Popular Culture as Everyday Life Dennis D. Waskul, Phillip Vannini, 2015-11-19 In *Popular Culture and Everyday Life* Phillip Vannini and Dennis Waskul have brought together a variety of short essays that illustrate the many ways that popular culture intersects with mundane experiences of everyday life. Most essays are written in a reflexive ethnographic style, primarily through observation and personal narrative, to convey insights at an intimate level that will resonate with most readers. Some of the topics are so mundane they are legitimately universal (sleeping, getting dressed, going to the bathroom, etc.), others are common enough that most readers will directly identify in some way (watching television, using mobile phones, playing video games, etc.), while some topics will appeal more-or-less depending on a reader's gender, interests, and recreational pastimes (putting on makeup, watching the Super Bowl, homemaking, etc.). This book will remind readers of their own

similar experiences, provide opportunities to reflect upon them in new ways, as well as compare and contrast how experiences relayed in these pages relate to lived experiences. The essays will easily translate into rich and lively classroom discussions that shed new light on a familiar, taken-for-granted everyday life—both individually and collectively. At the beginning of the book, the authors have provided a grid that shows the topics and themes that each article touches on. This book is for popular culture classes, and will also be an asset in courses on the sociology of everyday life, ethnography, and social psychology.

Poetic Therapy For A Sistah's Soul Kay

Cook, 2012-03-20 Poetic Therapy For A Sistah's Soul is a compilation of poetry and random thoughts about love, life, and all that craziness in between. For me it was my release, a form of therapy as I was going through a life change, i.e. divorce. It kept me from acting out and busting folk windows, and setting folk on fire-stuff like that...Praise God! Yes I do believe everybody has a story, but more importantly every woman has a voice, and needs and wants to be heard. I hope this book makes you laugh, prompts you to think about things a little differently and gives you some inspiration. I hope it encourages you to open your mouth, to find your way to express how you feel about the people and things that affect you down to the bone, and know it's okay. Don't hang on to stuff, release it and find your happy. I encourage you to keep God first, pray, and get yourself together mentally and physically because you are your #1 advocate in love, life, and all

that craziness in between...BOOM! Words, thoughts, ideas put in some form or order I crave something to free me to soothe my soul I need to express what I think and what I feel I pray these words help me heal I do find some relief in what I write random thoughts put to paper a little humor, a little truth and in some a little spite...uumm remember, I am a woman but I do believe at the end of the day as random as my words may be they too express what you feel what you think, afraid even or can't seem to say

Jesus Unmasked Todd Friel, 2014-08-01 Jesus Christ is the most famous man in human history, but exactly who was He? Some say a fable; others think just one option among many good teachers, or even a nice guy who taught morals. Do any of these descriptions capture the totality of who He was? Jesus Unmasked goes directly to the world's greatest expert on Jesus Christ, Jesus Himself: Who Jesus said He was and why He said it the way He did What historical accounts and Biblical details reveal versus what we assume Why 4000 years of history, prophecy and chronology force every human being to render their verdict about this one man. When you encounter Jesus Unmasked, you will not be ambivalent. Jesus gives us clarity and insight into the nature of God. Interact with what Jesus taught about Himself and draw your own conclusions to the world's most important question: "Who is the real Jesus?"

ZOUNDS! Mark Dunn, Sergio Aragonés, 2013-10-22 From Geronimo! to gesundheit to haminahamina to holy mackerel, and from abracadabra to zoinks, Mark Dunn and Sergio Aragonés show you

interjections like you've never seen them before. Often thought of as unnecessary verbal fringe or simply linguistic decoration, interjections (ahem, howdy, mamma mia, pshaw, tally-ho, whoop-de-do) may well be the most overlooked part of speech in the English language. ZOUNDS! A Browser's Dictionary of Interjections focuses the spotlight on this most deserving (and sometimes most demented) grammatical group. A light-hearted look at more than 500 interjections, ZOUNDS! explores the origins of these essential words and highlights the contributions of these previously unheralded parts of speech. Perfect for both word lovers and the casual reader, ZOUNDS! brings together the linguistic talents of Mark Dunn, author of the award-winning novel *Ella Minnow Pea*, and the graphic hilarity of Sergio Aragonés, the legendary cartoonist and contributor to *Mad Magazine*, for a delightful romp through grammar, culture, and the English language. Famous interjections include: Eureka! -Archimedes Badabing-badaboom -Tony Soprano Stuff and nonsense! -Alice, Alice in Wonderland Bah! Humbug! -Scrooge Fiddle-dee-dee ! -Scarlett O'Hara Leapin' lizards! -Little Orphan Annie Nanoo, nanoo -Mork, from Mork & Mindy Dyn-O-Mite! -Jimmie Walker, Good Times Bully! -President Theodore Roosevelt

I Ain't Doin' It Heather Land, 2020-02-04 Social media comedian and southern sweetheart Heather Land delivers her hilarious and unfiltered wisdom on the frustrating everyday moments that drive us crazy. Heather Land has something to say about almost everything in life—the unbelievable, inconceivable, and downright frustrating—and why

she “ain’t doin’ it.” Now, Heather shines a light on the (occasional) ridiculousness of life through a series of hilarious essays, dishing on everything from Walmart and ex-husbands to Southern beauty pageants and unfortunate trips to the gynecologist. *I Ain’t Doin’ It* reminds us that when it comes to life’s messy moments, it’s all about perspective—and that we too can say, I ain’t doin’ it! Perfect for fans of Jim Gaffigan, Anjelah Johnson, and Brian Regan, *I Ain’t Doin’ It* is a fun, breezy read for anyone who appreciates someone who tells it like it is and wants to embrace the lighter side of life.

Boo to You, Winnie the Pooh! Bruce Talkington, 1996 /TALKINGTO Everyone in the Hundred-Acre Wood is excited at the prospect of a night of trick-or-treating. Everyone except poor Piglet, who's terrified by the howling, blowing winds and rattling, chattering doors and windows. Will his NO GHOSTS ALLOWED sign keep the ghouls away? Or will he have to confront the strange and scary spookables who come knocking at his door? Ties in with a CBS prime-time special airing in October.

The Candidates Matthew S. Hiley, 2016-05-10
Warning: *The Candidates*: Based on a True Country is not for the faint of heart. It is a political satire of epic disproportion. The story centers on Skip LaDouche and Harry Pinko, the two front-runners campaigning for the presidency of the United States, who have managed to claw, bribe, and scam their way up the political ladder. They are what we’ve come to expect from our leaders: self-serving and unqualified. When Kimmy

Faimwhorre, the reality television star that they are both having an affair with, turns up murdered, the candidates take campaigning to its most primal form . . . complete and total destruction of the opposition. Nothing is sacred in this violently comic short novel from Matthew S. Hiley. His wit is sharp and quick, and this story is dark, cynical, and hilarious. Politics-as-usual and pop-culture are thoroughly skewered in one of the most absurd and entertaining stories ever told.

The Transitive Nightfall of Diamonds Fred Schrott, 2014-07-31 A collection of unique bad boy poetry, *The Transitive Nightfall of Diamonds* is sure to send the reader into a cerebral tizzy--just keeping up is half the battle and all of the fun! The proverbial, Long-time listener and first-time caller takes readers on a journey of sight and sound, that both titillates and tantalizes the auditory senses. The poems can only be described as a psychedelic stew of various addictions meets whining divorcee, meets mental health, meets mid-life crisis, meets renewed youth, meets reality check, meets recovery. Quite simply, it's a compendium of everyday problems for everyday people with a couple of solutions thrown in for good measure. In 2006, while contemplating divorce from his wife of thirteen years, author Fred Schrott left his home to travel around the southwest and Northern California in his Coachmen trailer. He was urged to start journaling by his marriage counselor but normal writing seemed a bit boring, so the author decided to purge his brain in poetic form. His goal right from the beginning for *The Transitive Nightfall of Diamonds* was to

communicate with anyone and everyone through observation and humor. Don't Hate the Player Hey, don't hate the player. Get your hate on the game. I'm the same old bad boy with just a different name. Seventeen long years ago everything was all the same, but then the crazy traveling sent me to the zoo again...

It Came from Beyond Zen! Brad Warner,2017 Vol. 2 of Brad Warner's Radical but Reverent Paraphrasing of Dogen's Treasury of the True Dharma Eye In

Japan in 1253, one of the great thinkers of his time died – and the world barely noticed. That man was the Zen monk Eihei Dogen. For centuries his main work, Shobogenzo, languished in obscurity, locked away in remote monasteries until scholars rediscovered it in the twentieth century. What took so long? In Brad Warner's view, Dogen was too ahead of his time to find an appreciative audience. To bring Dogen's work to a bigger readership, Warner began paraphrasing Shobogenzo, recasting it in simple, everyday language. The first part of this project resulted in Don't Be a Jerk, and now Warner presents this second volume, It Came from Beyond Zen! Once again, Warner uses wry humor and incisive commentary to bridge the gap between past and present, making Dogen's words clearer and more relevant than ever before.

X Rated Affair Mark A. Thompson, 2022-01-14 X-Rated Affair is a true story that involves infidelity, porn addiction, gambling addiction, love, miscommunication, and a corrupt justice system. It tells of the sexual escapades of Mark Thompson, a black man, his weakness and addictions, and Pepito, a Filipino, who had a love lust for this black man. They met serendipitously while each trying to escape their personal demons and situations and found comfort in acting on erotic triple-x porn scenes. The book also portrays the flawed and corrupt US justice system. This system was created to replace slavery, using minorities to staff slave labor wage teams for private corporations. There is nothing rehabilitating about the US justice system, which is another name for the system, an inexpensive and

never-ending supply of cheap labor, mostly black men.

Return Michael Siemsen, 2015-06-05 Matt Turner's
psychic ability has granted him a window into the
entirety of Earth's intelligent beings - past and
present - but this gift has also been his heaviest
burden. A talent like Matt's can only be kept
secret for so long, and ruthless individuals
desiring lost and rare items viewed him only as a
prized tool. Now, there is no more secret. Despite
living a reclusive existence - unseen in five
years - Matthew Turner is among the most
recognized names on the planet, and wealthy
collectors aren't alone in seeking the only
confirmed, undisputed psychic the world has ever
seen. Most people simply want his help tracking
down a missing loved one. But it's something else
that lures Matt out of hiding, and he knows it
will offer more than mere lost treasure or a
priceless artifact. For more than five centuries,
Egypt's great Library of Alexandria housed all the
collected knowledge of the known world. In the

Third century AD, its estimated 700,000 scrolls were forever lost to fire - a loss so great, it has since come to symbolize, worldwide, the destruction of cultural knowledge. A small length of stone engraved with seemingly random symbols may reveal an alternative ending to the Library's collection, but only in the able hands of Matt Turner. At only 32, he's seen and experienced more of life and death than any person alive, and with this unique talent and perspective, he's now ready to set right the wrongs of both yesterday and today.
