

How To Publish Your Ebook

Elizabeth Cleghorn Gaskell

The Scribe Method Tucker Max,Zach Obront,2021-04-15 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's Can't Hurt Me, Tiffany Haddish's The Last Black Unicorn, and Joey Coleman's Never Lose a Customer Again. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

The Alpha-Nina M.K. Williams,2022-03-01 Continue the time-travel adventure series from M.K. Williams and cross back over the Plain with *The Alpha-Nina* There is no such thing as a coincidence in an infinite multiverse. Each action happens, it is inevitable. It was bound to occur, somewhere, sometime. Or, more elegantly put: It is destiny. While Nina Marks may have found her way back home after being kidnapped across the multiverse, her alter-egos are now in danger. The technology needed to travel the multiverse exists in at least 4 known universes, and perhaps more. How can Nina, now stuck in Universe Alpha keep all the infinite universes safe from those looking to exploit this technology? And, if the weight of protecting parallel universes wasn't enough on her shoulders, she is the primary suspect in the disappearance of Dr. Parker Lovett. Can Nina exonerate herself without exposing the secrets of The Portal? Can she trust her alter-egos to keep watch on their entry point to the multiverse? Can she just get through the first week at her new job without having to worry about the fate of all people living across the infinite universes? Read *The Alpha-Nina*, the second book in The Feminina Series, and the anxiously awaited sequel to *The Infinite-Infinite* to find out.

67 Morning Ritual Habits for Your Body, Mind and Spirit Stefan James, 2019-03-25 Discover 67 Little Known Morning Ritual Habits For Creating An Unstoppable Day! Your morning ritual is what sets you up for having a successful day. It's one of the most important habits to cultivate, as it'll set the precedent of how your day will look. As the saying goes, How you start the day is how you'll end the day. I believe that a successful morning ritual consists of doing at least one thing for your Body, Mind, and Spirit. You must give equal attention to all three aspects of yourself in order to maximize your performance and fulfillment. I've been practicing morning rituals since I was 17 years old. It's one of the most important habits that has shaped every aspect of my life. It's an opportunity for me to give the most valuable resource we have, our time, to myself so that I can grow to become my very best. Most people the day out of reaction. They wake up and they're immediately hitting the snooze. They are flooded with the stresses and anxieties of the day, immediately checking their inbox or social media. As a result, they're not getting the most out of themselves or the day. Over the last 15 years of my life, I've studied the habits of the most remarkable people throughout history. Those who have achieved extraordinary success, are truly fulfilled, have unstoppable confidence, an abundance of energy, are physically fit, and what anyone would consider having it all. I've studied their habits and rituals and put them together for you in this book, 67 Morning Ritual Habits For Your Body, Mind, And Spirit so that you can benefit from them. I've personally tested and utilized ALL of these rituals in different

stages of my life with incredible benefit. I'm excited to finally share them with you so that you can reap the rewards of cultivating an amazing morning ritual in your life that allows you to be at your best.

Successful Self-Publishing Joanna Penn,2018-02-22 Do you want to successfully self-publish? There are thousands of new books being published every day, but many self-published books quickly sink to the bottom of the pile. Many authors are frustrated because there are so many options for self-publishing, and they don't know which one to choose or what will be best for their book. Others spend thousands of dollars to publish and end up broken-hearted with the result. But it doesn't have to be this way. I've spent the last seven years self-publishing bestselling fiction and non-fiction books and in 2011, I left my day job to become a full-time author entrepreneur. I've made lots of mistakes along the way, but through the process of self-publishing 17 books, I've learned the most effective way to publish and market your books. In this book, I'll share everything with you. The book includes: - What you need to know before you self-publish - Why self-publishing an ebook is a good idea - How to format an ebook - Exclusivity and going direct - How to self-publish an ebook - Why self-publish a print book - Print-on-demand will change your life - What you need to know before you print - How to self-publish a print book - What to do if you want help with the publishing process - After self-publishing - How much does it cost to self-publish? - How do you get paid when you self-publish? - Book marketing principles - How to market fiction - How to market non-fiction Plus, links to more useful resources.

Cranford Illustrated Elizabeth Cleghorn Gaskell,2020-10-26 Cranford is one of the better-known novels of the 19th-century English writer Elizabeth Gaskell. It was first published, irregularly, in eight instalments, between December 1851 and May 1853, in the magazine Household Words, which was edited by Charles Dickens. It was then published, with minor revision, in book form in 1853

The Road Chose Me Volume 1 Dan Grec,2018-05-05 When Dan set out to drive his Jeep from the Northern tip of Alaska to Tierra del Fuego on the Southern tip of South America, he had no idea how much the adventure would change his life. Over the course of two years, Dan's expedition spanned forty thousand miles through sixteen countries. Now he will never be the same. After years of saving, dreaming and planning, Dan wanted to find out if an ordinary guy can achieve the extraordinary. With no sponsorship, a modest savings account and a willingness to learn Spanish, Dan threw himself in. Going solo, with no GPS and sleeping in a ground tent, Dan wanted to experience everything the Americas have to offer. From poking lava with a stick and hiking among world-famous mountains to corrupt military and camping with Ecuadorian locals - every day provided something new. With his eyes and ears open to the world around him, Dan met many interesting and thought-provoking characters. With their guidance and prodding, and by using their unique perspective, Dan was able to learn many valuable life lessons. Running to the beat of a different drum, Latin America was the perfect classroom for Dan to view our modern work-a-day world through an entirely new lens.

Book Marketing Is Dead Derek Murphy, 2013-12-31 How to sell a ton of books (even if you're starting with no platform). If you've found this book I'm assuming you have or will soon have a book out on the market, and are exploring ways to turn it into a best-selling powerhouse that will slaughter the competition and pay for your retirement. The indie publishing world is thrilling because of the possible returns, and I hope you and your book do well. You're probably searching for things like book marketing and book promotion so you can learn how to find readers and convince them to buy your book. But almost

everything you read will be wrong. That's because marketing in general is dead. Advertising is dead. Selling and convincing people to buy: also dead. The new law of book sales is this: if you're talking about your book, promoting your book, sharing your book... you're screwing it all up. Don't make Old School marketing mistakes that will sabotage your efforts! This book will help you to... Avoid the common mistakes that kill book sales Set up an author platform quickly that will triple your results Use Social Media (like an expert) without being annoying Advertise for maximum impact (at the lowest cost) Make powerful friends online who can move thousands of books Before you spend a lot of money on book marketing services or author publicity... Make sure you've plugged all the holes in your sales funnel so you're not throwing money away. If you're looking for a Bestseller Campaign but don't have a big budget... This book will show you plenty of ways to improve sales without spending a dime.

How to Publish a Book on Amazon Sam Kerns, 2016-11-09 Are you tired of how to publish books that are full of fluff and no real information? I was, too. Before I began my publishing career with Kindle books, I read just about everything out there, looking for real answers to questions I had about the industry. But much to my disappointment, most of the books were filled with fluff or stories of people who hit it big without really telling me how or why. I determined to jump in and learn for myself—and that's exactly what I did. I started with my first book, *How to Work from Home and Make Money*, and then quickly published three more. I was looking for the topic of my fifth book when it hit me—why not share what I've learned with the people who still haven't made the leap and published their own book? It all began when I received an email from a book promotion site. One of the features was a how to book about publishing Kindle books, so out of curiosity, I followed the link and read the reviews. And sure enough, the page was full of people complaining that the book didn't contain any valuable information. So here's what I decided to do. Write a book that answers all of the real questions without painting an unrealistic view of the possibilities. In my book, I answer things like: How to pick book topics that will sell. (Why it's important, and what I've done right—and wrong.) How to write a book in 30 days or less. (And take weekends off.) How to conduct research for your book. How to make your own covers for free. The pros and cons of pre-releasing your book. When you should enroll your book in Kindle Unlimited (And when you shouldn't.) How to format your book yourself. (Including the clickable table of contents) And how to get it done for cheap if you don't want to do it. Why you need a paperback version. (And how to create one) Why you may need an audio book (And how to get one for free) How to get your book translated into other languages for free (And why you should) Why ranking matters (And what to do if your book isn't ranking well.) How to market your book. (Including links and contact information for the people I use) What to do after you publish your first book. How much you can REALLY expect to make with Kindle publishing. I talk about the mistakes I've made so you don't make them, too. And I provide you with step-by-step instructions and relevant links for all of the above areas—and more. In other words, this book is the ONLY book you'll need to start a career publishing Kindle books. If you've been dreaming of publishing a book, but don't know where to start—or if you've already published but can't find success—this may be the book you've been waiting for. Why not take the first step toward your publishing career and download it right now? I promise you won't find any fluff or useless information in it. Just an actionable guide that answers the questions no one else will.
