Catherine Donzel,Alexis Gregory,Marc Walter

Great, Grand & Famous Hotels Fritz Gubler, Raewyn Glynn, 2008 This is a book for lovers of remarkable hotels. Whether you are a long-term luxury hotel addict, or just fantasising about a visit to one of the world's great hotels, this book is for you. This book features stories about great, grand and famous hotels sourced from history, legend and the occasional snippet of gossip. Take a peek inside and discover a treasure trove of famous or forgotten anecdotes. See the dramas unfold in lobbies, dining rooms, bars and ballrooms, or behind the closed doors of guest rooms and Presidential Suites. Marvel at those who made these hotels what they are: daring financiers, visionary owners, inventive architects, cutting-edge designers, devoted hoteliers and renowned chefs. Remember the great, grand and famous celebrity guests and meet the new breed of visionaries who are creating the great hotels of the future. Visit historic hotels, including The Ritz, Paris; the Waldorf-Astoria, New York; the Beverly Hills Hotel, Los Angeles; the Savoy, London; the Hassler, Rome; The Peninsula, Hong Kong; Raffles, Singapore; Mena House, Cairo; Taj Lake Palace, Udaipur; Chateau Lake Louise, Alberta; the Cipriani, Danieli and Gritti Palace, Venice; Reid's Palace, Madeira; and the Baur au Lac, Zurich, alongside modern masterpieces such as The Burj al Arab, Icehotel and other futuristic hotels. The book is intended to give the traveller a better understanding of, and greater insight into, the hotels they admire and love. It is also a reference book for the passionate hotel professional and provides knowledge for young hoteliers, helping them to understand the history and the development of their industry. Combining four years of research, assisted by many students in various hotel schools around the world, and with contributions by six travel writers, it is hoped this book will entice more people to seek out the world's great, grand and famous hotels, and to stay in them for an unforgettable experience, not just as a place to spend the night.

Rooms with a View Adrian Mourby, 2017-11-02 Salvador Dalí once asked room service at Le Meurice in Paris to send him up a flock of sheep. When they were brought to his room he pulled out a gun and fired blanks at them. George Bernard Shaw tried to learn the tango at Reid's Palace in Madeira, and the details of India's independence were worked out in the ballroom of the Imperial Hotel, Delhi. The world's grandest hotels have provided glamorous backgrounds for some of the most momentous – and most bizarre – events in history. Adrian Mourby is a distinguished hotel historian and travel journalist – and a lover of great hotels. Here he tells the stories of 50 of the world's most magnificent, among them the Adlon in Berlin, the Hotel de Russie in Rome, the Continental in Saigon, Raffles in Singapore, the Dorchester in London, Pera Palace in Istanbul and New York's Plaza, as well as some lesser known grand hotels like the Bristol in Warsaw, the Londra Palace in Venice and the Midland in Morecambe Bay. All human life is to be found in a great hotel, only in a more entertaining form.

Hotel Life Norman Sylvester Hayner, 1936 This book describes many types and varieties of hostelries. Hayner has gathered the basic materials for his book from interviews with hotel bellboys, maids, waiters, and hotel dwellers and from them he has drawn a picture of the detachment, freedom, loneliness, and release from restraints that mark the hotel population. The Palace Hotel Richard Harned, 2009 When it opened in 1875, the Palace Hotel was the largest and most luxurious hotel in the world, a perfect symbol of one of the most remarkable eras in San Francisco history. Built at a time when Nevada's fabulously rich silver mines were pouring millions of dollars each month into San Francisco, it typified the color and grandiose extravagances of the whole bonanza period. After the original hotel was destroyed in the 1906 earthquake and fire, a successor Palace Hotel took its place and remains one of the most prestigious hotels in San Francisco today.
