Honest Abe: a Study in Integrity Based on the Early Life of Abraham Lincoln

Rothschild Alonzo,2019-05-28 Those who seek to understand the character and achievement of Abraham Lincoln must begin with a study of the man's honesty. At the base of his nature, in the tap-root and very fiber of his being, pulsed a fidelity to truth, whether of thought or of deed, peculiar to itself. Lincoln was a poor boy growing up in a remote area. His mother died when he was young. With no formal schooling available to him, the young Lincoln set out to shape his own character.

Honest Abe Edith Kunhardt,1998-01-21 From a log cabin in Kentucky to the White House, the life of Abraham Lincoln is an inspiring saga of courage and dedication. Simple words and timeless pictures weave the important threads of Lincoln's life into a colorful folk tapestry that illustrates a true American pioneer of justice. Zeldis's oversized gouache paintings give this picture-book biography a folkloric look that suits its larger-than-life subject. Kunhardt's brief text avoids any fictionalization and presents the important events in Lincoln's youth and many careers in a straightforward, objective fashion.... A praiseworthy effort. School Library Journal. Hits the high spots and finds time for

memorable tidbits... Consider multiple copies. Booklist (starred review).

Abraham Lincoln Honest Abe Jack Johnson, 2016-02-04 Abraham Lincoln Honest Abe Honest Abe was written to act as your easy-to-read reference point that contains from cover to cover everything you need to know about the life and times of Abraham Lincoln. Honest Abe isn't just a book of reference, though. Throughout the book, I have sought to paint the picture of the scenes I describe, so that this is more than an academic treatise that collects dust on your desk. This book is meant to be more of a movie, a movie that plays out in your head as you read its vivid details, so that you can feel that you were there as it was happening. This is certainly a small booklet, but it is densely packed with information that so many historians tend to overlook. Lincoln's story is a gripping tale, from beginning to end. Given the massive nature of his accomplishments and the nearly six decades he lived, you might wonder how these thirty-five thousand words can adequately cover so much ground. This booklet can and will give you an excellent grasp of the man - as a son, as a younger brother, as a father, as a thinker, as a politician, and of course as our sixteenth president.

Abe's Honest Words Doreen Rappaport,2008-11-11 From the time he was a young boy roaming the forests of the unsettled Midwest, Abraham Lincoln knew in his heart that slavery was deeply wrong. A voracious reader, Lincoln spent every spare moment of his days filling his mind with knowledge, from history to literature to mathematics, preparing himself to one day lead the country he loved towards greater equality and prosperity. Despite the obstacles he faced as a self-educated man from the back woods, Lincoln persevered in his political career, and his compassion and honesty gradually earned him the trust of many Americans. As president, he guided the nation through a long and bitter civil war and penned the document that would lead to the end of slavery in the United States. The passion for humanity that defined Lincoln's life shines through in this momentous follow-up to Martin's Big Words and John's Secret Dreams. Told in Doreen Rappaport's accessible, absorbing prose, and brought to life in powerful illustrations by Kadir Nelson, Abe's Honest Words is an epic portrait of a truly great American president.

Honest Abe Bentley Boyd,2018-05-09 Yes, Abraham Lincoln was honest. But he had many other sides to his personality. The self-taught Lincoln was one of our most multitalented and complicated presidents -- he is, for example, the only U.S. president to hold a patent for an invention! This biography of Lincoln is in the fun comix format for reluctant readers and the social studies teachers who need to educate on slavery and the Civil War, but this book also uses a different adjective on each page to teach the importance of character and to allow literacy experts to explore the importance of adjectives as descriptive tools.
