

How To Read The Air

Gail Tsukiyama

How to Read the Air Dinaw Mengestu,2010-10-14 A beautifully written* (New York Times Book Review) novel of redemption by a prize-winning international literary star. From the acclaimed author of The Beautiful Things that Heaven Bears comes a heartbreaking literary masterwork about love, family, and the power of imagination. Following the death of his father Yosef, Jonas Woldemariam feels compelled to make sense of the volatile generational and cultural ties that have forged him. Leaving behind his marriage and job in New York, he sets out to retrace his mother and father's honeymoon as young Ethiopian immigrants and weave together a family history that will take him from the war-torn country of his parents' youth to a brighter vision of his life in America today. In so doing, he crafts a story- real or invented-that holds the possibility of reconciliation and redemption.

How to Read the Air Dinaw Mengestu,2010 After his estranged Ethiopian immigrant father dies, Jonas hopes to answer questions about his heritage and culture. So he leaves his wife and home in New York and sets out across the trail his own parents took when they first arrived in America

Air Is All Around You Franklyn M. Branley,2006-06-13 When it's not windy, it can be easy to forget about air. But air is everywhere—it fills your house, your car, and even your empty milk glass. In fact, a regular room holds about 75 pounds of it! This Level 1 book, reillustrated with John O'Brien's clever, eye-catching illustrations, tells you how to discover the air that's all around you.

The Air You Breathe Frances de Pontes Peebles,2019-07-02 [A] glorious, glittery saga of friendship and loss... I read The Air You Breathe in two nights. (One might say I inhaled it.). --NPR Echoes of Elena Ferrante resound in this sumptuous saga.--O, The Oprah Magazine Enveloping...Peebles understands the shifting currents of female friendship, and she writes so vividly about samba that you close the book certain its heroine's voices must exist beyond the page. -People The story of an intense female friendship fueled by affection, envy and pride--and each woman's fear that she would be nothing without the other. Some friendships, like romance, have the feeling of fate. Skinny, nine-year-old orphaned Dores is working in the kitchen of a sugar plantation in 1930s Brazil when in walks a girl who changes everything. Graça, the spoiled daughter of a wealthy sugar baron, is clever, well fed, pretty, and thrillingly ill behaved. Born to wildly different worlds, Dores and Graça quickly bond over shared mischief, and then, on a deeper level, over music. One has a voice like a songbird; the other feels melodies in her soul and composes lyrics to match. Music will become their shared passion, the source of their partnership and their rivalry, and for each, the only way out of the life to which each was born. But only one of the two is destined to be a star. Their intimate, volatile bond will determine each of their fortunes--and haunt their memories. Traveling from Brazil's inland sugar plantations to the rowdy streets of Rio de Janeiro's famous Lapa neighborhood, from Los Angeles during the Golden Age of Hollywood back to the irresistible drumbeat of home, The Air You Breathe unfurls a moving portrait of a lifelong friendship--its unparalleled rewards and lasting losses--and considers what we owe to the relationships that shape our lives.

The Beautiful Things That Heaven Bears Dinaw Mengestu,2007-03-01 Seventeen years ago, Sepha Stephanos fled the Ethiopian Revolution for a new start in the United States. Now he finds himself running a failing grocery store in a poor African-American section of Washington, D.C., his only companions two fellow African immigrants who share his bitter nostalgia and longing for his home continent. Years ago and worlds away Sepha could never have imagined a life of such isolation. As his environment begins to change, hope comes in the form of a friendship with new neighbors Judith and Naomi, a white woman and her biracial daughter. But when a series of racial incidents disturbs the community, Sepha may lose everything all over again. Watch a QuickTime interview with Dinaw Mengestu about this book.

When Breath Becomes Air Paul Kalanithi,2016-01-12 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE’S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper’s Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade’s worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When Breath Becomes Air chronicles Kalanithi’s transformation from a naïve medical student “possessed,” as he wrote, “by the question of what, given that all organisms die, makes a virtuous and meaningful life” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything,” he wrote. “Seven words from Samuel Beckett began to repeat in my head: ‘I can’t go on. I’ll go on.’” When Breath Becomes Air is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

Children of the Revolution Dinaw Mengestu,2019-09-19 Seventeen years after fleeing the revolutionary Ethiopia that claimed his father's life, Sepha Stephanos is a man still caught between two existences: the one he left behind, aged nineteen, and the new life he has forged in Washington D.C. Sepha spends his days in a sort of limbo: quietly running his grocery store into the ground, revisiting the Russian classics, and toasting the old days with his friends Kenneth and Joseph, themselves emigrants from Africa. But when a white woman named Judith moves next door with her only daughter, Naomi, Sepha's life seems on the verge of change...

Air Monica Roe,2022-03-15 An action-packed, empowering middle grade novel about a girl who has to speak up when her wheelchair motocross dreams get turned upside down. Twelve-year-old Emmie is working to raise money for a tricked-out wheelchair to get serious about WCMX, when a mishap on a poorly designed ramp at school throws her plans into a tailspin. Instead of replacing the ramp, her school provides her with a kind but unwelcome aide—and, seeing a golden media opportunity, launches a public fundraiser for her new wheels. Emmie loves her close-knit rural town, but she can’t shake the feeling that her goals—and her choices—suddenly aren’t hers anymore. With the help of her best friends, Emmie makes a plan to get her dreams off the ground—and show her community what she wants, what she has to give, and how ready she is to do it on her own terms. Air is a smart, energetic middle grade debut from Monica Roe about thinking big, working hard, and taking flight.

Splat the Cat: Up in the Air at the Fair Rob Scotton,2014-02-25 Splat the Cat is back in New York Times bestselling author-illustrator Rob Scotton's beginning reader Splat the Cat: Up in the Air at the Fair. In this Level 1 I Can Read book, Splat, Spike, and Plank can't wait to go to the fair. But when Kitten can't come, the friends are determined to bring her back the perfect gift. Beginning readers will delight in Splat's hilarious attempts to find the perfect present. Readers won't even know they are learning as they have fun with the -air sound. Splat the Cat: Up in the Air at the Fair is a is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences.

Air Victoria Parker,2006 Why do we need air to live? Find out in this informative title that explains the importance of air to all living things.

A Breath of Fresh Air Amulya Malladi,2007-12-18 On the night of December 3, 1984, Anjali waits for her army officer husband to pick her up at the train station in Bhopal, India. In an instant, her world changes forever. Her anger at his being late turns to horror when a catastrophic gas leak poisons the city air. Anjali miraculously survives. Her marriage does not. A smart, successful schoolteacher, Anjali is now remarried to Sandeep, a loving and stable professor. Their lives would be nearly perfect, if not for their young son’s declining health. But when Anjali’s first husband suddenly reappears in her life, she is thrown back to the troubling days of their marriage with a force that impacts everyone around her. Her first husband’s return brings back all the uncertainty Anjali thought time and conviction had healed—about her decision to divorce, and about

her place in a society that views her as scandalous for having walked away from her arranged marriage. As events unfold, feelings she had guarded like gold begin to leak away from her, spreading out into the world and challenging her once firm beliefs. Rich in insight into Indian culture and psychology, *A Breath of Fresh Air* resonates with meaning and the abiding power of love. In a landscape as intriguing as it is unfamiliar, Anjali's struggles to reconcile the roles of wife and ex-wife, working woman and mother, illuminate both the fascinating duality of the modern Indian woman and the difficult choices all women must make. From the Hardcover edition.

The Color of Air Gail Tsukiyama, 2020-07-07 PARADE's Best Books to Read this Summer A rich historical novel that illustrates why connection is more important and more vital than ever." -New York Times bestselling author Lisa See Daniel Abe, a young doctor in Chicago, is finally coming back to Hawai'i. He has his own reason for returning to his childhood home, but it is not to revisit the past, unlike his Uncle Koji. Koji lives with the memories of Daniel's mother, Mariko, the love of his life, and the scars of a life hard-lived. He can't wait to see Daniel, who he's always thought of as a son, but he knows the time has come to tell him the truth about his mother, and his father. But Daniel's arrival coincides with the awakening of the Mauna Loa volcano, and its dangerous path toward their village stirs both new and long ago passions in their community. Alternating between past and present—from the day of the volcano eruption in 1935 to decades prior—*The Color of Air* interweaves the stories of Daniel, Koji, and Mariko to create a rich, vibrant, bittersweet chorus that celebrates their lifelong bond to one other and to their immigrant community. As Mauna Loa threatens their lives and livelihoods, it also unearths long held secrets simmering below the surface that meld past and present, revealing a path forward for them all.

How to Read the Air Dinaw Mengestu, 2019-09-19 A powerful and moving summer read that explores love, grief and the reality of the contemporary American immigrant experience Jonas, fresh from a failed marriage, is desperate to make sense of the ties that have forged him. How can he dream of a future when he can't make sense of his past? He hits the road, tracing the route that his parents - young Ethiopians in search of an identity as an American couple - took thirty years earlier to Nashville, Tennessee. In a stunning display of imagination he weaves together a history that takes him from the war-torn Ethiopia of his parents' youth to a brighter vision of his own life in contemporary America, a story - real or invented- that holds the possibility of reconciliation and redemption. 'A story of exile and redemption, beautifully written' The Times

Punching the Air Ibi Zoboi, Yusef Salaam, 2020-09-01 New York Times and USA Today bestseller * Boston Globe-Horn Book Honor * Walter Award Winner * Goodreads Finalist for Best Teen Book of the Year * Time Magazine Best Book of the Year * Publishers Weekly Best Book of the Year * Shelf Awareness Best Book of the Year * School Library Journal Best Book of the Year * Kirkus Best Book of the Year * New York Public Library Best Book of the Year From award-winning, bestselling author Ibi Zoboi and prison reform activist Yusef Salaam of the Exonerated Five comes a powerful YA novel in verse about a boy who is wrongfully incarcerated. A must-read for fans of Jason Reynolds, Walter Dean Myers, and Elizabeth Acevedo. The story that I thought was my life didn't start on the day I was born Amal Shahid has always been an artist and a poet. But even in a diverse art school, because of a biased system he's seen as disruptive and unmotivated. Then, one fateful night, an altercation in a gentrifying neighborhood escalates into tragedy. "Boys just being boys" turns out to be true only when those boys are white. The story that I think will be my life starts today Suddenly, at just sixteen years old, Amal is convicted of a crime he didn't commit and sent to prison. Despair and rage almost sink him until he turns to the refuge of his words, his art. This never should have been his story. But can he change it? With spellbinding lyricism, award-winning author Ibi Zoboi and prison reform activist Yusef Salaam tell a moving and deeply profound story about how one boy is able to maintain his humanity and fight for the truth in a system designed to strip him of both.

Every Breath We Take Maya Ajmera, Dominique Browning, 2016-03-08 Clean air is essential for all living creatures—plants, animals, and people—to live healthy lives. *Every Breath We Take* is a positive, life-affirming look at clean air, with a subtle message about how air can be dirtied—and how it can be cleaned up. Photographs of beautiful children around the world exploring air through touch, smell, sound, and sight underscore the importance of clean air to all life on earth. This is science that surrounds us. The first step to cherishing something is recognizing its importance and understanding why it is necessary. A portion of the proceeds from the sales of this book will be donated to Moms Clean Air Force, a national movement of over a half million moms, dads, and grandparents who are protecting the right of every child to breathe clean air.

Doors in the Air David Weale, 2012-04-01 *Doors in the Air* is the story of a boy who is fascinated by doors. He marvels at how stepping through a doorway can take him from one world to another. He is especially enthralled by the doors of his imagination, which he refers to as doors in the air. He delights in discovering that when he passes through these doors, he leaves behind all feelings of boredom, fear and unpleasantness. *Doors in the Air* is a lilting journey through house doors, dream doors and, best of all, doors in the air.

Caelica Fulke Greville 1st Baron Brooke, 1898

Love Is in the Air Jonathan Fenske, 2012-12-27 Mo Willems meets Dr. Seuss! This is the sweet story of a lonely balloon falling in love with a lively kite, and the adventures they share high in the air--flipping, dipping, spinning, and playing in the clouds. With bright and bold graphics, this accessible Level 2 reader, which is available in both hardcover and paperback, is one that parents and children will read over and over again!

Something in the Air L.H. Cosway, 2023-07-28 Michaela Olsson has found her soulmate in James Khan. There are just a few teeny, tiny problems... One, he's her boss, two, he's too old for her, and three, well, he happens to be engaged to somebody else. She'll take this crush and bury it deep. She'll take it to her grave. James already belongs to another, so she'll lock her secret up so tight it'll be deprived of oxygen, suffocate and die. Too dark? Matters are only made worse when James asks her to move into his newly purchased house to supervise the renovations. Working together every day is bad enough, but living in a house he owns is far more intimate than she expected. Then, when James decides to call off his wedding without any explanation whatsoever, Michaela wonders if perhaps her feelings for him aren't as one-sided as she thought. While he was engaged James shared a flat with his fiancée, but now he's moving into the house that Michaela has been living in by herself. She hadn't intended for it to happen, but the place has started to feel like home, and with the object of her affections suddenly sharing her living space, things become infinitely more complicated. And heated. Soon Michaela learns she might've had more to do with James calling off his engagement than she could've possibly imagined.

The Court of the Air Stephen Hunt, 2009-03-31 Targeted for their possession of a magical secret that has forced them into lives of hardship, street-wise Molly and sheltered Oliver find themselves on the run in the company of outlaws and spies who assist their efforts to counter ancient enemies of the state.

The Enigmatic Realm of **How To Read The Air**: Unleashing the Language is Inner Magic
