**ABC's of Online Horse Racing: Watch – Wager – Win** Mike Exinger, 2016-02-18 Back in the day – say, the 1930s – if you wanted to gamble, the only legal action was the local horse track. Sure, Nevada had casinos, but nowhere else. There were no lotteries, no riverboats, no Internet. Horse racing was not just the only legal gambling option, but it was also one of America's most popular sporting events. Only baseball could rival horse racing for fan appeal and newspaper headlines. It was a time of Seabiscuit, War Admiral, and Whirlaway. Flash forward to today. Some form of gambling is available in almost every state. There are casinos damn near everywhere, on land, on water, on reservations. Mega-jackpot state lotteries flourish. Daily Fantasy Sports are the latest “next big thing” online, and, of course, we've gone through a boom-and-bust-and-reborn cycle with online poker. And racing? Long proclaimed dead more than once, horse racing, specifically Thoroughbred racing, is alive and well. Who doesn't know about American Pharoah, the first Triple Crown AND Breeder's Cup winner ever? There are new tracks popping up across the country,

and horse racing is as strong as ever overseas, as England, Europe, Australia, New Zealand, Japan, and Hong Kong have strong racing programs. And, thanks to the Internet, you can wager on ALL OF IT. The ABC's of Online Horse Racing looks at the various online websites that provide you with a box seat on the action. Every aspect of setting up an account and learning the betting pad are covered, and later chapters teach you how to handicap like the professionals. Geared to gamblers who have never considered betting the ponies, The ABC's of Online Horse Racing is a beginner's guide to online horse racing, teaching you how and where to watch, wager, and win in the 21st Century version of this great sport.

**The Rocking-Horse Winner** D.H. Lawrence, 2023-06-06 Hester appears to have it all - marriage, a nice home, three children and a stimulating job. But it is not enough. For no matter how much she and her husband earn, she spends more. Driven by a desire to be loved by his mother, young Paul starts betting on the horses with the family's gardener. He wins, wins and just keeps winning. But, as quickly as he hands her the money, Hester has splurged it away. Then, as Derby day approaches, the spooky secret of Paul's endless run of luck is revealed. As tragedy beckons, will Paul win

his mother's love? This book is perfect for fans of Edgar Allan Poe and Ernest Hemingway. It was made into the 1949 fantasy film 'The Rocking Horse Winner', starring John Howard Davies, Valerie Hobson and John Mills. DH Lawrence (1885-1930) was an English writer and poet. He was at the centre of a great deal of controversy during and after his life, with the explicit nature of some of his novels leading to censorship and protests. Many critics admired his imaginative and deeply descriptive style, though. Among his best-known novels are 'Sons and Lovers', 'Lady Chatterley's Lover', 'The Rainbow' and 'Women in Love'.

#### **Horse Racing Betting Secret System M C Horrocks,**

Introduction I must thank you for buying my book and appreciate any comments on the system. I have inserted my email address at the end of the book. Plus feel free to email me if you have any questions or need any help. This horse racing system took me approximately 12 months to computer model and test primarily around UK handicap horse races. This would have not been possible without my 10 years database of horse form and my I.T. computer skills. Handicap horse racing fascinates me I find it a great puzzle to solve and love form variables like weight, official rating and many more. This horse racing system has four simple

steps that find winners daily and I have outlined tips to get more profit. I like using this system for betting singles and doubles which are lethal and produce massive profits! In the book I have covered a horse race in extensive detail so that you understand the system and how to apply the horse racing system to each race quickly and thus finding winners easily.

*Small Track Betting* C N Richardson,2007-10-17 This authoritative guide will make horseplayers a lot of money. Respected racing author C.N. Richardson takes would-be winners through his eight-point system for betting. Most important, by working his strategy at small tracks (including Finger Lakes Racetrack, Great Lakes Downs, Lone Star Park, and Turf Paradise) rather than their larger counterparts, Richardson shows the fantastic results of his system in real situations. His keys rules for doing a top-notch analysis of the odds include having knowledge of the trainers, limiting betting to no more than five races at any given track, and choosing exotic betting options, like trifectas, to maximize the investment's return. He also includes and explains personal idiosyncrasies like never betting on a race he can't see!

**By A Nose** Jim Gentile,2008-12-01 *By a Nose: Gambling Tales from a Horseracing Insider* Author Jim Gentile likes to gamble. It's

in his genes, thanks to his father. As a teenager, an \$88 Quinella at Arlington Park hooked him. Since then, he has had many a lucky day. He parlayed his passion for “playing the horses” into a thirty-year career working at seven Chicago-area tracks. This book provides a peek behind the gate of the horseracing industry. It’s a humorous account of Jim’s experiences in the trenches as a teller, ticket room clerk, cashier, manager, and senior auditor, with plenty of opportunity to hone his skills as a bettor: “ On Wednesdays – payday – there were three lines at the in-town tracks: one line to get your check, another line to cash your check, and the third line was to pay back your gambling losses. If you only went to line one, you were way ahead of the game.” An odd cast of characters is woven throughout these memorable stories. You’ll meet, among others: Gravelly-voiced Aunt Flo who blew her husband’s entire savings at the racetrack while he was on a WWII Navy ship. “Uncle Dick thought he was returning home to a comfortable nest egg, only to find out that Aunt Flo did not understand the nest egg concept – she had gambled away every cent. To his credit, as the story was told to me, Uncle Dick went on a four-day bender and Aunt Flo lived to tell the tale.” Two overly eager co-workers whose wily wagers cost them their jobs: “By the last race Howie was in

the box for over \$76,000! With only one race left, his only hope was to hit the Trifecta. Hey, what's another \$24,000 when you are already stuck 76 large." "Louie's eyes were glued to the television, as the lead horse was ahead by 3 lengths on the backstretch. He quickly punched in \$200 to win, the maximum bet the machine would allow, punched the number of the horse on the lead, and started hitting the repeat button. This feature allowed clerks to issue multiple tickets rapidly and Louie was working that machine like a construction worker holding a jackhammer." Tommy and his plan to rule roulette: "When the ball bounced around it landed on red, but only momentarily before it leaped into a black slot like a poisonous frog." Tommy had fallen prey to a common condition called "Gambler's Fallacy". Simply stated, this is the "incorrect belief that the likelihood of a random event can be affected or predicted from other independent events." The "law of averages" is one phrase that gamblers should strike from their vocabulary." Avid gamblers as well as non-gamblers will be highly entertained by a myriad of sagas, which also include sports betting, dog racing, and poker. By the end of the book, like the author, readers will end up asking themselves, "Is today going to be my lucky day?" You betcha! Book Reviews "The book was an easy, fast, and funny

read. I totally enjoyed every story and wished that Jim had worked another five years so we could read a few more chapters". Three favorite chapters: Dare and Defy, Tommy the Scrubber, Sy, Lord of the Rings

Sam M. Gentile □s first book out of the starting gate is no gamble...readers will be bridled instantly by the wit and honesty of his many self-deprecating gambling tales. While Gentile always seems to miss his bets by a nose, his collection of racetrack characters and close calls is one for the win column. Three favorite chapters: Got any Hot Tips? Sy, Lord of the Rings, The Chicago White Sox and a Pound of Pot? Marta A. Miller, maiden gambler

Finally, a nonprofessionals guide to horse racing. Easy to understand and revealing without being overwhelming, the personal experiences of this racetrack insider make it fun to read too. A must read for anyone who bets on horse racing. Three favorite chapters: Bob and Jim's Wild Ride, Light's Out, Starnet and Internet Gambling. Steve J. By A Nose by Jim Gentile i
