**How to Travel the World on \$50 a Day** Matt Kepnes,2015-01-06 \*UPDATED 2017 EDITION\* New York Times bestseller! No money? No problem. You can start packing your bags for that trip you've been dreaming a lifetime about. For more than half a decade, Matt Kepnes (aka Nomadic Matt) has been showing readers of his enormously popular travel blog that traveling isn't expensive and that it's affordable to all. He proves that as long as you think out of the box and travel like locals, your trip doesn't have to break your bank, nor do you need to give up luxury. How to Travel the World on \$50 a Day reveals Nomadic Matt's tips, tricks, and secrets to comfortable budget travel based on his experience traveling the world without giving up the sushi meals and comfortable beds he enjoys. Offering a blend of advice ranging from travel hacking to smart banking, you'll learn how to: \* Avoid paying bank fees anywhere in the world \* Earn thousands of free frequent flyer points \* Find discount travel cards that can save on hostels, tours, and transportation \* Get cheap (or free) plane tickets Whether it's a two-week, two-month, or two-year trip, Nomadic Matt shows you how to stretch your money further so you can travel cheaper, smarter, and longer.

*Ten Years a Nomad* Matthew Kepnes,2019-07-16 Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me. —Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F\*ck* *Ten Years a Nomad* is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on \$50 a Day*, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic how-to, and plumb the depths of what drives us to travel – and what extended travel around the world can teach us about life, ourselves, and our place in the world. *Ten Years a Nomad* is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

*Heads in Beds* Jacob Tomsy,2016-07-26 In the tradition of Kitchen Confidential and Waiter Rant, a rollicking, eye-opening, fantastically indiscreet memoir of a life spent (and misspent) in the hotel industry. Jacob Tomsy never intended to go into the hotel business. As a new college graduate, armed only with a philosophy degree and a singular lack of career direction, he became a valet parker for a large luxury hotel in New Orleans. Yet, rising fast through the ranks, he ended up working in "hospitality" for more than a decade, doing everything from supervising the housekeeping department to manning the front desk at an upscale Manhattan hotel. He's checked you in, checked you out, separated your white panties from the white bed sheets, parked your car, tasted your room-service meals, cleaned your toilet, denied you a late checkout, given you a wake-up call, eaten M&Ms out of your minibar, laughed at your jokes, and taken your money. In *Heads in Beds* he pulls back the curtain to expose the crazy and compelling reality of a multi-billion-dollar industry we think we know. *Heads in Beds* is a funny, authentic, and irreverent chronicle of the highs and lows of hotel life, told by a keenly observant insider who's seen it all. Prepare to be amused, shocked, and amazed as he spills the unwritten code of the bellhops, the antics that go on in the valet parking garage, the housekeeping department's dirty little secrets—not to mention the shameless activities of the guests, who are rarely on their best behavior. Prepare to be moved, too, by his candor about what it's like to toil in a highly demanding service industry at the luxury level, where people expect to get what they pay for (and often a whole lot more). Employees are poorly paid and frequently abused by coworkers and guests alike, and maintaining a semblance of sanity is a daily challenge. Along his journey Tomsy also reveals the secrets of the industry, offering easy ways to get what you need from your hotel without any hassle. This book (and a timely proffered twenty-dollar bill) will help you score late checkouts and upgrades, get free stuff galore, and make that pay-per-view charge magically disappear. Thanks to him you'll know how to get the very best service from any business that makes its money from putting heads in beds. Or, at the very least, you will keep the bellmen from taking your luggage into the camera-free back office and bashing it against the wall repeatedly.
