Homespun Tales Kate Douglas Smith

Wiggin,2021-04-25 *Homespun Tales* is a collection of adventure stories by author Kate Douglas Wiggin. The setting is inspired by the countryside of York County, in the State of Maine. In the author's words, Here, then, are the three simple homespun tales. I believe they are true to life as I see it. I only wish my readers might hear the ripple of the Maine river running through them; breathe the fragrance of New England forests, and though never for a moment getting, through my poor pen, the atmosphere of Maine's rugged cliffs and the tang of her salt sea air, they might at least believe for an instant that they had found a modest Mayflower in her pine woods.

The Old Peabody Pew is a charming Christmas story of the Dorcas Society in a small Maine town. Wiggin, 2014-07-11 These three stories are now
 brought together under one cover because they have
 not quite outworn their welcome; but in their
 first estate two of them appeared as gift-books,

with decorative borders and wide margins, a style not compatible with the stringent economies of the present moment. Luckily they belong together by reason of their background, which is an imaginary village, any village you choose, within the confines, or on the borders of York County, in the State of Maine. In the first tale the river, not Rose, is the principal character; no one realizes this better than I. If an author spends her summers on the banks of Saco Water it fills the landscape. It flows from the White Mountains to the Atlantic in a tempestuous torrent, breaking here and there into glorious falls of amber glimpsed through snowy foam; its rapids dash through rocky cliffs crowned with pine trees, under which blue harebells and rosy columbines blossom in gay profusion. There is the glint of the mirror-like lake above the falls, and the sound of the surging floods below; the witchery of feathery elms reflected in its clear surfaces, and the enchantment of the full moon on its golden torrents, never twice alike and always beautiful! How is one to forget, evade, scorn, belittle it, by leaving its charms untold; and who could keep such a river out of a book? It has flowed through many of mine and the last sound I expect to hear in life will be the faint, far-away murmur of Saco Water!
