write down individual issues marking them on a scale of 1 thru 10. Months later you can see where you feel your numbers are at then, and compare. Most people are very surprised to see how much they've improved, and without those beginning numbers they feel nothing has changed. Homeopathy is quite a miraculous blessing that God has given us to use to help heal ourselves. I wish you all the best on your journey! 120 pages on college ruled notebook paper (116 actual writing pages) Reserved page for remedies you may want to purchase Reserved page for documenting topics you've recorded so you can easily find it when needed Makes a great under \$10 gift idea for anyone in your life that is interested in homeopathic study, or for yourself. I invite you to click on my author name to view other books or styles that you may be interested in.

The 10W's To WELLNESS: Insights from Homeopathy Dr. Sunil Anand,2020-03-13 As modern medicine has advanced, we have become accustomed to determining our level of health by measuring various lab tests and high tech imaging. While these assessment tools sometimes help us understand and make adjustments to our lives when issues arise, they are often hyper-focused on isolated symptoms and physical malfunctioning where the essence of the whole individual can be lost. Have you ever received a clean medical record of health - blood tests, scans, imaging are all pristine - yet from a holistic perspective you do not feel well? This is when shifting your focus to a new paradigm of health will reveal the answers you are seeking. In the book - The 10W's to Wellness, Dr. Anand carries the reader on a journey of deeper understanding of how experience of health or disease is based on holistic experiences of overall life. The subtle art and flow of homeopathic case taking and management bears parallel to the art of living and working in harmony. We all come into this world with a deep desire to experience, grow and thrive and sometimes our life's journey can take us away from this wonderful trajectory. This book based on the basic tenets of homeopathy, carries the reader on a journey of understanding how their earliest life experiences result in patterned behaviors that form the lens from which they experience life- both in health and disease. His unique holistic approach offers you a journey of exploring childhood moments, hobbies throughout life, impactful incidents, memorable dreams and various right brain activities like doodling to support greater self awareness and healing.

The Traveller's Guide to Homoeopathy P. Speight,2009-07 Definitely not for those of you who are contemplating taking on Mount Everest or the Amazon, but this simple guide is the most sensible thing to pack for a business trip or holiday. With a small, basic homoeopathic kit and a copy of this guide you can be reasonably sure that you will be safe from an acute attack of ill-health. Various drugs are available to combat troubles caused by travel but in the majority of cases homoeopathic remedies are much more effective. Their additional advantage is that they have no side effects whatsoever. Full instructions, dosages and potencies are given.

Family Homeopathy and Survival Guide, With the number of natural and human-caused disasters increasing dramatically these days, as are dire predictions for the future, you might consider learning how to treat illness yourself when medicines and hospitals are no longer available and you or a family member becomes acutely ill, or, for example, has contracted an infection—a deadly problem without antibiotics. With homeopathy, you can make your own medicines and treat yourself, your family and pets. This book will show you how. You and your family can become independent of medical assistance for most acute illnesses by learning the basic, simple methods presented in this book of how to use homeopathic remedies. Treat acute illnesses yourself at hardly any cost, without needing expensive, toxic and side-effect producing chemical drugs, while improving the general health level and life quality of yourself and those close to you. Here are some specific benefits you can enjoy: Nip the flu in the bud with just one pill as soon as you notice flu symptoms. You are on your way home on a warm day after a long day's work in an air-conditioned office and notice a sore throat coming on, and that you feel a bit out of sorts. Realizing that a cold is building up, you reach into your homeopathic remedy kit and take an Aconitum 200 C pill. By the time you arrive home, the budding cold is gone. Recover quickly from injuries, operations, childbirth and dental work. After a tooth extraction at the dentist's, your wife comes home complaining of pain. Naturally she has refused an antibiotic from the dentist, knowing that you will deal with the problem using homeopathic means. She has already taken Arnica 200C from her remedy kit after leaving the dentist's office. You give her another suitable homeopathic remedy, such as Staphysagria, and the next day there is hardly any pain at all—no antibiotics needed. Cure fear of flying before you travel. You are at the airport going on a business trip, when you meet a friend. She tells you she is afraid of flying and quite anxious regarding her pending flight. You offer to help her with a homeopathic pill, which you tell her contains no chemicals—only information that will stimulate the body to cure itself. She is willing to give it a try. Some weeks later you see her again on the street and she thanks you profusely, as her fear of flying had vanished like magic before boarding the plane. Greatly speed up your child's recovery from childhood illnesses such as the measles. Your young son tells you that his friend and others at the school have come down with the measles. You implement the homeopathic immunization programmed of giving Pulsatilla 200C once a week while the epidemic lasts, and your son avoids the measles and acquires immunity to the disease. Help your dog or cat, or other pet, recover rapidly from injuries, bites and other traumas. You bring a young cat into the family as a companion for an older cat named Toby you have. However, Toby does not receive the newcomer very well. He hisses and strikes out at your new cat called Sweetie. Not a very pleasant situation, but you know how to deal with it. You add the homeopathic remedy Hyoscyamus 1M to Toby's drinking bowl one day and two days later on arriving home, to your surprise, you see the two cats cuddled up together on the bed, the best of friends. In extreme survival situations you will be able to treat yourself and your loved ones by making your own homeopathic remedies. Suppose you and your family find yourselves isolated, civilization around you has collapsed, perhaps you are out in the wild to escape deteriorated and hostile city conditions. Your son has cut himself on a rusty metal part while looking for food and he is running a fever. You have learned how to make the correct homeopathic antibiotic remedy for this using a proven method taught in this book. Rather than passing on to another plane, your son recovers completely in some days. Your wife is extremely grateful. Bird flu, or any other lethal flu, strikes and there are thousands of sick and dying people in your town, while waiting for the medical authorities to produce a sufficient quantity of a possibly effective vaccine in six months' time. With the information contained in this book you prepare a homeopathic remedy in your kitchen to treat your sick daughter and neighbors, some of which are in very bad shape. They all recover after a very difficult bout with the bird or whatever flu, but they are alive. There you are. Considering the times we are living in, purchasing this book will be a prudent investment that can save your life as well as the lives of your family members, friends and pets. It will certainly improve their health and life quality. This is cutting-edge technology, way ahead of the current level at which medicine is practiced. This book contains information never presented in this concise and practical manner, including advances in the creation and transmission of homeopathic remedies not mentioned in standard literature on homeopathy. A new and simpler approach to treating illness awaits your discovery. Homeopathy has been around for more than 200 years and has a proven track record as practiced by medical doctors and laymen alike, with an enviable record of cures in epidemics. You can join the ranks of vanguard practitioners of the medicine of the future. Purchase Family Homeopathy and Survival Guide (pdf, US or UK English), by clicking HERE. You, your family and pets will benefit from it.

God is a Homeopath Gerard Bocquee, 2012-12-21 Gerard Bocquee D. Hom (South Africa), founder and principal of the first Homeopathic College in Australia, the H.C.A, Pty Ltd. in 1979-86, has lectured in Homoeopathy, Microbiology and Immunology. He conducted a post graduate course in Homeopathic medicine at the Sydney Chiropractic College in 1980. He is owner and director of HomLab-The Homeopathic Supply and Research Laboratory of Australia, since 1981, and has taught homeopathic pharmacy at South Bank T.A.F.E. He started his career in Homeopathy after acquiring experience in the field of research at the Mauritius Sugar Industry Research Institute. Moving to Australia, he gained further experience in the field of Chemistry, both the fertilizer and petroleum industry. In South Africa, he worked in product development in the edible oil industry as well as in the analytical field. He was also responsible for the commissioning of an edible oil hydrogenation plant, but it was the result of homeopathic medicine for his health issues that impressed him the most. Gerard has also conducted lecture tours in Homeopathy at the University of Technology and the Ingau Hospital in Papua and New Guinea, public lecture to the nursing staff at the Wesley Hospital, Brisbane and at the Brisbane College of Traditional Acupuncture. He is a life member of the Australian Association of Professional Homeopaths and is currently registered with the Australian Register of Homeopaths, inc. Gerard Bocquee is a Christian homeopath with a passion to see the health of people restored through homeopathic medicine. With over 25 years experience as a homeopath and a great desire to see people set free from the bondage of medication, this work is the result of God's call on his life to teach on the benefits of Homeopathy as a God-given system of medicine. This work is a first of a series of publications aimed at illustrating God's love for mankind by putting together a medication based on the law of similitude, now called Homeopathy. Rivers of Health is a ministry of health and healing based on God's principle of similitude which is proficient throughout the Bible. Inspired by God it serves one purpose which is to correct the errors of those who have subjected themselves to the teachings of modern medicine. Proverb 4:1, "Accept what I say, and the years of your life will be many"
