Hurricane Season Joe Holley,2018-05-01 An inside look at the 2017 Houston Astros championship season, focusing on the epic seven-game World Series, the front office decisions that built a winning team, and the resilience of the city in the wake of Hurricane Harvey. On November 1, 2017, the Houston Astros defeated the Los Angeles Dodgers in an epic seven game battle to become 2017 World Series champs. For the Astros, the combination of a magnificently played series, a 101-victory season, and the devastation Hurricane Harvey brought to their city was so incredible it might give Hollywood screenwriters pause. The nation's fourth-largest city, still reeling in the wake of disaster, was smiling again. The Astros' first-ever World Series victory is a great baseball story, but it's also the story of a major American city--a city (and a state) that the rest of the nation doesn't always love or

understand--becoming a sentimental favorite because of its grace and good will in response to the largest natural disaster in American history. The Astros' miracle season is also the fascinating tale of a thoroughly modern team. Constructed by NASA-inspired analytics, the team's data-driven system took the game to a more sophisticated level than the so-called Moneyball approach. The team's new owner, Jim Crane, bought into the system and was willing to endure humiliating seasons in the baseball wilderness with the hope, shared by few initially, that success comes to those who wait. And he was right. But no data-crunching could take credit for a team of likeable, refreshingly good-natured young men who wore Houston Strong patches on their jerseys and meant it--guys like shortstop Carlos Correa, who kept a photo in his locker of a Houston woman trudging through fetid water up to her knees. The Astros foundation included George Springer, a powerful slugger and rangy outfielder; third-baseman Alex Bregman, whose defensive play and clutch hitting were crucial in the series; and, of course, the stubby and tenacious second baseman José Altuve, the heart and soul of the team. Hurricane Season is Houston Chronicle columnist Joe Holley's moving account of this extraordinary team--and the extraordinary circumstances of their championship.

Houston Astros Jose de Jesus Ortiz,2006 Aces in Orbit chronicles the excitement and energy Andy Pettitte and Roger Clemens brought to the Astros, pushing the organization to its first World Series and the first World Series in the state of Texas. It chronicles the last two historic seasons, beginning with the sensitive negotiations that led Pettitte and then Clemens to Houston before the 2004 season. It details the overwhelming expectations that almost buried the 2004 Astros, prompting the firing of manager Jimmy Williams before a 36-10 finish put the Astros in the World Series with the best finish in baseball in over 50 years. The book also chronicles the disappointing departures of 2004 postseason and regular-season stars Jeff Kent and Carlos Beltran, who bolted via free agency and left the 2005 Astros seemingly with no hope. Many experts and even several of the players assumed the Astros would finish near the bottom of the standings, especially after All-Star Lance Berkman missed the first month of the season

The Story of the Houston Astros Adele Richardson,2007-07 Examines the history, players, and future of the Houston Astros baseball team.

Houston Astros, The Mark Stewart,2012-01-01 A revised Team Spirit Baseball edition featuring the Houston Astros that chronicles the history and accomplishments of the team. The Team Spirit series paints an engaging, detailed yet accessible picture of professional sports teams. By focusing on the history, great victories and memorable personalities, the books have an enduring quality that will not go out of date quickly. The text is enhanced

with plenty of full color photographs as well as reproductions of vintage trading cards and team memorabilia.

The Eighth Wonder of the World Robert C. Trumpbour, Kenneth Womack, 2016-09-01 When it opened in 1965, the Houston Astrodome, nicknamed the Eighth Wonder of the World, captured the attention of an entire nation, bringing pride to the city and enhancing its reputation nationwide. It was a Texas-sized vision of the future, an unthinkable feat of engineering with premium luxury suites, theater-style seating, and the first animated scoreboard. Yet there were memorable problems such as outfielders' inability to see fly balls and failed attempts to grow natural grass—which ultimately led to the development of AstroTurf. The Astrodome nonetheless changed the way people viewed sports, putting casual fans at the forefront of a user-experience approach that soon became the standard in all American sports. *The Eighth Wonder of the World* tears back the facade and details the Astrodome's role in transforming Houston as a city while also chronicling the building's pivotal fifty years in existence and the ongoing debate about its preservation.

The History of the Houston Astros Michael E. Goodman, 1999 Highlights the key personalities and memorable games in the history of the team that changed its name from the Colt 45's to the Astros in 1965 when it moved to the first indoor baseball stadium, the Astrodome.

Houston to Cooperstown Greg Lucas, 2017-04 Houston joined Major League Baseball in 1962 as the Colt 45s, but it wasn't until Craig Biggio and Jeff Bagwell started showing up in the late 1980s that the team entered its Golden Age. Biggio and Bagwell were National League All-Stars who own most of the club's hitting records. With the best winning percentages and most post-season appearances in franchise history, the pair led the team as close as it has ever been to World Series victory... The author explores the history of the Houston Astros as a team and the effect Craig Biggio and Jeff Bagwell had on the franchise. He illustrates Biggio and Bagwell's legacies with stories from the stands, teammates, the press, and the players themselves.--Dust jacket.

Houston Astros J. Chris Roselius, 2015 Baseball has been America's pastime for more than a century. Today's game is played under the lights in massive stadiums, but much about the game remains unchanged since the American League and National League champions played the first World Series in 1903. For years, fans have shared stories of their favorite plays, the amazing records, and the memorable seasons in baseball history. Inside MLB brings those memories to life. From pennant races to perfect games, these books take fans through the exciting history of all 30 Major League Baseball teams. Profiles of the legends and the star players of today pair with fascinating facts, statistics, a glossary, and more to make Inside MLB an

essential read for any baseball fan. Book jacket.

Mexican American Baseball in Houston and Southeast Texas Richard A. Santillán, Joseph Thompson, Mikaela Selley, William Lange, Gregory Garrett ,2017 Mexican American Baseball in Houston and Southeast Texas pays tribute to the baseball and softball players and teams from Houston, Sugar Land, Texas City, Richmond, and other surrounding communities in the region. Since the early 1900s, this game has had an important role in the lives of area Mexican Americans. In the Houston barrios, when entrenched discriminatory practices obstructed city unity, the diamond brought people together. In the Sugar Land region, Mexican Americans, African Americans, and Anglos worked and played together, blurring racial lines. Baseball and softball built community pride and connected generations of Mexican American families. The wonderful stories and breathtaking images in this book help resurrect the rich and little-known history of Mexican American baseball and softball in this key part of Texas.

The 50 Greatest Players in Houston Astros History Robert W. Cohen,2024 An examination of the careers of the 50 Houston Astros players who have made the greatest impact on one of Major League Baseball's most iconic franchises. Quotes from the subjects themselves and former teammates are provided along the way, as are recaps of each player's greatest season, most memorable performances, and most notable achievements--

Houston Baseball Mike Vance,2014 Houston is no newcomer to baseball. Imported from the northeast, the sport made its way to the Bayou City as early as the 1850s. Houston Baseball: The Early Years 1861-1961 chronicles each step in the development of Houston baseball from town ball to the emergence of a game that modern fans would recognize. Historian and longtime baseball devotee Mike Vance has crafted a fascinating history that will gratify enthusiasts and shed new light on the game that made Houston a sports town. The book covers the nineteenth-century flourish of America's favorite pastime in Houston in far more detail than has ever been studied. Dizzy Dean, Chick Hafey, Billy Williams, and Ron Santo are just a few of the legendary names to appear as Vance details Houston's ascension from minor to major league play. This definitive history of Houston's passion for baseball brings together politics, personalities, and love of the game. Richly illustrated and expertly told, Houston Baseball will delight fans of Houston baseball past and present.

Still Throwing Heat J.R. Richard,2015-06-01 A flame-throwing star with the Houston Astros, J. R. Richard was at the top of his profession when he inexplicably began complaining of arm weakness in 1980. Initially scoffed at because he continued approaching 100 mph on the radar gun, everything

changed when Richard collapsed while playing catch with a teammate—later diagnosed as a life-threatening stroke. The shocking development ended Richard's major league career and set off a chain of events that led to the former All-Star being homeless by the mid-1990s. This rapid rise and sudden, tragic fall define the unusual, moving, and inspirational life of a Houston icon who has endured many hardships but has become an admired figure in his adopted hometown. J. R. Richard tells that story now in his own words, including the highs and the lows of his brilliant athletic career, the difficulties that befell him on and off the field, abandonment by those he counted on after his stroke, the despair of losing everything, and his ultimate redemption and giving back to the community.

The Houston Astros Mark Stewart, James L. Gates, 2007 Presents the history, accomplishments and key personalities of the Houston Astros baseball team. Includes timelines, quotes, maps, glossary and websites--Provided by publisher.

Houston Astros: Deep in the Heart Bill Brown, 2013 Houston Astros: Deep in the Heart shares the stories of the plays and the players who have kept Houston returning to the diamond from the sandlot days, through the birth of indoor baseball, to the state-of-the art experience at Minute Maid Park. By the time the Astros made it to the World Series, they had captured the heart of Houston. This richly illustrated volume chronicles every aspect of the long road they took to face the White Sox in 2005 and provides insights on the legends Bob Aspromonte, Jose Cruz, Larry Dierker, Nolan Ryan, Joe Niekro, the Killer Bees, and many more. Packed with pictures never released to the public, each chapter increases fans' appreciation of this determined team. Memories and memorabilia from the team's playoff appearances from 1997 to 2001, their close call in 2004, and their triumphant march from tombstones to champagne in 2005 bring back the heyday, reminding readers how important it is to stay in the game.

Cody Bellinger Jon M. Fishman, 2021-01-01 In his first MLB season, Cody Bellinger of the Los Angeles Dodgers was unanimously voted the National League Rookie of the Year. Sports fans will love this action-packed look at a rising baseball star.

History Earned KCI Sports Publishing, 2017-11 History Earned! chronicles the Houston Astros incredible run to their first ever World Series championship. This dazzling hardcover keepsake includes highlights from the Astros 101-win regular season, special player features, game-by-game recaps of all the playoff games, and extended coverage of the World Series triumph over the Los Angeles Dodgers. Over 100 full-color photos included. The perfect holiday gift for Astros fans.

Houston Astros 101 Brad M. Epstein,2016-11-01 Houston Astros 101 is required reading for every Astros fan! From playing the first indoor baseball game in the Astrodome to the 2005 National League championship, you'll share all the memories with the next generation. Enjoy all the traditions of your favorite team, learn the basics about playing baseball and share your passion for America's pastime!

Houston Astros Sam Rhodes,2018-08-01 The Houston Astros are the only team in history to have five different players hit home runs in a single World Series game. They won the World Series for the first time in 2017. Learn about this team's history, uniforms, accomplishments, equipment, key players, coaches, and more in Houston Astros, part of the Inside MLB series.

Eventually, you will no question discover a additional experience and achievement by spending more cash. still when? reach you understand that you require to get those all needs afterward having significantly cash?
