If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

If you want your biggest goals to move from possible, to probable, to inevitable, you better read *The Miracle Equation*.—Mel Robbins, bestselling author of *The 5-Second Rule*

**Millionaire Process** Luis Lunson, 2018-09-08 We live in a world where evil habits and beliefs,

block the desire to realize our every dream in this one and only our life. The world population wastes whole years doing what most successful people do not, hoping for success and prosperity. How much MONEY did you SPEND on training without ANY RESULTS? How long have you been looking for a solution or a process that allows you to LIVE FOREVER FREE FINANCIALLY? ARE YOU NOT SURE that the path you have taken or that you are planning to undertake will lead you to have the results that you DREAM OF? HOW did successful entrepreneurs become such? HOW did they make millions of dollars? Do you really BELIEVE that they will teach you how they did it? No one will ever teach you what the spark that allowed him to create his own empire was. Even today it is thought that behind every success there is the secret formula. The secret formula does not exist, but there is something here that nobody talks about, which in addition to becoming precious and mysterious, has allowed any successful man to become such. The PROCESS. The daily process that makes us believe we can succeed or not. That's right, we decide the course of our lives, our successes, and our failures. But, if our process is influenced by wrong beliefs, then dreams will remain only and forever dreams. We must be able to control our emotions and beliefs, and only with a precise process will we be able to do so. Millionaire Process is the process that every successful person like Kylie Jenner, continues to follow and will never stop doing so. Luis Lunson is willing to EXPLAIN what nobody yet explained and how to act to EARN your first MILLION DOLLARS and more.

**How to Get Rich** Felix Dennis, 2008-06-12 Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why ownership isn't the important thing, it's the only thing.

**How to Become a Millionaire in 365 Days** Sterling Cooper, 2015-02-25 This is a step-by-step guide to become a millionaire in 365 days by buying a business for yourself, or with your co-workers. That is the best way to become a millionaire. Any size of business can be acquired by following the step-by-step guide outlined in the book, by the principals of STERLING COOPER, INC., a consulting firm ( [www.sterlingcooper.info](http://www.sterlingcooper.info) ) who have participated in thousands of acquisitions, valuations, appraisals and financings. The book concentrates on the principle of structuring a LEVERAGED BUYOUT (LBO) for the prospective acquisition and guides the reader to a means of accomplishing the purchase in easy to understand, straight forward terminology, with a daily suggested step-by-step program. This is a great handbook for anyone looking to buy a business. Readers may also contact the author directly for initial advice at no cost. The book is designed both for the first time buyer, with the step by step guidance as to how to buy a business, any business, but it also works well for owner who is interested in making an add-on acquisition and grow his business through acquisitions. The book involves some 40 years of acquisition experience and has great stories about real and completed LBO'S ( LEVERAGED BUYOUTS) of some well known companies all done on a shoestring budget, using the assets of the acquired companies as the collateral for the loans to acquire the businesses. The book is written to allow even a relatively inexperienced buyer/business owner, to find and to complete the transaction step-by-step. The SterlingCooper firm is available as a total daily step-by-step coach in the entire process if necessary so that you are not out there all alone, trying to just follow the book, but you have a real coach to accomplish the first acquisition. Initial consultation is at no cost to the reader. The entire process is broken down to easy to follow and organized steps what start with describing how the process of structuring an LBO works, and then guides the reader through the individual steps needed to identify the business to be acquired ( or acquire the business you now work for by yourself or with other employees). Every step of the process is documented day by day to accomplish the first transaction in a period of 60-90 working days as the optimum result! Since the acquisition process is geared to minimize the funds needed from the buyer and concentrates on using the leverageable assets of the acquired company, the buyer will minimize the use of his own funds...that is the whole basis of a properly structured LBO. You heard the term OTHER PEOPLE'S MONEY? A properly structured LBO is the best use of borrowed funds; the bank's! The book also contains a variety of helpful and ready to use forms and agreements that can be easily used to close the deal including a Draft Stock Purchase Agreement. Most valuable is the INFORMATIONAL QUESTIONNAIRE, which provides all the questions to ask relating to the business, its operations and financial statements, and will be the document you can share with your lenders for financing. You will be able to evaluate the entire business, its history of operations and intricacies like a pro, without having to spend tens of thousands of dollars on hiring a battery of professionals to do that job for you. The ability to buy a business, literally any business is now in your hands. Depending on your available free capital there is no limit to the possibilities of what can be acquired. You will enjoy reading about the completed opportunistic acquisition of a divestiture, of a 12,000 employee firm, by a motivated seller, a large publicly traded conglomerate, and even provided a line of credit to help with the acquisition! You may contact the author directly at no cost for a quick coaching to get started! BONUS INCLUDED! You can become a millionaire in 365 days!
