Kyle Lacy

*Work Smarter with Twitter and HootSuite* Alexandra Samuel, 2013-04-02 You're on Twitter but can't keep up with the onslaught of incoming messages. You're also not sure how to extract value from this social media phenomenon—especially as a professional tool. In *Work Smarter with Twitter and HootSuite*, social media expert Alexandra Samuel helps you take Twitter to the next level by using the free tool HootSuite, which allows you to focus on the people whose tweets matter to you and easily establish the relationships and presence you want. This short, practical book shows you the most effective ways to use this popular system to:

- Focus on the people and relationships that are the most important to you professionally
- Set up your own “relationship dashboard” to track tweets that matter
- Keep your incoming Twitter stream free of clutter
- Tweet the right messages at the right time—and even schedule your tweets in advance

This ebook also includes a 30-minute quick guide to setting up your complete Twitter and HootSuite system for maximum ease of use. Interested in learning more about how social media can help you get ahead of your daily work—and get ahead in your career? Look for more in this series of short, digital books from Harvard Business Review Press and social media expert Alexandra Samuel. Other installments provide the best tips and tricks for using tools like Evernote, Twitter, HootSuite, and Gmail to get organized and improve your performance on the job.

*The Unofficial Book on Hootsuite* Mike Allton, 2017-07-21 The Unofficial Book On Hootsuite is THE resource for businesses and professionals who want to take their social media presence and activity to new heights, and want Hootsuite to help them get there. New, updated, Second Edition! Hootsuite is the most popular social media management dashboard, used and recommended by countless social media professionals and agencies. But until now, there had never been a resource like this book assembled. Now, in one place, you can learn how to:

1. Organize your tabs & streams for maximum efficiency.
2. Use Hootsuite to leverage audiences on Twitter, Facebook, LinkedIn and Google+.
3. How to schedule activity so that your social profiles are active, even while you're busy tending your business.
4. Participate in TweetChats.
5. Find and share content that your audience will appreciate, and help establish your authority.
6. Listen for conversations and discussions taking place about your industry or brand.
7. Create teams within Hootsuite to better manage aspects of the business and your online presence.
8. Engage in Influencer Marketing on Twitter and Google+.
9. Measure and Evaluate everything you're doing to maximize your investment.

And that last point, measurement, is one of the most valuable parts of this book. Nowhere else will you find as clear and thorough explanation of how to use Hootsuite reports and analytics. And as a bonus, the book includes a Daily Checklist that you can use to spend just 30 minutes a day within Hootsuite to help you focus your time and target the most effective social media activities. You'll be able to download a gorgeous, free PDF of the checklist that you can print out and have by your desk as a daily reminder.

**Encyclopedia of Social Media and Politics** Kerric Harvey, 2013-12-20 The Encyclopedia of Social Media and Politics explores how the rise of social media is altering politics both in the United States and in key moments, movements, and places around the world. Its scope encompasses the disruptive technologies and activities that are changing basic patterns in American politics and the amazing transformations that social media use is rendering in other political systems heretofore resistant to democratization and change. In a time when social media are revolutionizing and galvanizing politics in the United States and around the world, this encyclopedia is a must-have reference. It reflects the changing landscape of politics where old modes and methods of political communication from elites to the masses (top down) and from the masses to elites (bottom up) are being displaced rapidly by social media, and where activists are building new movements and protests using social media to alter mainstream political agendas. Key Features This three-volume A-to-Z encyclopedia set includes 600 short essays on high-interest topics that explore social media's impact on politics, such as “Activists and Activism,” “Issues and Social Media,” “Politics and Social Media,” and “Popular Uprisings and Protest.” A stellar array of world renowned scholars have written entries in a clear and accessible style that invites readers to explore and reflect on the use of social media by political candidates in this country, as well as the use of social media in protests overseas. Unique to this book is a detailed appendix with material unavailable anywhere else tracking and illustrating social media usage by U.S. Senators and Congressmen. This encyclopedia set is a must-have general, non-technical resource for students and researchers who seek to understand how the changes in social networking through social media are affecting politics, both in the United States and in selected countries or regions around the world.

*Facebook Marketing All-in-One For Dummies*® Amy Porterfield, Phyllis Khare, Andrea Vahl, 2011-07-15 A detailed resource for businesses and individuals seeking to promote goods and services on Facebook. **Social Media Optimization For Dummies** Ric Shreves,2015-04-20 Optimize, optimize, optimize to get the most out of your company's social media presence As it turns out, social media is good for a lot more than funny cat videos, memes, and sharing what you're eating for lunch with the world. As the social media sphere continues to grow and be redefined, it's more important than ever to arm yourself with the latest information on how you can use it to drive traffic to your website, raise awareness of your brand, and promote your products or services. If you're a marketer who has asked yourself how you can possibly stay afloat in these newly chartered and oft overcrowded waters, Social Media Optimization For Dummies serves as your roadmap to smart marketing in the digital age. So, what is Social Media Optimization (SMO), exactly? Well, it's comprised of two closely related practices. First, SMO refers to a set of techniques in which social media is used to drive traffic to a website and create an interest in a product or service. Second, SMO concerns the optimization of the social media presence itself with the goal of building followers, increasing engagement, and, again, generating interest in a product or service. Each of these parts supports the other and, when the channels are managed efficiently, enhances the other's effectiveness. In this plain English, easy-to-follow guide, you'll quickly discover how to apply SMO practices to your marketing plan to accomplish those goals. Integrate social media into your website Drive traffic to your website Build followers and generate a buzz Increase engagement with customers From integrating social media into your website to building your social media presence to everything in between, Social Media Optimization For Dummies points your business toward success.
