Learn to Paint in Acrylics with 50 Small

Paintings Mark Daniel Nelson, 2015-03-15 Learn all you need to know about acrylic painting as you create 50 stunning mini paintings. Following an overview of painting fundamentals, illustrated step-by-step instructions accompanied by lessons on specific techniques lead your way. This unique book is a complete course in acrylic painting, built up from key techniques. As you progress through the sections of the book, the author demonstrates each technique with the creation of a mini painting, measuring 5-inches squared. So by the time you have worked right through to the end, you will have an amazing collection of 50 mini paintings—on board, paper, or canvas—that will be a testament to your skill and creativity. The subject matter for these squares varies from abstracts and simple color-mixing exercises, through to figurative subjects: a flower, a sunset, a busy street scene—and many more. These can be mounted, exhibited, or simply collected in a portfolio, or given away as gifts for friends to cherish. If you are coming to acrylics for the first time, or keen to improve your skills and sometimes daunted by the thought of filling a large empty canvas or blank piece of board, this is your ideal guide. Instead, it will free you from creative hang-ups and replace them with an addictive desire to create that next 5-inch square!

Learn to Paint in Watercolor with 50 Paintings

Wil Freeborn, 2017-02 Develop your watercolor skills one painting at a time! Are you a watercolor

painter newbie? Have you dabbled in watercolors but wish your paintings looked more polished? Well, it's time to remedy that! Learn to Paint in Watercolor is the patient watercolor instructor you've been waiting for. This unique how-to book offers all you need to know about watercolor painting - perfect for first-time painters or anyone interested in refining their skills. Treat the book as an in-depth class on this medium. With each lesson, you'll be privy to a new watercolor technique or subject. Readers will move through the book subject by subject, course by course, painting all along the way. By the time you reach the end, you'll have fifty paintings showcasing your steady progress. You'll start by painting objects that are important to you and then move on to exploring your immediate environment. By the end of the book, your paintings will start to tell your own story, giving you the confidence to continue painting and discovering watercolors' myriad possibilities. Techniques are introduced throughout the book's projects, from using a simple color wash to learning about ink techniques or letting go with loose, free watercolors. At the same time, concepts such as properties of light (vital for watercolorists) give a solid foundation on which to work.

Beginning Drawing Atelier Juliette

Aristides, 2019-04-16 Written by a well-known artist and best-selling art-instruction author with almost rock-star popularity in the contemporary world of representational art, *Beginning Drawing Atelier*, with its unique workbook/sketchbook approach, and high-quality paper, offers a comprehensive and contemporary twist on traditional Atelier art instruction practices. Atelier education is centered on the belief that working in a studio, not sitting in the lecture hall, is the best place to learn about art. Every artist needs to learn basic drawing skills. In this elegant and inspiring workbook, master contemporary artist and best selling author Juliette Aristides breaks down the drawing process into small, manageable lessons; presents them

progressively; introduces time-tested principles and techniques in the Atelier tradition that are easily accessible; and shares the language and context necessary to understand the artistic process and create superior, well-crafted drawings. What makes this approach unique is the fact that it includes blank pages for copying and practicing within each lesson, facilitating traditional Atelier methods. Ateliers have produced the greatest artists of all time--and now that educational model is experiencing a renaissance. These studios, in a return to classical art training, are based on the nineteenth-century model of teaching artists by pairing them with a master artist over a period of years. Students begin by copying masterworks, then gradually progress to painting as their skills develop. Beginning Drawing Atelier is like having an atelier in a book--and the master is Juliette Aristides, a classically trained artist. On every page, Aristides uses the works of Old Masters and today's most respected realist artists to demonstrate and teach the principles of realist drawing and painting, taking students step by step through the learning curve yet allowing them to work at their own pace. Unique and inspiring, the approach in this new book offers serious art courses for serious art students.

Learn to Paint People Quickly Hazel

Soan, 2017-03-16 A practical guide to learn painting individual people and crowds, with simple exercises and step-by-step demonstrations. Bestselling artist and writer Hazel Soan has distilled her art teaching into the things that

matter most and can be digested in a short period of time. Learning to paint is one of the life-long aspirations of many of us and the techniques of painting lively crowd scenes or portraits of loved ones can be picked up faster than you think. In this concise book, Hazel Soan explains everything you need to know about figurative painting in an accessible way. She advises on how to paint people in a variety of poses and settings, dealing with the theories of colour and light in a way that beginners will understand and more experienced painters will find invaluable. She also guides you through ways to insert people into your pre-existing painting to bring them to life; scenes like urban streets and on the beach are explored. Subjects like how to paint portraits and getting to grips with body proportion and perspective are also covered. Both media of watercolours and oils are covered, making this the perfect book for any type of artist. Filled with easy-to-follow exercises and demonstrations, this is a practical and helpful guide to learning to paint people very quickly.

Learning to Paint, Acrylics Parramón Ediciones. Editorial Team, 1998 In Barron's Learning to Paint volume ACRYLICS, the full range of implements best for acrylic painting are shown with their uses demonstrated. Van Gogh Starry Night Vincent van Gogh,Federico Castelli Gattinara,2004 This title is one in a series presenting four masterpieces by four immortal nineteenth-century French painters. Each miniature book faithfully reproduces its title painting on the front cover, and is packaged in a handsome slipcase that doubles as a picture frame. The frame can stand up on a desk or tabletop or be hung on the wall to display the book cover's striking painting. Each book's interior discusses its title painting, describing the artist's approach to his work, analyzing the picture's fine points, and showing close-up details from the painting. A final two-page spread presents a timeline capsule biography that lists significant events in the painter's life. Van Gogh--Starry Night shows and discusses Vincent Van Gogh's masterpiece, which is a mystically glowing nighttime landscape, and ranks today as one of the

artist's most popular and beloved paintings.
