Hoodwinked Karen Ehman,Ruth Schwenk,2015-11-03 Moms have been hoodwinked—tricked into believing lies that keep them from not only enjoying motherhood, but forging friendships with other moms who might tackle the tasks of motherhood differently. Myths such as “Mothering is natural, easy, and instinctive” cause moms to feel like failures if they have questions or apprehensions in raising their kids. Operating from the premise that “The way I mother is the right (and only) way” puts up fences between moms instead of building bridges of encouragement between them. Lies such as “I am my child’s choices” tempt moms to mistakenly believe that if their child makes a wrong choice then they, in turn, must be a bad mom. In their encouraging “we’ve been there” style, Karen Ehman and Ruth Schwenk enable mothers to: Identify the ten myths of motherhood our current culture perpetuates Replace the lies with the truth of what God says in the Bible about mothering Acquire practical tools to help them form new and improved thought patterns and healthy behaviors Forge healthy, supportive relationships with other moms of all ages and stages Confidently embrace the calling of motherhood as they care for their families in their own unique way A six-session video Bible study for group or individual use is also available.

Hoodwinked Study Guide Karen Ehman,Ruth Schwenk,2015-11-03 According to Karen Ehman, popular author and speaker with Proverbs 31 Ministries, and Ruth Schwenk, it’s time to stop the Mommy Wars. Today's wives and mothers have been hoodwinked; convinced that serving their family is a subservient and antiquated role. Because of culture, family, friends, or lack of biblical teaching, many moms miss how valuable and powerful their calling really is. Some have bought into the pressure to be Supermom. Others have believed the myth that they can do it all and do it perfectly. This six-session video-based study (DVD/digital video sold separately) will encourage and inspire women to embrace their roles as mothers wholeheartedly yet realistically, whether they work outside the home, have a home business, or are stay-at-home moms. Mothers will find a fresh new vision for an age-old calling as they tackle the challenges and embrace the blessings of motherhood. Sessions include: Build Bridges, Not Fences: When Others Mother Differently Mothering Matters: Seeing the Hard Years as the Heart Years At the Top of the Tightrope: When You Try to Do It All Pressing the Pause Button: Taking Your Schedule from Racing to Rest In Armor of Their Own: On Revealing the Picture God's Painting Raising Children on Your Knees: When Your Child Makes a Bad Choice Designed for use with the Hoodwinked Video Study (sold separately).

First Corinthians David E. Garland,2003-11 Understand 1 Corinthians and the social and cultural world of Corinth. Part of the critically acclaimed BECNT series.

Ernest Dowson Robert Stark,2024-03-12 Ernest Dowson (1867-1900) was a British writer of the fin de siècle period, widely seen as the most representative example of the 'tragic generation' of decadent poets. This book presents a full-length and coherent reading of Dowson's oeuvre for the first time in English.

1 Corinthians (Baker Exegetical Commentary on the New Testament) David E. Garland,2003-11-01 Paul's first letter to the Corinthians is one of the most important epistles in the New Testament. David Garland's thoughtful new commentary draws on extensive research and engages the best of contemporary scholarship while providing a readable study that will be accessible to thoughtful readers as well as students, pastors, and scholars. After considering the context of the letter and the social and cultural

setting of Corinth, Garland turns to his exegetical work. An introduction to each major unit of thought is followed by the author's own translation of the Greek text. In the course of his verse-by-verse commentary, he incorporates references to other ancient writings that help explain particular aspects of Paul's meaning or provide information on the social and cultural context. He also refers to the work of other commentators and provides extensive notes for further reading and research.
