Home-Based Businesses That You Can Start Today Robert Witham,2011-02-11 More people than ever are considering starting a home-based business. Part of this interest in home-based businesses is driven by an economic recession, but part of it is also driven by the dream of independence. For many people, being self-employed or operating their own home-based business has always been a dream. Leaving the corporate world behind, eliminating long commutes to work, spending more time at home with family, and a desire for a simpler lifestyle have all been listed as reasons why people decide to trade the supposed security of a corporate job for a home-based business. There are many reasons to start a home-based business. In fact, there are probably about as many reasons as there are small business owners! Starting a small business is hard work, but it is also rewarding work. Working for yourself also provides a measure of security and flexibility not available in any job. How much security and how much flexibility depends on the type of business you operate, as well as your motivation and determination to succeed. *Home-Based Businesses That You Can Start Today* will help you get started on the exciting journey toward being a small business owner. This book is filled with small business ideas that can be started right from your own home with minimal expense or hassle. Each business idea is neatly organized into its own section so you can skip over any business ideas that do not sound appealing and focus on those that you do find interesting. *Home-Based Businesses That You Can Start Today* focuses on providing ideas to get you started. This book profiles 65 different business ideas that you can start at home. I trust you will find *Home-Based Businesses That You Can Start Today* to be a valuable resource as you consider starting your own small business. The list of business ideas that is included in this book is by no means exhaustive or comprehensive, but it does provide a good overview of the many types of home-based businesses that can be operated today.

How to Start a Home-Based Pet-Sitting and Dog-Walking Business Cathy Vaughan, 2011-01-11 Just fifteen years ago, “pet sitter” meant the kid down the street who helped feed pets when the neighbors traveled. Today, this fledgling field is fast becoming an established profession. Combining the appeal of working with animals, a viable customer base, and truly low start-up costs, it is for many people the ideal home-based business. And yet its “fun” aspects are often overshadowed by the daunting tasks of registering the business, purchasing insurance, and knowing what first steps to take and how to continue from there. With a simple, step-by-step format, *How to Start a Home-Based Pet Sitting Business* guides aspiring pet sitters from the dreaming stage to the doing stage more clearly and comprehensively than any such book to date.

Home by Choice Dr. Brenda Hunter, 2011-09-07 It's one of the toughest choices a mother will ever make: to work or be a full-time mother? It is also a long-running debate between moms who feel they contribute more to society at work than at home and those who feel mothering is not just a full-time job but a calling. In this newly repackaged, expanded, and updated edition of *Home by Choice*, national authority Dr. Brenda Hunter brings research to the discussion table, arguing that no one can replace the care a mother provides. As kids grow up with parental presence, she says, they develop a sense of home that will serve them all their lives. Dr. Hunter speaks directly to moms, addressing their unique concerns—such as financial pressure, support from husbands, and personal fulfillment. She makes a well-reasoned case for the enduring effects of a mother's love.
