How to Help Your Husband Make More Money so You Can Be a Stay-at-Home Mom Joanne Watson, 2009-10-31 The intelligence of The Road to Wealth meets the attention-grabbing headline of The Surrendered Wife in this originally selfpublished success story. An increasing number of parents are deciding that they would rather have one parent at home raising—and perhaps even homeschooling—their children. Joanne Watson knew she wanted to stay at home, but she and her husband didn't think they could afford it. But with a lot of hard work and research, she helped her husband triple his income, allowing her to stay at home and raise their children. In HOW TO HELP YOUR HUSBAND MAKE MORE MONEY SO YOU CAN BE A STAY-ATHOME MOM, the author shares the techniques and secrets she used to help her husband make more money. Providing information on how a wife can help her husband boost his income —by getting a raise, finding a better paying job, building a business of his own, or making the one he has a success—this is the guide book for those women dreaming of being a stay-at-home mom.

She says, "Tell me about it." "I just did," he replies. Men and women communicate differently—and, all too often, not at all! This book is a sort of "linguistics" school that will teach you to speak your husband's language: male . You'll discover simple ways to cultivate a sense of humor about your male and female differences, open conversations with him—and keep them going, frame what you're saying with masculine interest areas, respond proactively to what your husband shares, and develop thicker skin (this alone is worth the price of the book). Change up your language, spice up your marriage! It'll be your husband's favorite thing you've ever done...well, almost! A man comes home and says to his wife, "I had a horrible day at work today." It's fun, realistic, smart, helpful—on every page. Think of it as your husband is a TV, and you—for once—have the remote." David Kopp, coauthor, with Heather Harpham-Kopp, Praying the Bible for Your Marriage Story Behind the Book "The concept for this book was born at five o'clock in the morning as I was working out," says Connie. "To keep myself awake, I thought about what Nancy and I should write to follow The Politically Incorrect Wife . 'What's a topic that almost every married woman in America is interested in?' I asked myself. Almost instantly, the answer came: How to get your husband to talk to you. Thus began a lot of reading, researching, surveying, and practicing. We were surprised time and again at what worked, and what didn't! We think you will be as well."

Divorced Girl Smiling Jackie Pilossoph, 2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as the divorced girl, Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

How to Be a Good Wife and Keep Your Husband Happy Mary Beth LeRoux,2015-04-06 There's no question as to the importance of a man keeping his wife happy (AKA the happy wife = happy life (theory), but let's not forget that in marriage, it takes two to tango. We are only one half of the equation, and the person we married is the other half: our husbands. And in order to have a happy marriage, both sides of the equation need to be balanced. Oddly enough, in many cases of broken marriages, wives reported to have been taken completely by surprise. They never even suspected their husband to be unhappy until the day he asked for a divorce. It's important that you try to stay in tune with your husband's emotional wellbeing so as to avoid such a scenario. Taking care of our marriage is not merely about keeping our husbands happy, but it's also about keeping our family intact. When marriages are broken, children are also affected. This is yet another reason to keep your husband's happiness on your radar, and make sure you treat him as a priority. Of course being a good wife requires a lot of effort, especially the type of effort you must exert, for example, to hold your tongue or to change your way of thinking. But once you persevere and you begin to feel the positive changes take place in your marriage, chances are you will feel even more invigorated and energized than you've ever felt before. This book is for all the strong women out there who are willing to take the necessary steps for the betterment of their marriage and family, knowing that it may not always be easy. If you apply the principles divulged in this book, I guarantee that you will love being married again, and that your husband will feel like a very lucky man. Let's get started!
